Flyers Overpower Stars In Memorial Field Action

Forbie Kennedy's Flyers spoiled Buck Whitlock's Stars from gaining a share of first place in the City Baseball League by trouncing the Stars 7-2 at Memorial Field Sunday afternoon.

It was Don 'Pot' MacDonald who hurled the Kennedy - managed gang to their second triumph in eight starts. 'Pot' was never behind in the contest as he threw a neat six hitter at the Stars. He had a shutout going until the Stars struck for a pair of tallies in the eighth frame. He struck out four during the afternoon affair and walked two. His teammates committed six errors behind him on a playing field made treacherous by the week's heavy rains.

The loser was 'Whiff' Shepherd who also went the distance giving up nine base knocks to the winners. Shepherd had a total of twelve strikeouts to his credit. He walked none but hit one batter. The Stars made four miscues behind him.

Carl McQuaid, playing first base, was the big gun for the Flyers. Carl had three singles in five trips and scored two of the Flyers' seven runs. Lou Smith, right fielder for the winners, was the only other batter on either team to garner more than one safety. He collected two singles in four appearances, drove in the third run and scored the Flyers' sixth marker.

Two extra base blows were produced during the contest and Flyers had both of them. Lou Kelly blasted a booming triple in the ninth and came home on a passed ball. Len Baglole doubled deep to right in the opening stanza.

Bill Coughlin was plate umpire and George Hawkins and Jimmy Allan worked the bases.

This evening will find Stars entertaining Dodgers in a game which was scheduled for last week but was postponed because of rain.

Kart Races Give Plenty Of Thrills

A last minute change by the management and the regular Saturday night Kart races went on as scheduled.

Although the track was wet, the program was possibly the most exciting of the entire season.

A hectic battle for team honors was only decided at the last moment. Numerous mechanical failures and accidents all went to further heighten the excitement.

A dead heat finish in the sixth event resulted in a special five-lap raceoff between Allan of the Flyers and Cooper of the Marauders. With team and individual awards so closely contested, this was a real cliffhanger. Cooper beat Allan to the wire by inches.

Flyers won top team points for the night and Allan emerged individual winner with 96 points. Marauders barely edged Rockets by one point for second and this was not decided until the very last kart finished the main event final.

The McCullough champion team grabbed the relay event and Eddy McLaren of the Rockets team climbed back into the top five standings to dislodge Keith MacLean of the VB's.

Next week will see the final race night of the first section with the top eight week the second section will begin.

The Marauders have a 27-point lead in team events over Covenad Flyers and Raymond Birt leads the individual section by only four points over teammate Don Allan.

Bob Banks pitched the entire game for the winners. He yielded nine hits, walked seven and struck out six.

Urban Gaudin was the loser. He gave way to Bernie MacNeill in the sixth frame. Two runs were charged to Gaudin who was touched for seven hits. He issued four bases on balls and fanned three. His reliefer MacNeill walked no one, gave up three safeties and struck out one.

Banks was the top slugger for the afternoon. he banged out three hits in five tries.

The compilation of the statistics will be carried out by CPO Stan Bowles, who will again be ably assisted by Mrs. Margaret Gormley, a job which this pair have performed for the past nine or ten seasons.

Any disputes which may crop up during the meet will be dealt with by a match committee, which will be formed from the executive committee. The members of the later committee are: Tpr. Bob Barwise, Capt. Roy McCabe, CPO Stan Bowles, Sgt. Roy Vessey and SSM Danny Clark.

TRADE SURPLUS

Australia's record exports of $2,399,040,000 in 1961 - 62 were $421,900,000 higher than imports in the same 12 months.

Carry Back Cops Handicap; Favored Kelso Is Second

NEW YORK (CP) — Carry Back smashed into the lead midway down the home stretch and broke the track record as he captured the $109,150 Monmouth Park Handicap Saturday in a spine tingler that saw favored Kelso finish second. Beau Purple, who had upset both of them in the July 4 Suburban Handicap, was third.

Expertly ridden by Johnny Rotz, the 1961 Kentucky Derby winner scampered under the wire in 2:00 2-5 for the 1¼-mile trip, three lengths ahead of Kelso. The time eclipsed Round Viet's track mark of 2:01 1-5 set in 1947.

Kelso, Horse of the Year in 1960 and 1961, was three-quarters of a length ahead of Beau Purple in the field of six handicap stars. Polylad was fourth, followed by Garwol and Hitting Away.

The winner paid $9, $3.20 and $2.80. Kelso, ridden by Willie Shoemaker and the 4-to-5 favorite, paid $2.60 and $2.20. Beau Purple returned $2.80 to show.

Carry Back collected $70,947.50, and put his total at $1,085,360.

At Inglewood, Calif., Prove It, ridden by Henry Moreno, and Olden Times struck with their familiar one-two speed display and Prove It came with a rush through the stretch to capture the $162,100 Hollywood Gold Cup Handicap.

CAME FROM BEHIND

The Rex C. Ellsworth entry performed as expected — Olden Times burned up the pace and left it for Prove It to come from behind and haul down the winner's purse of $102,100.

Olden Times pulled in fourth while Windy Sands was second. A New Zealand runner, Cadiz was third in the field of 12 stakes horses.

The time for the 1¼-mile feature was two minutes flat.

Prove It returned $5.20, $3.2e and $2.60 across the board Windy Sands paid $7.80 and $3.20. Cadiz returned $5.

The purse increased Prove It's earnings to $456,970.

Ridan, making his first start since a second place showing in the May Preakness, sped through the mud to score a seven-length victory in the $102,250 Arlington Classic in Chicago.

Top Notch Racing Scheduled Here

A great nine-dash program is in store for harness racing fans tonight at the Charlottetown Driving Park. The card, originally scheduled for Saturday night, was postponed due to track conditions.

Race classifier Frank Acorn has a mighty interesting card arranged and the big crowd expected shouldn't go short on thrills.

Dashes six and nine give promise of providing the greatest excitement. Billie Eden leaves on the rail, with Blue Sky Lark, The Shiek, Armond's Buddy and Janet M supplying the competition. Both dashes of this class certainly should be contested bitterly and chances are a double dash winner will not emerge.

Races five and eight are just about as interesting looking. Sid Stead has the rail with his Jean Clegg and this will make the fast pacing mare a tough customer to handle. The others trying for the biggest share of the purse are Loraine's Watchim, Ginger E, Willard's Choice, Fastway, Callie Hal and Chief Ouzzakee.

The other double dash attraction has eight starters with Emmet Bernard in the number one spot with Lena Harvester. The seven others fighting it out are Susan Pointer, Jolly Frisco, Lizzie Clegg, Dreamy Guy, Ray Grattan Up, Anthony L and Myrtle E.

Three single dashes round out what should be one of the most thrilling cards yet presented in 1962.

Two daily doubles, a quinella and an exactor, plus win, place and show betting will be available for pari-mutuel customers.

First dash goes at 8 o'clock.
