Toronto St. Mikes In 6-1 Win Over Valleyfield

By Lorne Bruce
 TORONTO, May 8 (CP)—Toronto's lucky St. Michael's Monarchs weathered a jittery start and rallied to trounce Valleyfield Braves 6-1 tonight and grab a one-game lead in the Alexander Cup finals.

A small crowd of 1,592 which clustered around the ice surface in the 14,000-plus capacity Maple Leaf Gardens saw the Irish take a 2-1 lead in games in the best-of-seven series. The third game was the fifth game will be played in Montreal Thursday and the sixth in Toronto Saturday.

The Quebec champions opened with a rush and winger Georges Bougie put them ahead at 1:17. The Braves were unlucky not to gain a three or four goal lead.

Then the Irish steadied, tied the score 1-1 before the period ended, added three in the second and a pair in the third.

George (Dusty) Blair fired two goals for St. Mike's with Ken Watson, Ed Mulligan, Frank Sullivan and Johnny Ubrico getting the other goals for the Ontario champions.

Valleyfield started off at a fierce pace and appeared determined to drive St. Mike's off the ice but the Braves' own anxiety to score

and some luck for the Irish puck chasers saved the Toronto team until the Ontario champions had settled down.

Again big Phil Hughes was outstanding in the Toronto net. At the other end Paul LeClerc had no chance on some early screened shots that beat him.

LITTLE SPORT

PAGE SIX

THE GUARDIAN, CHARLOTTETOWN

MAY 9, 1951

Sport activity locally is in the doldrums—so far as action is concerned. But in this in-between period of sporting seasons there is plenty simmering and the ground work is being laid by a few for the entertainment of the many for the long summer days ahead.

Looming large on the horizon is Charlottetown's Festive Week. Coming at the end of June and at the commencement of the tourist season promises to be a week replete with thrills running the gamut of entertainment.

From the sporting angle alone it should attract hundreds and hundreds from Maritime centres. There is the Maritime track and field meet with top athletes from these seaside provinces competing. There is the Firemen's Tournament which always provides fun and excitement. There is night racing, water sports including yacht and motor boat racing. All in all it should be a week of fun and complete relaxation for everyone—that is for everyone except the competitors.

While the winners in these various sporting activities will share the honour and glory it is well to give thought to those organizing such a schedule of events. Those interested in sports should get behind the planning committees and offer assistance to help Festive Week over as one of the biggest events ever held here. Competition is what makes athletic events and every endeavour should be made to have all known Maritime athletic clubs represented.

Local golfing enthusiasts will also be pleased to learn that the Maritime Open Golf Championships will be held over the Belvedere links of the Charlottetown Golf Club this summer. No definite date has been set yet for the tourney, but local officials are in hopes that the event will take place sometime in August and are directing their endeavours towards that end, although it is understood that some Maritime quarters are hoping for a September date. The decision of choosing between the two alternative dates is partly the reason for no definite date being set at the moment. In any event, the championships will be a highlight feature on the local sporting agenda on whatever date it takes place and will be looked forward to with interest by some ardent followers of the game.

Other activities are also in the planning stage at the present time in various sporting circles. It is understood that the Charlottetown Abegweit Amateur Athletic Club will hold an executive meeting over the coming week-end to develop plans for their activities in baseball and track and field competitions this summer, and will no doubt play a leading role in many sporting endeavours this year as it has done so well in the past. From the mainland come reports that the annual meeting of the Nova Scotia Amateur Softball Association will be held at New Glasgow on May 13th. Reports also indicate that representatives from New Brunswick and possibly Prince Edward Island will also attend the meeting to discuss the formation of a Maritime organization.

In regard to playing facilities that will accommodate the holding of the many events being planned for the summer months, the City's leading sporting centre, Memorial Field at Victoria Park, is just about ready for action any time now. Workmen have been busy for the past week or more getting the diamond and cinder track in first class condition. Both have been raked and rolled thoroughly and at present are in an excellent shape for forthcoming activities. There is still other work in connection with the grounds still going on however, and when finished will present an attractive place of recreation.

Plans are still underway for the installation of a lighting plant for night baseball and other night events of a sporting nature. The plan for the project and much of the equipment necessary is already on hand, and interested officials are at present waiting on quotations on the cost of installation. If the cost of installation is not prohibitive, the project will go ahead as planned.

There is one factor in connection with the preparing of Memorial Field for activity, however, that is causing some concern to officials. Some thoughtless person or persons have been utilizing the freshly rolled cinder track as a

Fluke Single Gives Tigers 6-5 Win Over N. Y. Yanks

By Steve Robertson
 Vic Wertz tried to duck a pitched ball in the 11th inning but it sailed over his bat and bounced into left field for a game-winning single as Detroit Tigers licked New York Yankees 6-5 Tuesday in the motor city.

The fluke single handed rookie pitcher Ray Herbert his fourth straight victory as a relief pitcher without defeat. Allie Reynolds, who went the distance for the league-leading Yankees, took his second loss against one victory.

Bobby Shantz was rapped for a dozen hits but won his first 1951 victory when Philadelphia Athletics coasted to a 9-4 American League triumph over Chicago White Sox.

One swipe by the home run bat of big Hank Sauer gave Chicago Cubs enough runs for Bob Schultz as the rookie lefty scattered nine Brooklyn hits for a 2-1 National League victory at Ebbets Field.

Sauer slammed a Carl Erskine pitch into the lower left field seats with Ram Jackson on first base in the first inning. That was the ball game.

It was the only daytime National League game scheduled.

New York's Hank Bauer, making his first start, belted two homers against Detroit. Teammate Jackie Jensen smacked his fifth of the season.

Wertz whacked a two-run homer and drove in three runs to spark Detroit's 12-hit attack. Catcher Joe Ginsberg poled his third homer for the Tigers.

The A's piled up a 6-0 lead in the second inning of their game at Chicago. Starter Dick Littlefield got into a four-run jam in the opening round because of wildness. He walked four, yielded one single to Dave Philley and then, after Hal Brown took over, Joe Astroth hit a two-run single. Brown was rocked for homers by Eddie Joost and Ferris Fain in the second inning.

Larry Jensen went the route and won for the first time since the National League's opening day as New York Giants defeated the flu-ridden St. Louis Cardinals 6-2 in a night game at the Polo Grounds.

Jensen, who blanked Boston on opening day and then was knocked out in his next four starts, restricted the Cards to four hits. Rookie Joe Pesko started for the Cards in place of Harry Egan. Brecheen and seven other team members were bedded with the flu.

Sid Gordon's ninth-inning homer gave Boston Braves a 2-1 victory over Cincinnati Reds in another National League fixture under the lights. The victory, at Boston, was at the expense of fire-balling Herman Wehmeier. He and Boston's Max Surkont, who won his fourth game, both gave up six hits.

Mel Queen handcuffed Philadelphia Phillies with two hits for seven innings while Pittsburgh Pirates pounded Ken Heintzelman and Milo Candini for 10 and a 9-3 victory over the National League champions. Ralph Kiner homered for the Pirates in the game at Philadelphia.

speedway for their motor vehicles and has been the cause of undofeat much of the hard work and effort that has been done to prepare it for use. Officials feel that it is just thoughtlessness on someone's part, as they can't possibly credit any person or persons doing it intentionally. They kindly ask those who are operating cars or other vehicles in that area to please show a little care and consideration and refrain from using the track for anything other than athletic purposes.

Special Race Is Scheduled For Pimlico

By Rouson
 BALTIMORE, May 8 (AP)—The Preakness vs Kentucky Derby special race is on for May 26 at Pimlico.

The sponsoring Maryland Jockey Club said today, although the Derby team failed to fill.

The Jockey Club wanted the first four colts from each class—5555, 5 ndot55cmfwm cmtwypssc to meet in a \$50,000 showdown the week after the Preakness May 19. It's been able so far to interest only the first two in the Derby, Count Turf and Royal Mustang. That's good enough, the Jockey Club decided.

Emil Denmark, the owner of third-place Ruhe, hasn't made up his mind yet whether to accept. The fourth-place Phil D. hurt a leg in the Derby.

The special race will be the same distance as the Preakness, 1 3/16 miles. The Derby was 1 1/4 miles.

In an early survey, the Jockey Club found 15 probables for the \$75,000 Preakness, which indicates it will be necessary to split the field. The Pimlico operators planned to run two divisions worth \$75,000 each if 18 or more started.

CANOGA PARK, Calif., May 8 (AP)—Your Host, critically injured last winter and apparently doomed to merciful destruction because of a broken right leg, is going to live to carry on his strain.

"He'll never run again," says Stratton, "but I'll have him breeding by next season. This horse will die of old age."

One of the first things a U.N. soldier will do when he can afford the precious time is to unlace the heavy boots he has been wearing in the battle march over rugged Korean terrain. That is what these soldiers did as they rested for a moment during the bitter fighting now going on north of Seoul. A massive new attack launched by Reds forced U.N. forces to pull back an unspecified distance from city. Until then, heavy fighting had swirled within 10 miles of battered capital of South Korea.
