### Tignish, Alberton Lobster Catch Reported To Be Down

West Prince lobster fishermen were landing their traps yesterday as the spring lobster season came to a close. The total catch at Alberton and Tignish is reported to be considerably lower than last year. Factories in both centres closed shortly after the season got underway owing to the small landing also by reason of a favorable price of 33 for canners and 35 for markets sold live. There was no storm losses during the season.

The top boat at Alberton is expected to have a total of approximately 17,000 pounds as compared with over 22,000 pounds last year. Most fishermen have been landing gear for the past few days and the job will be completed today.

### Seaman Jumps Ship, Arrested At Summerside

An English seaman from the Swedish steamship "Kattegat" that departed from Summerside Marine Wharf Monday evening decided against shipping out on the pulp laden ship and after hiding from the local police for a while, ended up in Prince County Jail.

John Feighan, 27, whose home is in England, apparently didn't see eye to eye with the captain and some members of the crew of the Kattegat and decided against returning to his homeland with them. He jumped ship Monday afternoon only to be located a short while later in a Summerside residence by Chief Peter White and Const. Elmer Matheson who took him back to his ship and put him aboard.

However Feighan managed to slip away a second time and is reported to have hidden under the wharf until the ship slipped anchor about 7:00 P.M. for England. Feighan was arrested by Const. Harry Mackay and members of the RCMP about 9:00 o'clock on Marine Wharf after coming out of hiding. He will be deported to England.

A souvenir ash-tray was presented to all the ladies present by the incoming officers of the Kensington Club.

Russel Furness reported as convention delegate to the multiple district convention held at St. Andrews, N.B. on June 8th, 9th and 10th. He gave a very interesting talk on the convention, and in his remark stated that the core of Lionism was to be found only at such gatherings. He told of the address of the immediate Past President Mr. John Stickleby of North Carolina who held his audience of some eight hundred Lions spell-bound for over one hour. He spoke of the necrology service which he stated was one of the most solemn and impressive services to be heard.

Club secretary Boyd Bearsto presented available club awards to members and stated that unfortunately some awards to members would be presented to members at a later meeting.

Deputy District Governor John Van Marriion and Zone chairman Russ Kelly presented one hundred per cent president and secretary awards to the following members: Lion Glen Cotton, Eric Jessome, Joe L. The highlight of the evening was the Deputy District Governor's address, Lion John stressed that Lions attend conventions. He told of the work being done by Lions of P.E.I. which often went unrecognized by the people.

IN KENSINGTON He mentioned the work of the Kensington Club who in the past have provided playground equipment for their school and helped many needy families in their district and giving a helping hand in distress and sorrow of the blind essay contest which they held every year, the swimming lessons for children, the work in sponsoring juvenile hockey and many other projects that they and other Lions Clubs of P.E.I. had carried out.

Lionism he stated was the largest service in the world and P.E.I. had over 160 Lions in five clubs at Souris, Charlottetown, Kensington, Borden and Summerside. He felt that clubs should become stronger and more clubs should be chartered on P.E.I.

In his remarks the Deputy District Governor urged that P.E.I. sponsor a governor for District 4 IN. The Island has never had a district Governor and many Lions are well qualified for this honour. He stated that this coming year should be our big year and
