A GENERAL'S STORY. HE RELATES THE NARROW ESCAPE OF HIS DAUGHTER.

Weakened and Run Down by the Oppressive Climate of India She Returned to England—When Her Father Followed He Found Her in a Serious Condition. (From the Hampshire Independent.) There is nothing more interesting than the talk of our brave defenders, who have served their Queen and country in far distant lands. To talk with an Indian officer, hearing his reminiscences and adventures, is what those who have enjoyed it always appreciate. Consequently (writes a special reporter of the Hampshire Independent) I was delighted to receive instructions to interview Lieutenant-General Shaw, who has won his spurs in India, and is now living with his family in honorable retirement at St. Paul's Vicarage, Shanklin, Isle of Wight. I had craved the bell-pull and given it one tug when the door opened, and the general's soldier came in. He was a manly, upright bearing, his smile, his pleasant voice—all told you that you stood in the presence of one of Nature's gentlemen; but alas! he held a title—able, and I felt that the interview must needs be short. However, he ushered me in and at once put me at my ease by his affable conversation. "I have a sister at Jersey," he said, "that you have come a long distance; but let me know the precise object of your visit."

DR. CHASE'S OINTMENT. CURES ITCHING PILES, ECZEMA, SALT RHEUM. H. J. Lela, representing Gannon Bros., St. Stephen, N.B., says: "Chase's Ointment cured me of very stubborn case of itching piles, several physicians' prescriptions without permanent relief. Know of several cases of itching piles it has cured."

DR. CHASE'S OINTMENT. A boom has been started at Seattle looking to the nomination of William Jennings Bryan of Nebraska, as United States senator from the state of Washington. At that he brighten'd visibly. "You must know," he said, "I'm just a bit of an enthusiast on this point; but the tale is very short. My daughter came home from India, and when I joined her in London I found her ill in bed. She had rheumatic and neuralgic pains; she was perfectly bloodless, listless, and in a generally weak and prostrate condition. Her doctor was a seer; but she remained absolutely colorless, was in great wretchedness and suffering from anemia or bloodlessness. She had a kind of fever, nervous headache, and other painful ailments. I heard of Dr. Williams' Pink Pills for Pale People. My daughter took some and the first box had a marvelous effect. She regained her color, lost her pains, and became altogether different. She had quite a glow upon her. She went on taking the pills, and I am glad to tell you that she recovered completely. I have recommended Dr. Williams' Pink Pills to all with whom I came in contact, and all who take them derive great benefit therefrom. "I have a sister at Jersey, and she has taken them for a very long time, and has always recommended them to other people, and found them to do a great deal of good to all to whom she has recommended them, and I myself when I have heard of people being ill, have taken them or sent some of these pills."

A LADIES' NURSE.

This is to certify that I have been a ladies' nurse for the past twenty years, and I am pleased to say that for the past five years a number of my patients have used Indian Woman's Balm, and it has proved a grand success in every case. I would heartily recommend it to all ladies during pregnancy. Mrs. E. Lewis, Orangeville, Ont. "Cough Chaser" cures Coughs, Colds, Hoarseness, Sore Throat, etc.

Gilchrist, Chief of Police and government Fisheries overseer of his own case said: "For ten years my distress increased until the doctor called it Diabetes. At times my suffering was intense, and medicine taken did no good. At last a friend assured me that Dodd's Kidney Pills would cure me. A few boxes have kept that promise, and I thank these pills for a perfect and I believe permanent cure."

SAD COMPLAINTS, Ladies Must Protect Themselves. Several ladies have recently written to the manufacturers of Diamond Dyes complaining of having received very worthless dyes from certain dealers (whose names are known) in stead of the Diamond Dyes that were asked for. The manufacturers of Diamond Dyes, while they deplore this unwise and dishonest practice, and while they cannot give any greater protection to the public than they are now affording in the way of warnings through the columns of the press. A QUEBEC CITY WONDER!

Mr. Hamilton is Completely Cured by PAINE'S CELERY COMPOUND.

Mr. Hamilton, 10 Crutche St., Quebec, P.Q., writes as follows: "Having been a sufferer for over ten years from nervous debility, as well as a wreck physically, I have now the pleasure to say that I have been restored to health by the use of Paine's Celery Compound. For years I had tried almost all other medicines for my troubles, but they all failed to meet my desperate ailments. Life to me was a burden and not worth living. My pastor recommended me to try Paine's Celery Compound, and I am now a well and healthy man. "Before using the Compound I had no appetite; now I cannot get enough to eat. "I find that Paine's Celery Compound calms and soothes the nerves, induces refreshing sleep, and strengthens the digestive organs. In my estimation it is nature's food for the brain. I might also add that the Compound is a perfect purifier of the blood, as I have found after testing and proving it. "I would heartily recommend Paine's Celery Compound to all who are suffering from complaints that made my life miserable in the past."
