Fast Schedules Halifax-Montreal

MONTREAL — New fast schedules for the Canadian National Railways principal trains between Halifax and Montreal were announced here today by J. T. Whiteford, general passenger traffic manager for the system. The new schedules become effective with the next timetable change on April 24.

The running time of the "Ocean Limited" from Halifax to Montreal will be cut by two hours and 20 minutes. Eastbound, the reduction will be two hours and five minutes. The "Scotian" will operate on a one-hour, 50-minutes faster schedule from Halifax to Montreal and in the opposite direction will make the run one hour and 40 minutes quicker.

The new schedules follow a careful study of the operating performance of the "Ocean" since the train was dieselized last fall. It was found that a substantial saving could be made in the running time of the two trains by replacing all steam power with diesels.

In drawing up the new fast schedules for the "Ocean" and the "Scotian" Mr. Whiteford said that serious thought had to be given to convenient arrival and departure times at intermediate points and to suitable connections with Newfoundland, Cape Breton, Prince Edward Island and New Brunswick train services.

In 1924 the elapsed running time of the "Ocean" was 26 hours and 20 minutes from Halifax to Montreal, and 27 hours and 30 minutes in the reverse direction. The schedule was steadily improved to the present timetable of 24 hours, 15 minutes for the westward run, and 22 hours, 50 minutes eastward.

The new running time of the "Ocean" from Halifax to Montreal will be 21 hours and 55 minutes. The "Scotian's" revised schedule will be 23 hours and 40 minutes from Halifav to Montreal and 23 hours 35 minutes in the opposite direction.

A later departure of the "Ocean" from Halifax, long sought by travellers in the Atlantic Provinces enroute to other sections of Canada, is provided in the new schedules. It will leave Halifax at 11:05 a.m., ADT, Truro at 12:40 p.m., Sackville 2:45 p.m., Moncton 4:05 p.m., Newcastle 6:00 p.m., Campbellton 8:40 p.m., and Mont Joli at 11:40 p.m., and arrive in Montreal at 8:00 a.m., EDT.

Eastward the "Ocean" will leave Montreal at 9:30 p.m. EDT, arrive at Lovis 12:55 a.m., Campbellton 9:50 a.m., ADT, Newcastle 12:25 p.m., Moncton 2:15 p.m., Sackville 3:20 p.m., Truro 5:35 p.m., and Halifax at 7:15 p.m.

The "Scotian" will depart from Halifax at 11:20 a.m., ADT, Truro 12:55 p.m., Sackville 3:35 p.m., Moncton 4:55 p.m., Newcastle 7:00 p.m., Campbellton 9:45 p.m., Mont Joli 1:05 a.m., and arrive in Montreal at 10:00 a.m. EDT. It will leave Montreal at 9:45 p.m., EDT, and arrive at Mont Joli at 8:00 a.m., ADT, Campbellton 11:20 a.m., Newcastle 2:20 p.m., Moncton 4:15 p.m., Sackville 5:30 p.m., Truro 8:20 p.m., and Halifax at 10:20 p.m.

FIRE LOSS SLIGHT

REGINA (CP)—Imperial Oil Co officials today estimated damage to a thermal cracking unit in the firm's refinery here at $14,500. The $1,000,000 unit, used in production of gasoline, bunker fuel and coke, caught fire Sunday. Officials said it was hoped to get the unit into operation by Friday.

SWEEPSTAKES FAVORED

TORONTO (CP) — The Ontario Provincial Federation of Labor (TLC-AFL) asked the provincial government Tuesday to seek amendment of the criminal code to allow an Ontario hospital sweepstake similar to the Irish sweepstakes. It presented its brief to Premier Frost.
