FROM a number of certificates which have been received from time to time, testifying to the efficacy of "Skinner's Vegetable Stomachic Pills and Stomach Renovator," the following is selected for public information.
 M. W. SKINNER.

To Mr. M. W. Skinner, Apothecary, &c.
 DEAR SIR,—I had been ailing for upwards of two years from some complaint of the stomach. I tried several remedies, but all to no purpose. My complaint seemed to gain ground; for three or four times daily I was compelled to leave off work, and lay down from excess of pain in my stomach. When in Town, one day, I made my condition known to you (although almost in despair); you told me you would cure me. You gave me a Box of Vegetable Stomachic Pills, also a Bottle of your Stomach Renovator, or Appetite Drops, prepared by yourself; and as many persons may be suffering as I have done, I think it is not only necessary, but an act of justice, to make known where so efficacious a remedy for stomach complaints may be obtained, as I have been most effectually cured by it after so long a period of intense suffering. I can also testify that two of my neighbours, who were similarly afflicted, were likewise cured by so much of the medicine as had been left unused by myself. I remain, Sir, your very obedient servant.

HOLLOWAY'S PILLS.
 THE EXCITING CAUSE OF SICKNESS.
 The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.
 THE NATIONAL COMPLAINT.
 Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.
 BILIOUS AFFECTIONS.
 The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.
 A WORD TO FEMALES.
 The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.
 USED THROUGHOUT THE WORLD.
 Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.
 ALARMING DISORDERS.
 Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time.
 GENERAL WEAKNESS.—NERVOUS COMPLAINTS.
 When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.
 Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	toms
Asthma	Erysipelas	Lumbago	Tic-Douloureux
Bili's Complaints	Femine Irregularities	Piles	Tumours
Blotches on Skin	Furunculosis	Rheumatism	Ulcers
Bow'l complaints	Fevers, all kinds	Retention of Urine	Venerated Affections
Colic	Fits	Scrofula, or King's Evil	Worms, all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness, from whatever cause
Consumption	Head-ache	Stomachic Inflammation	&c., &c.
Debility	Indigestion	Stones and Gravel	
Dropsy	Inflammation	Secondary Symp-
