This life is a play, where each humble heart To make the denouement must act out its part. If all men, like should follow one way, Then life would indeed be very poor play;

Among what the English postmaster-general classes as "curious incidents," in his annual report is the certainly somewhat remarkable fact that a letter consisting of 26 words was by some ingenious individual on the back of a penny stamp, and still more unexpected is the announcement that the unique epistle safely reached its intended destination.

KING'S EVIL Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation.

Special Notice - TO - Purchasers of Cotton Warp. WE find it necessary to call the attention of those who USE COTTON YARN OR WARP to the fact that the yarn made by us is the ONLY REAL Water-Twist Yarn Made in the Dominion - no other mill having the machinery on which to make it. Our Yarn is, consequently, very much superior for weaving purposes to any other in the market - a fact which is well known to those who have used it for the past TWENTY YEARS.
