Football Fans Rave About Strategy Used By Ti-Cats

HAMILTON (CP)—Coach Jim Trimble of Hamilton Tiger-Cats left town on personal business Monday, confident his Big Four club will defend its Grey Cup title at Vancouver Nov. 29.

Before leaving, he gave his players a reward for "perfect execution" of a hoary old Canadian play, a variation of the short punt formation, that started Ticats to a 35-7 decision Saturday over Ottawa Rough Riders in the opener of the total-point Big Four final.

Eastern football fans raved about Trimble's strategy in digging up a formation that football observers of a generation ago still remember. Tiger-Cats scored a touchdown off the pattern early in the game and then ditched it for their usual bustling ground and passing offensive off the straight-T.

NEVER RECOVERED

The stunned Riders never recovered from the surprise maneuver and now they aren't given a hope of overcoming Hamilton's

Five-Team Island Sr. "C" Basketball League Formed

A five-team Prince Edward Island Senior "C" Basketball League was formed last night at a meeting held at Prince of Wales College.

The league will go with the following teams: Prince of Wales College, Summerside R.C.A.F., St. Dunstan's University Juniors, Charlottetown Y.M.C.A., F.O. Don Heburn, Summerside, President of the P.E.I. Basketball Association; Earl Smith, Summerside; and representative of Summerside High School.

F.O. Heburn outlined plans for a provincial High School setup, and discussed the feasibility of scheduling games in conjunction with Senior "C" games. He outlined a number of useful suggestions for the Island League, including plans for a Referees' Association and a school of officials.

Among the measures adopted by the league last night were: A fine of \$10 per game levied against teams which are guilty of defaulting scheduled games without making necessary arrangements with opposing team; a stipulation that players must participate in five league games to be eligible for playoff competition; a \$5 protest bond to be submitted to the league and forfeited if protest is defeated; a registration fee of one dollar per player; and a ruling that visiting teams have the privilege of taking one referee with them for "away" games.

The home team in each game will take 60 percent of the gate receipts, after expenses, with 20 percent going to the league and

the remaining 10 percent to be used for advertising purposes. Expenses include payment of referees and any other incidental matters that may arise.

Teams must be registered with the Island Basketball Association before January 1st, with a fee of one dollar per player. St. Dunstan's does not intend to advance in Maritime Senior "C" play and has been excused from the latter obligation.

The league appointed Earl Smith of Summerside as official league statistician. Ivan Dowling of Charlottetown has been appointed chairman of a schedule committee which will be assigned the task of drawing up a complete league schedule and the coordinating and setting of dates for playoffs.

Official 1958-59 rule books, and other material for players, referees and coaches may be obtained from Corporal Joe Kenkel, R.C.A.F. Station, Summerside.

CHARLOTTETOWN GUARDIAN, NOV. 18, 1958. 9

REMEMBER WHEN... point and by 35-20. In the Grey Cup final that year at Ottawa, the Blue Bombers snatched an 8-7 victory over Ottawa Rough Riders.

Winnipeg Blue Bombers won the western football title 19 years ago today by beating Calgary 28-7, to win the two-game total.

Jackie Parker Again Wins Nicklin Trophy

WINNIPEG (CP)—Jackie Parker, Edmonton Eskimos' backfield ace, Monday was named winner of the Jeff Nicklin Memorial Trophy for the fourth time in the last five years.

Sports writers and broadcasters throughout Western Canada gave Parker overwhelming endorsement in this year's balloting. He was mentioned on all 26 ballots, 18 times at the top of the list.

The trophy, awarded to the player rated most valuable to his team in the Western Interprovincial Football Union, probably will be presented to Parker at the East-West Shrine game at Hamilton Dec. 6.

The trophy is in memory of Capt. Jeff Nicklin, former Winnipeg Blue Bombers' killing mink in the Second World War while serving with the paratroops.

Winnipeg's Leo Lewis, regarded as one of the West's top half-backs, was a distant second, 43 points behind Parker.

Wings' Lunde Is Hospitalized

DETROIT (AP)—Centre Len Lunde of Detroit Red Wings entered a Detroit hospital Monday for observation. Lunde was checked into the boards Saturday night in the National Hockey League game at Toronto and suffered a slight concussion.

Peter Joyce Voted MVP

TORONTO (CP)—All-star half-back Peter Joyce of the University of Toronto Varsity Blues has been voted the most valuable player in the Senior Intercollegiate Football League. It was announced Monday.

The trophy was won last year for the first time by Ron Stewart, former halfback for Queen's University Golden Gaels.

\$98,000 Offered Patterson For Non-Title Bout

LEICESTER, England (Reuters)—World heavyweight boxing champion Floyd Patterson Monday was offered \$98,000 for a non-title fight here next May.

British promoters Joe Jacobs and Alex Griffiths called the champion's manager, Gus d'Amato, guaranteeing the purse for a 10-round contest.

Smart new styling adds glamour to all Dodge models

The story's the same in cities and towns across Canada. Heads turn, eyes follow when the 1959 Dodge glides by.

Start with the Dodge Viscount—the high-fashion stepper, high-value leader in the stunning new line. Sleek, new rear deck sets a style

standard nothing can match. Advanced new dual headlights now complemented by a high-chrome grille. Select this dashing new beauty in a 4-door hardtop, 2-door hardtop, or 4-door sedan.

The Dodge Mayfair—as thrifty as they come, as thrilling as they go. Here's where your money buys most that's new. New dash. New spirit. New low price. This style-setter, pace-setter is yours in a 2-door hardtop, 4-door sedan, 2-door sedan or convertible.

Or want the smartest budget buy that ever hit the road? Then the Dodge Regent is for you. This low-slung dazzler is as good for your

pride as it is for your pocket-book. Take your choice—4-door sedan or 2-door sedan.

In the "wagon set"? Set yourself beautifully apart in a new Dodge Suburban—an exciting blend of duty and beauty. Up the Country Club lane or down a back road, it'll carry you smarter, carry your cargo better.

You name it—Dodge has it. New models, new glamour in every line.

New Fabrics, New Appointments Highlight All Dodge Interiors

Rich new upholstery fabrics, smart new trim, tasteful new colour schemes add an air of luxury to all new Dodge models.

Dodge designers rate an accolade this year. They've come up with a group of stirring new interiors that make the handsome Dodge '59 models as appealing inside as they are out.

New instrument panels, new roof linings, new upholstery fabrics, floor materials and trim accents have all been tastefully combined to make this year's Dodge interiors the style-setters of the industry.

In the Viscount, Dodge top-line series, soft-textured "Pulse Verde" body cloth serves as the base for striking new colour schemes. Interiors are in monochromatic blue or tan or in red-and-grey or

TORSION-AIRE MAKES DODGE RIDE SMOOTHEST

"Torsion-AIRE Ride is a simple principle," reports Chrysler engineer, J. P. Cummings, "but it has started a new revolution in suspension design."

Even though other car manufacturers might be copying the principle, Dodge Torsion-AIRE Ride stays away ahead in 1959. Dodge Torsion-AIRE Ride actually seems to level out the bumps, lets you corner without sway, brake without dip.

This year Dodge adds new, improved ball joints and rubber bushings to make the ride quieter, smoother than ever.

But Torsion-AIRE Ride is just the beginning. Dodge also brings you "levelizing" rear springs. Deep-cradled rear suspension. Exclusive Oriflow shock absorbers. A lower centre of gravity for greater stability.

All this—the smoothest ride in Canada—costs nothing extra on any Dodge model.

Total-Contact Brakes, New Improved Engines For Best Stop, More Go

Dodge is a car with a new kind of go. Dodge is a car with a new kind of stop. Dodge Total-Contact Brakes, plus a

choice of new improved Dodge engines, make it so.

Facts prove that Total-Contact brakes (standard equipment on all Dodge models this year) require 25% less pedal effort for smooth, easy stops and provide up to 30% longer lining life.

Two 1959 Dodge engines—the husky Power-Flow Six and the 313-cubic-inch V-8—have both been mechanically improved to provide the ultimate in power, performance and economy.

New push-button heating matches the convenience of push-button drive

The new 1959 Dodge makes comfortable driving as easy as pressing a button!

Not only does the new Dodge provide a newly styled, vertical push-button drive control; it also offers an exclusive new push-button all-weather heating system that simplifies control of in-car temperatures.

Five vacuum-powered buttons and an easy-operating temperature lever comprise the controls of the new heating system. In addition to the

Swing-out, swivel seats make new Dodge easiest to enter, easiest to leave

Swivel seats—introduced on the Dodge this year—have developed into one of the automotive world's major 1959 news stories.

This unique development is two pivoted front seats that can be turned outward after the front doors are opened and locked back in driving position when driver is seated.

Women, especially, have flocked to see and try this new feature. Now they can enter and leave the car easier—much more gracefully.

SPORT ECHOES

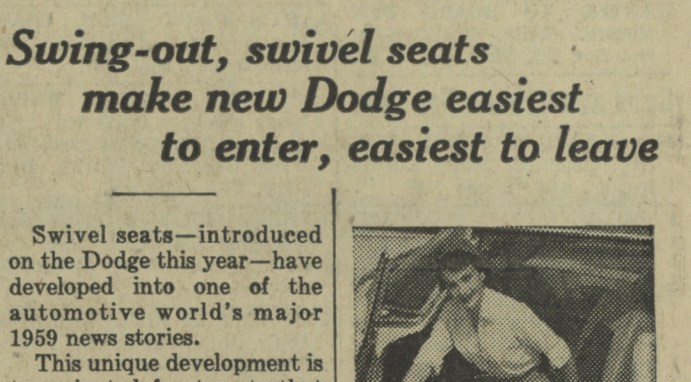

BY NOEMAN MACDONALD

Hope for an Island Senior Hockey league, very low during last week, seems to be on the up-grade again. Layth Schurman, Ace manager, has the assurance according to late reports that a Charlottetown team will be organized to make a fourth in a league with Parkdale, Saint Dunstan's and Summerside. We saw it in the thirties and figured when we weren't seeing it in the modern game that it had been outlawed. But the Ti-Cats' use of it paved the way for a quick touchdown against the Capital City Rough Riders. One of the announcers labeled it as a "desperation measure" in the modern game.

Everyone drives my new Dodge (It figures!)

The whole family has a special sort of crush on that new Dodge '59. And who can blame them? Dodge is all fashion—from that gleaming new grille to subtly flared fins! Dodge is all ease with push-button drive, push-button heating, plus famous Torsion-AIRE Ride to cushion every mile! And Dodge is all action with a power plant that says "go" and Total-Contact brakes that say "stop"—all at the simple nudge of a toe!

Small wonder the '59 Dodge is the favourite of the whole family. Isn't it time you talked Dodge with your Dodge dealer?

to the highest standards of automotive craftsmanship

More people make off with the family Dodge than any other car!
