Grain

WINNIPEG, July 29 — (CP) — Good export business in Canadian barley was reported on the Winnipeg Grain Exchange today with estimates of sales running as high as 1,000,000 bushels.

At the same time, estimates of yesterday's barley trade were revised upwards to 1,000,000 bushels. Most sales were to the continent with Germany and Belgium among the buyers.

Export interest was reflected in the trade which was active in barley with offerings about in line with demands. Trade in oats was less active with some indication of purchases by eastern shippers. A few orders for export and industrial accounts appeared in flux.

Prices were somewhat irregular reflecting similar action on U.S. grain markets. Class two wheat and I. W. A. prices were down one quarter cent.

Closing prices:

Oats: July 79%; Oct. 80%; Dec. 79% A; May 81% A.

Barley: July 1.19% B; Oct. 1.20% B; Dec. 1.18% A; May 1.19% B.

Rye: July 1.88% A; Oct. 1.91% B; Dec. 1.91% B; May 1.95% A.

Flax: July 3.92% A; Oct. 3.93% A; May 3.92% A.
