

The Journalistic Liar.

Until quite recently citizens of the United States were unrivalled as manufacturers of incredible stories. A year or two ago, however, a mendacious Australian journalist dealt a cruel blow at this kind of American supremacy by inventing and publishing a minute account of a process by means of which a man's animation could be indefinitely suspended, the vital powers meanwhile undergoing no waste whatever; and now Japan sends us a tale which for wild and sublime untruthfulness probably exceeds anything that either America or Australia has produced.

Noah's Ark Discovery.

FINDING OF THE ANCIENT VESSEL IN A GLACIER ON MOUNT ARARAT.

A Constantinople contemporary announces the discovery of Noah's Ark. It appears that some Turkish Commissioners appointed to investigate the question of avalanches on Mount Ararat suddenly came upon a gigantic structure of very dark wood protruding from a glacier. They made inquiries of the inhabitants (Q 1,725 in their report). These had seen it for six years, but had been afraid to approach it because a spirit of fierce aspect had been seen looking out of the upper window.

SCROFULA and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworms, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood. To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and procures itself a complete master of all scrofulous diseases. A Recent Cure of Scrofulous Sores. Some months ago I was troubled with scrofulous sores (bores) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me. Yours respectfully, Miss ANN O'BRIEN, 18 Sullivan St., New York, June 2, 1882. All persons interested are invited to call on Mrs. O'Brian also upon the Rev. Z. P. Woods of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge. "The well-known writer on the Boston Herald, B. W. BULL, of Rochester, N.H., writes, June 7, 1882: "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla stimulates and regulates the action of the digestive and assimilative organs; renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, theumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality. It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Dr. Bennet, Halifax. DEAR DOCTOR.—Just a few lines as promised by me. I am none the less pleased with the "Liver Pad" I got from you when in Charlottetown, and am conscientiously saying that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me—i. e. removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dullness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public. Believe me, Yours sincerely, FRANK ELLIOTT. DR. BENNET'S PADS can be had at FRASER & REDDIN'S DRUG STORE, June 12.]
