Rotary Club To Donate \$2,500 To Hospital Fund The Summerside Rotary Club will donate \$2,500 to the Prince County Hospital completion fund. This amount will be paid at the rate of \$500 per year for the next five years. The decision was reached at the club's weekly luncheon meeting held yesterday. Previous to this donation, the Rotary Club had, up to the present, contributed \$5,500 towards the erection and equipment of the new Prince County Hospital and in addition to this assistance, in 1943 donated an x-ray machine to the old hospital.

While most generous in their assistance to the hospital, they did not forget the Mayor's Rink Fund. A motion was presented that in future the absence of a member from the regular weekly luncheon will mean an automatic fine of \$1.25 which will be donated to the rink fund.
