OLD DR. JUDSON'S
DEAD SHOT WORM CANDY
KILLS WORMS

"Endorsed by the Medical College of Glasgow."

DR. JUDSON'S
DEAD SHOT
WORM CANDY.

THE Subscribers, B. L. JUDSON & Co., are the Sole Agents and Importers on this Continent of this Wonderful Medicine, and propose to give here

A few reasons why it is the best and Safest Remedy in the World.

1st—It is the result of the experience and study of a Gentleman and a Scholar.
2nd—It is *not* a Quack Nostrum.
3rd—It is perfectly pleasant and easy to take.
4th—The smallest child will greedily tease for it.
5th—It never fails to kill the Worms.
6th—It is entirely vegetable, and cannot harm the smallest child.
7th—It is the result of 70 years experience of old Dr. Judson.
8th—It is endorsed by and bequeathed on his death-bed by old Dr. Judson.

Now see what a *Physician of the Royal College* said of it 20 years ago,

Certificate from a Physician 20 years ago, Before the Medical College, Glasgow.

I do hereby certify, that by request of scores of my patients and others, I have analyzed what is known as old Dr. Judson's Worm Candy Sticks; on analysis, I find it to contain nothing that is the least injurious to the youngest infant. I find that the *Medicine* used, acts specifically on the *Worms*, and is a perfect regulator of the debilitated system—knowing this to be the fact, and the medicine so pleasantly disguised in a candy stick, I strongly recommend to this Board of Physicians to prescribe *Dr. Judson's Dead Shot Worm Candy* to all their patients that are troubled with the common or Tape Worm.

[SIGNED] C. H. MACPHERSON, M. D., *Analytical Chemist.*

Old Dr. Judson expressed a wish that this Remedy should be put at such a price as would enable *all*, THE POOR ESPECIALLY, to use it. In deference to that wish, we have put it at the following price.

☞ Price only 20 cts. per package, or 50 cts. for three packages. Sold by every Druggist and Medical Dealer in Europe and America.

None genuine without a fac-simile signature of B. L. JUDSON & CO., on each wrapper.

CHILDREN TEETHING
MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**never has it failed, in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare.** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced and skilful nurses** in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the **best and surest remedy in the world,** in all cases of **Dysentery and Diarrhœa in Children,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—**do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be **sure—yes, absolutely sure**—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.

THE ROAD TO HEATH AND LONG LIFE

SECURED BY

HOLLOWAY'S PILLS.

Impurities of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

Weakness and Debility.

How many persons suffer from debility without knowing the causes why they are feeble! In most cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestive tone; they are, therefore, confidently recommended as a never failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

Disease of the Head and Heart.

These formidable diseases are, unfortunately, of frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain, and are the speediest correctors of irregular circulation. If they be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvellous.

Females of all Ages & Classes.

The fame of these Pills is partly based upon the beneficial effects they have upon the constitutions of females. From the domestic servant to the peeress, universal favor is accorded to them for their invigorating and purifying properties, which render them so safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood or approaching the turn of life—the most critical period—may be radically removed by a recourse to these Pills.

All Disorders affecting the Liver, Stomach and Bowels.

Whenever the stomach, liver, or bowels are disordered by high living, climate, over-indulgence, undue exertion or other causes, these fine regulating Pills will soon rectify the evil, and speedily bring back energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and dejection.

Despondency, Low Spirits.

The misery occasioned by a disordered digestion is, unfortunately, felt by most. These famous Pills should be taken in appropriate doses to adjust the disturbed functions. They dispel headache, biliousness, nausea, lowness of spirits, and all similar ailments. A course of these invaluable purifying Pills never fails in removing the cause of such morbid affections, without subjecting the sufferer to any inconvenience.

Influenza, Diptheria, Bronchitis, Coughs and Colds.

In our changeable climate few persons escape without colds, sore throats, influenza, diptheria, or bronchitis, for all of which these famous corrective Pills may be taken with the certainty of effecting a cure. A COMMON SENSE VIEW

OF THE

Mode in which

HOSTETTER'S

STOMACH BITTERS

ACT UPON THE

HUMAN SYSTEM.

This is an age of inquiry. People want to know the why and wherefore of all statements submitted to them as facts, and as far as this

GREAT PROTECTIVE AND INVIGORANT

is concerned, it is proposed to gratify them.

All the physicians admit that the greatest difficulty they encounter in their practice is in conveying to the seat of a disease the medicament that will counteract and neutralize it. Electricity has been tried for this purpose, but it is now generally admitted that the electric fluid is too subtle an agent to be made the vehicle of medication. It shocks the nerves, but cannot distribute through the system anything except itself. Medicated electricity is, in short, an exploded humbug. But a liquid stimulant, as everybody knows, can be charged with the essential properties of any and every substance in the *Materia Medica*, and there is no herbial extract which it will not hold in solution with all its preventive and curative virtues unimpaired.

Now, the pure liquid stimulant of which

HOSTETTER'S BITTERS.

are in part composed, is charged with invaluable vegetable remedies, and these, by reason of its powerful diffusive principle, it conveys to every organ and introduces into the circulation. To use a common expression, it goes to the spot, taking with it just what is wanted there. The *essence of ery* would undoubtedly diffuse itself through the organization as swiftly, if administered pure and simple, as if mixed with the juices of tonic and alterative roots, barks and herbs. But of what use would it be without their healing, strengthening, life-sustaining balm? It would merely excite. It could neither *protect* nor *cure*. And herein lies the essential difference between the effect of the purest stimulant, when given *alone*, and the same stimulant, when administered in the medicinal form of

HOSTETTER'S STOMACH BITTERS.

Good Monongahela spirit is doubtless the mildest and most innocuous of all the varieties of liquor, but it only becomes a *healthful medicine* when impregnated with the vegetable elements employed in the preparation of the Bitters.

TO DYSPEPTIC SUFFERERS.

Under the general head of Dyspepsia may be classed all the varieties of indigestion. Its symptoms are so various, and differ so much in different individuals, that it is almost impossible to classify them. In fact, some of them are utterly indiscribable. It may be safely asserted, however, that half of the diseases of mankind spring from a disordered state of the stomach; and that the other half, whatever their origin, react upon that sensitive and important organ. Among the ordinary indications of Dyspepsia or flatulence, a bloated and full feeling about the stomach and abdomen immediately after eating, a gnawing sensation, or a sense of hollowness at the pit of the stomach, between meals, a heavy dull feeling in the head, feeble or unsteady appetite, occasional nausea, a restless dull feeling during the night, and a weary, unrefreshed feeling on rising in the morning, palpitation of the heart, depression of mind, sometimes amounting to monomania, loss of memory, confusion of thought, sour stomach, with rising of food, and a choking sensation in the throat, dimness of the eye, pain in the diaphragm, feebleness and disinclination for exertion, and sometimes emaciation and a corpse-like palor. These are a few of the *direct* signs of Dyspepsia, but it is generally complicated with specific affections of the bowels, the liver, and the nerves; its victims have many additional torments which are technically attributed to other causes.

The best advice that can be given to any one who has the slightest predisposition to Dyspepsia, is to fortify his or her digestive organs by the daily use of

HOSTETTER'S BITTERS.

The disease proceeds from a lack of vigor in the stomach, and this vitalizing preparation will tone and renovate that organ. If the gastric apparatus is in good working order, and can perfectly dissolve and thoroughly assimilate the food submitted to its operation, there will be no dyspepsia. If it cannot do this, it *requires reinforcement*, and the best of all reinforcing agents should be forthwith resorted to. The stomach is the commissary of the system. It supplies the elements of life to the whole body. In it is prepared the material of blood, muscle, bone and fibre, and if it fails to purvey that material in sufficient quantity, and of a proper kind, the whole body suffers, and with it the mental faculties. Therefore protect the "Commissary Department." Don't let the enemy obtain possession of it. It is easier to prevent disease from getting into an organ than to expel it after it becomes a *chronic fixture*. Consider the first indication of uneasiness in the stomach as a sign that dyspepsia is preparing to attack, and baffle it at once with this *great repellant*.

But if it is too late to *prevent*, remember that it is *not too late to cure*. It is believed that there is no case of chronic indigestion that can withstand the remedial operation of

HOSTETTER'S STOMACH BITTERS.

This belief is grounded on *twelve years' experience* of the efficacy of the preparation. The first instance of its failure to give relief is yet unchronicled. If it ever had failed, the voluminous correspondence addressed to the proprietors from all parts of the United States and South America, would, at least, include one letter expressing dissatisfaction. But no, *there is not one*. The testimony, extending over a period of more than a dozen years, is all of the same approving tenor. Certainly this is a sufficient warrant for claiming that the Bitters are a

Specific for Indigestion in all its varieties.

DR. LA'MERT
ON
SELF-PRESERVATION.

PRICE WITH ENGRAVINGS AND CASES, 1s. 6D, BY POST, 3s. CURRENCY.

SELF-PRESERVATION: A popular Essay on Nervous and Physical Debility, *resulting from* injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence, by DR. LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner whose name stands on the 'Medical Register,' (the sole test of medical qualification) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety to any address.

"SELF-PRESERVATION" may be had of the undermentioned Agents, price 1s 6d; free by post, 3s currency:—Halifax, N. S, Mr. Johnson, Chemist. Yarmouth, N. S., Messrs Young & Baker, Booksellers.
