Murray Harbor Bruins Meet Tyne Valley Squad

By ED CLINTON
Souris Bureau of The Guardian
Although we see little of it, hockey is still with us. On the intermediate B front, the Murray Harbor Bruins are meeting Tyne Valley (Clover Leafs in the provincial finals. At least one game has been played, but the Harbour publicity crew is a bit slack, and they haven't let the news out as to who won. On the basis of past east versus west series we figure the Bruins should be able to come up with a title.

Down one step, to the "C" level, Morell is also in the finals and are meeting Buster's Flyers. The first game, at the gym, was won by Morell, and the second game, scheduled for Morell, will have been played when you read this. After winning on foreign territory, the Morell team will have to be considered strong favorites to come up with another "C" championship.

Minor hockey is about finished. The King's County High School Hockey League finals between Morell and Montague continue to remain a mystery. These two teams were to meet in a best of three series for the league title. Morell won the right to advance to the finals by finishing first, while Montague eliminated Souris in the semi-finals.

Georgetown, coached by John "Home Run" Walsh, annexed the Island Juvenile championship. The Midget crown was won by Tignish, with a former Souris resident, Joe Cheverie being a member of the team. Crapaud annexed the Bantam championship, while Murray Harbour came out on top in the Pee Wee division. To all these winners, congratulations.

The Island elementary school basketball finals are underway. In both boys and girls divisions, Air Marshall Johnston of Summerside are meeting Souris Elementary for the titles. The series opened in Souris on Saturday afternoon with two games, and the total point affairs will conclude in Summerside on April 10th.

In the girls game, P. LeBlanc was a one-girl show for Summerside, as she scored twenty-two of her teams twenty-eight points. Naturally, with a display like that, she led her team to victory to the tune of 25-13, and they will carry a fifteen point margin into the second game. The score indicated the game, and Summerside should be able to annex their second title in a row.

Souris dominated the boys game, and led by Angus McCormack who racked up thirteen points, took a thirteen point lead as they edged the visitors from twelve. This is the first time that the Souris boys have made it as far as the provincial finals, and they could go all the way.

Action in the Souris Bowling Leagues is in its final week. The Eliminations, all sudden death affairs will get underway next week. Our usual one hundred per cent correct predictions are as follows. In the Women's League, (and all depend on the teams holding their present positions), Pixies over the Quiet Ones, Line Road Crashers over the Professionals, and Top Notchers over the Centennials.

In the Men's League, Night Hawks over the Detachables, Untouchables over the Comets, and Bachelors over the Little Harbour Beales. Two titles are all ready in the bag, with Anne MacDonald and Kenneth O'Hanley long ago clinching high averages in their respective leagues. Dorothy Young presently holds both single and high three,

and Bill MacLaren holds high single, while Ken O'Hanley holds high three.
Short Notes Toronto over Souris Bowling Leagues Last Men's League Night Hawks

Legionnaires' Coach Not Amazed With Win

SUMMERSIDE — Summer-side Legionnaires' coach, Grant Grady was a bit surprised but not greatly amazed about his Juniors' 9-4 win over Rogers Rangers Monday night. The one-sided win enabled Summerside to clinch the best of five series three games to one and claim the island junior title.

The score indicated that we had it over them, the Legionnaire coach said. "We played a hard hitting game. The breaks decided it. We never stopped and we kept pushing and pushing. Once we got the goals they kept going in. At one time Summerside had a 6-1 lead but then it began slipping away."

"Our boys relaxed a bit then we fought back," explained Grady. "Once we stopped skating they got the breaks. They

started skating. We were letting them come in us."
The Juniors play either Sydney or Halifax in a best of the three set here this Saturday afternoon at 2 p.m. The series will resume April 5 and 6 if necessary in one of the cities.

At the moment the two Nova Scotia club are playing each other in a best of five series. Sydney leads two games to one.

It will be last year all over again if the Legionnaires meet Sydney. They whipped the Cape Bretoners two straight games of a best of three series for the Maritime crown in 1964. Shortly after, Summerside left for upper Canada for the Eastern Canadian title.

Regardless of who Summerside takes on, Halifax or Sydney, the series will be an exciting hard fought one.

"I they beat us, they beat us," declares Grady.

Hampshire Nips Pownal Royals

Hampshire Bulldogs defeated Pownal Royals 4-3 at the North River-Rink Monday night to win the best of seven semi-finals four games to three. The Hampshire team now advances against the Mt. Stewart Sea Gulls in the finals, for the W.R. Sha. Trophy. The first game in this series will be played tonight at 8:30 p.m. at the North River Rink.

B. Johnson was the big gun for the winners with a two goal performance while G. Malone and C. Scott added singletons.

T. Smallwood was the scoring star for Pownal with two goals. D. Mutch scored the other marker for the Royals.
