

# Keen Racing At South Rustico Yesterday; Horse Drops Dead During Event

The first full program of the season in Wednesday afternoon racing meets of the Island harness racing circuit was run off at the Parkview Track at South Rustico yesterday afternoon before a large crowd of fans who packed the stands and grounds to overflowing to witness some smart racing.

The event was saddened, however, when British Hal, a familiar pacer over Island raceways, and owned by Mr. John T. MacLeod of Bradabane, dropped dead on the track. The unfortunate incident occurred in the second heat of the fourth event, when British Hal, driven by Emmett Bernard, started to wobble at the top of the final stretch and then collapsed. The horse was trailing the rest of the field when it happened. It was not learned last night what caused the popular pacer's death.

Guy Harvester, owned and driven by Fred Reeves of Summerside, was the big winner of the day when he took the third event on the card in straight heats over an 11-horse field. Daisy Budlong was 2, 3, 4, for second summary.

Sammy Kennedy's Jean Henley won top honors in the speed department when she paced her way to the fastest mile of the meet, 2:15 3-5, in winning the second heat of the second event on the card. She also won the first heat for race honors. Tiny Budlong was the winner of the first heat for second place summary. Tiny placed second in the other two heats.

O. U. Volo was the winner of the number one race with two firsts and a fourth, while Miss Commando won the third heat for second honors. The other event winner was Buddy Clegg, owned and driven by Eddie Coles of Mayfield, who captured firsts in the opening heats of the fourth race, while Simcoe Peter was the winner of the final heat.

The officials for the meet were: Starter (on gate)—Russell Abbott; presiding judge and an-

nouncer—Doug MacLeod; judges, Roland Wood and Dr. R. F. Seaman; timers—Harry Murphy and Cleve Robertson.

THE GUARDIAN, CHARLOTTETOWN

JULY 13, 1950

It was a big crowd that filled the stands and grounds of the Parkview Raceway at South Rustico yesterday afternoon to witness the first Wednesday meet this season that saw all twelve heats run off. All previous Wednesday meets this season were rained out or partially so.

Although the meet was keen, a high wind and blinding dust made the going tough and not conducive to fast times, despite the efforts of track officials making liberal use of the watering cart to keep down the dust. The interest of witnessing fans was high, however, when close finishes and unexpected upsets packed plenty of action into the card.

But the meet was not all joy. Many fans left for home at the conclusion of the meet with an empty feeling. They saw a gallant little horse, British Hal, make his last race. The familiar pacer, owned by John MacLeod of Bradabane, dropped dead while coming down the home stretch in the second heat of the fourth race.

After taking an 11-1 shellacking from Curran and Briggs in the first game of a doubleheader at Memorial Field yesterday afternoon, the Charlottetown Abbies sent the Western Capital contractor men down to their first defeat in seven league starts this season. It was a blank-out victory for the Abbies by a 4-0 count.

# Abbies, C. And B. Split Twin Bill At Ch'Town

Curran and Briggs baseball squad pounded out twelve hits yesterday afternoon to win the opening game of a double header with the Charlottetown Abbies 11-1 and were held to two singles by Charlie Ryan in the second tilt to suffer their first league defeat of the season by a 4-0 score.

The Construction crew nine got away to a five run first inning in the opener as they teed off for five hits, one of them a triple by Mitchell, C. and B. catcher. They added another in the fifth, three in the sixth and two more in the ninth.

The lone Abbie run was scored by MacLean in the sixth who got on base with a walk. Pitcher Fern of Curran and Briggs allowed only four hits, one of them a double in the second by big Art Perry. Curran and Briggs errors in the top of the sixth gave the Abbies their victory in the nightcap. Pitcher Alan Stewart walked Stanley, Hughes and Flynn were safe on errors and two men scored on bad throws to the plate by Stewart. Lefty Bob St. Pierre came in and Howatt drove his first pitch home as third who threw wild to home allowing the last two men to score.

Charlie Ryan was in complete control throughout striking out seven men. In the seventh inning he struck out St. Pierre and Timmins before forcing Benny Grady to ground out to end the game.

# Scott Spencer Wins Feature At Halifax Meet

(By The Canadian Press) HALIFAX, July 12—Scott Spencer, free-for-aller from Harry Hirsch's Sydney stable, won the \$1,000 purse at the suburban Sackville Raceway today. Harley Harrison from Macan piloted the big pacer to a straight-heats win.

The big-money event of the race card brought an able field. Next to the winner, Vella La Vella, driven by Rainey MacDonald from Cape Breton, was the best of them. Crusader, Chief, the new one in the Cadejan Stable, Grace Bay, handled by Worrell Lewis, last year's top driver on Maritime tracks, raced against tough opposition and showed class.

# Costner Scores Fistic Upset Of The Year

PHILADELPHIA, July 12—(AP)—George (Sugar) Costner scored the fistic upset of the year tonight by thrashing lightweight champion like Williams to gain an unanimous 10-round decision before an estimated 7,500 at Shibe Park.

Costner weighed 148 and Williams 142 for the non-title scrap.

The lanky Costner hit Williams with everything, but the ringpots, 135-pound king, Williams, rated along with welterweight king Ray (Sugar) Robinson as the two best fighters—pound for pound—in the ring today, never had a chance after the hard punching Costner clipped him with a vicious left hook in the third round.

Judge Frank Knarsborough gave Costner all 10 rounds while judge Lou Tress and referee Dave Beloff carded eight rounds for Costner and two for Williams. The Associated Press voted eight rounds to Costner, one to Williams and one even.

Costner, winner of 91 fights in 96 outings, really won the fight in the third round. He set Williams up with a left hook and then pounded the champion with rights and lefts.

Williams' legs buckled and he almost went down but managed to tie up Costner against the ropes. From that point on Williams seemed to have lost his reflexes and was a standup target for one of the hardest punching welters in the ring.

The official paid attendance was announced at 9,809 with a net get of \$30,543.

Featherweight Percy Bassett, 136, Philadelphia, scored a technical knockout victory over Terry Young, 138, New York, in 2:08 of the seventh round of the final bout of the four 10-rounders.

Earlier, little Arthur King of Toronto, 137 1/2, British Empire lightweight champion, suffered a huge welt over his right eye in an early round but came back to score a walkoping 10-round decision over Eddie Giosa, 141, Philadelphia.

# Red Sox Pennant Chances Suffer Blow

By HENRY SUPPLE  
BOSTON, July 12—(AP)—The Red Sox' pennant chances, already shackled with an eight-game deficit, suffered a bruising jolt today as X-rays disclosed that Ted Williams has a fracture in the left elbow.

The bugaboo jinx of exhibition games sneaked up on the slugger yesterday in the first inning of the All-Star game at Chicago. Ted crashed into the wall after hauling down a drive off the bat of Ralph Kiner, National League home-run king.

Surgeons will operate tomorrow to remove a bone fragment. The club physician, Dr. Ralph McCarthy, said he hopes Ted will be back in the line-up before the season ends.

Diszy Dean Also  
Williams is the second outstanding player to suffer a major injury in the All-Star games, which started in Chicago in 1933.

Diszy Dean, great right-handed pitcher of St. Louis Cardinals, suffered a broken toe when hit by a smash off the bat of Cleveland's Earl Averill in the 1937 game.

Dean changed his pitching motion to avoid placing too much pressure on the broken toe later, suffered a sore arm and never reached his peak again.

Manager Steve O'Neill's only comment today as he put the squad through a practice session in preparation for a 13-game home stand at Fenway Park was that Clyde Volmer would play left field tomorrow night against Chicago White Sox.

Used mostly in pinch-hitting roles since he was acquired earlier in the season from Washington Senators, the right-handed Volmer will bat in Williams' No. 3 spot.

Ted played for eight innings yesterday although he hurt his arm in the first frame. He knocked in a run to put the American League in a temporary lead and grabbed another Kiner slam in the third inning.

Reported To Trainer  
After he was removed, Ted went to the locker room and told Paddy Schwartz, Chicago White Sox trainer, that his elbow was painful.

Schwartz worked on him for 30 minutes and then said: "He'll be O.K."

Williams grimaced during the massage and indicated he wasn't so sure. He flew back to Boston last night, and when he went to the hospital this morning X-rays proved he was right.

Dr. McCarthy said the pictures showed a fracture of the head of the left radius—a bone in the elbow.

Ted played in the All-Star game a year ago with a bruised rib. He crashed into a Yankee Stadium barrier a few days earlier, and, after the game, had to stay out of the line-up for some time.

Williams' batting average—low for him—is .321, but he is up among the leaders in other departments. He leads the American League in runs scored with 76. He is tied with team-mate Walt Dropo in runs batted in, with 83. He is tied in home runs (25) with Al Rosen of Cleveland, and has 22

# Pearl Bumpus In Major Upset At Truro Races

TRURO, N. S., July 12—(CP)—Three Nova Scotian horses set new marks at the mid-week meet under lights tonight at the Raceway here. Lombard Peter, owned by R. MacDonald, Antigonish, chopped three full seconds off his previous mark of 2:20 3/5 to take the first classified event.

The win was an upset, as was that of Luther Hanover, in the second event. The brown gelding, owned by J. Given, Halifax, and expertly reined by driver Gould, won from favorites Quaker's Boy and Polly Reynolds. Combined with Lombard Peter, Luther paid the largest daily double of the season—\$242.40.

In winning the third event, Merle Direct, owned by W. Walker, Halifax, and handled by Baxter, lowered her mark from 2:18 to 2:16 3/5.

The third broken record was by Quaker's Boy, owned by George Kuhn, Dartmouth, with veteran reinsman Johnny Conroy in the sulky. In his second race of the night this trotter ran the fastest mile of the season here in 2:11 1/4, 1 4/5 seconds better than his previous mark.

Top money and major upset was Pearl Bumpus' victory in the seventh event. Running last in her fifth event, the Charlottetown owned mare paid \$37.00 in beating the field in a sparkling finish, doubles, one fewer than League leader George Kell of Detroit.

# LaMotta In Unanimous Decision Over Mitri

NEW YORK, July 12—(AP)—Jake LaMotta tonight won a unanimous 15-round decision in defence of his middleweight boxing title against challenger Tiberio Mitri of Italy.

Each weighed 159 pounds in the indoor struggle, staged in Madison Square Garden.

Referee Mark Conn voted for LaMotta 12 rounds to three; judge Bert Grant scored it 6-7 and judge Joe Agnello had it 9-6. The Associated Press score card had LaMotta the winner 9-5-1.

A surprisingly large crowd of 16,360 paid \$99,841 for the title bout which was neither broadcast nor televised.

There were no knockdowns in the fiercely fought battle. The fans roared through most of the fight as the fighters time and again mixed it up in thrilling exchanges.

Squat Jake, a 5 to 8 1-2 favorite, raked the dead game invader with a fierce body fire that left little doubt about the decision.

Burning with fierce pride in the title he won from the late Marcel Cerdan at Detroit in June 1949.

LaMotta stalked the previously unbeaten "Trieste Tiger" for 16 long and weary rounds. Never was he able to floor his back-peddalling foe.

Never was Jake the Bull in danger of hitting the deck, although he tired in the last three rounds while Mitri, his right eye almost closed finished strong.

It was all LaMotta in the first two rounds. Suddenly in the third Mitri seemed to hit his stride. The handsome blond, 24 today, scored repeatedly with a stinging left jab and kept Jake hobbling and weaving with his zipping uppercuts.

Still he was ineffectual. Except for the last three rounds when tiring Jake chose to coast home with a decision win, Mitri was backing up while LaMotta swarmed to the attack.

The seventh was an exception to the pattern. At this stage Mitri, never knocked down in 53 pro fights, still had plenty of bounce and zing. He tore into Jake with a blistering right and LaMotta came right' back.

# Corner

The game between Men's Falcons and R. C. A. F. Royals slated for Summerside yesterday evening, had to be called off when part of the Falcons' team never reached their destination due to car trouble.

The game will be made up on Sunday when the two teams will meet in a doubleheader at the Western Capital. The second game of the double bill will also be a postponement from June 18th. No Island league games are scheduled for that date.

The win for Abbies breaks up a deadlock for the cellar position and puts them one game up on R. C. A. F. for third place, while C. and B.'s victory still leaves them at the top rung of the league ladder a full three games over second place Falcons. Abbies and C. and B., however, are two games up on games played over the other two squads.

Can a batter be retired when a line drive bounds off one fielder's glove and is caught by another, and can a base-runner score on the play? The answer is both yes and no. Here is how Billy Evans, general manager of the Detroit Baseball Club explains it in his "Knotty Problems of Baseball."

"There was a runner on third base with one out. The batsman hit a sharp line drive to left. The left fielder misjudged the ball slightly, coming in on it a trifle too fast. He made a stab at the ball with his gloved hand but was unable to hold it. The ball bounded off the glove, and went high into the air. The centre fielder came over fast to back up the play and caught the ball before it touched the ground. The runner on third tagged up on the play.

"The moment the ball touched the glove of the left fielder, the runner on third made dash for the plate. After the ball was fully caught by the centre fielder, he threw the ball to the third baseman, who was wildly calling for it. He then appealed to the umpire, insisting that the runner had left third base before the ball was finally caught. What about it? Did the run count?"

"The umpire very properly ruled the catch a legal one, which retired the batter. However, he did not allow the appeal, hence the run scored. The runner on third who tagged up on the caught fly ball was within his rights to advance the moment the ball struck the hands of the left fielder. It was not necessary for him to hold up until the ball was actually held by the centre fielder."
