Teachers Convention Opens At Uigg School

The first sessions of a two-day teacher's convention were held at Uigg school yesterday morning and afternoon attended by 77 teachers from surrounding districts.

In the morning the meeting opened with the appointment of committees, press, resolutions, and nominations. The president of the local association, Mr. John Hughes gave an excellent opening address welcoming the teachers to the convention, and stressing the fact that though the teaching profession was not well paid, it was none the less, a very important one. He reviewed the activities of the past year, and cited two important results of the teachers federation activities, and increase in teachers salaries, and an improvement in the pension plan.

Miss Helen Yoe of the staff of Prince Of Wales College gave a very instructive session on high school English, and the common errors found in students' English in writing examinations.

A discussion period followed on the subject "Latin in the Schools" and "Grade 8 Examinations. It was emphasized that the grade 8 exminations were to be used as a guide in grading pupils, and not as the final and only examinations to be considered.

Mr. Willard Brehaut, supervisor, gave a very interesting address on the physical atmosphere and the psychological atmosphere of the classroom. He drew up a vivid comparison between two schools, one having such an atmosphere, the other lacking it. He then went on to show it as a necessary part of the physical and mental development of the student, and the necessity for teachers to develop this atmosphere in the classroom.

In the afternoon Mr. Hughes read a report of the P. E. I. teachers federation, after which Mrs. Philip Ross of Vernon gave an enlightening demonstration of language pronounciation and enunciation, stressing the need for speaking each syllable clearly and distinctly.

A group discussion followed on the curriculum, and teachers' aid in teaching subjects. The day's session concluded with Mr. Louis Herring, Murray River giving a demonstration on the teaching of arithmetic which had many interesting features for the teachers.

The program today will get underway at 9:30, and will feature an address in the afternoon by dDr. L. W. Shaw, Deputy-Minister and Director of Education

"SILVER CITY" AT THE CAPITOL

Paramount's "Silver City", a Technicolor adventure drama, will bow in today at the Capitol Theatre. With Edmond O'Brien, Yvonne De Carlo, Barry Fitzgerald, Gladys George and Laura Elliott starred, the film deals with the tense and turbulent happenings in a riproaring mining town of the 1870's.

Central character in the fast-paced activities is O'Brien, portraying a mining engineer who strays from the straight and narrow when he engineers a holdup of the company office. Barred from mining jobs in the boom areas, he sets up shop in Silver City as an assayer and is soon drawn into a scheme to wrest a rich silver lease from Yvonne De Carlo, who bosses her father's diggings.

At this point, O'Brien switches to the right side of the law, and along with the pistol-wielding Miss De Carlo and some hastily recruited hombres, mixes it up with the murderous cutthroats hired by mine owner Fitzgerald to see that the claim isn't worked. Some bone-crunching brawls, a pistol duel on a speeding logging train, arson and dynamiting are some of the torrid events that spark this tale of treachery, lust and murder on a lawless frontier.

Appreciation

The Montague Branch Canadian Legion B.E.S.L. wish to express their thanks to the business men of Montague who provided transportation for the children during swimming classes.

Farewell Party At Montague

A farewell party was held Tuesday evening at the home of Mr, and Mrs. Harold Dunn in honour of their daughter Mary Leona, who leaves Monday to join the order of St. Martha at Charlottetown. A large number of relatives and friends gathered to bid her farewell. An address was read by Mr. Eugene Dunn, and an appropriate gift on behalf of those present was presented by Miss Bernadette MacKenzie. Miss Dunn fittingly thanked her friends for the very excellent address and worthy gift. Rev. Father McCardle, pastor of St. Mary's Church at Montague, spoke regarding the religious calling, and wished Miss Dunn every success in her chosen life. During the evening a delicious lunch was served by the ladies, and a very enjoyable evening was spent in social conversation.

PICKERING, England —(CP)— An experimental campaign to boost civil defence recruiting in Yorkshire proved so successful that is is to be extended to the whole country. A door-to-door canvas in the larger towns resulted in 1,124 recruits in July, compared with 379 in June and 66 in May.
