New Courses Added PWC Summer School

Three new courses have been added to the summer school held annually at Prince of Wales College and sponsored by the department of education.

English 1 will be taught by Alister Macdonald, M.A.; Biology 1 by Lawson Drake, M.Sc., and Education 1 by Thomas N. Hall, B.A., B.Ed. There are entirely new courses and have been included in the summer school curriculum to enable teachers to obtain university credits.

Education Minister Keir Clark said yesterday each of the new courses successfully completed will count as one half credit towards a superior license. Texts for Biology 1 and English 1 are those used in 111 year PWC. The text for education will be Psychology in Education by Sorenson. All texts may be obtained either from former students or from the school supply.

START JULY 2

The course starts on July 2 and is for six weeks duration.

In addition to the regular course, the department this year is giving a special course in school administration and teaching methods for those teaching under authority of a permit for the year 1959-60. This course does not count as a credit towards a teacher's license.

The department for some time has been trying to encourage teachers to proceed with their training through the regular teacher training course at Prince of Wales College. It is pointed out that available grants and loans to prospective teachers plus the differential in pay should make it attractive to proceed in this direction.

INCREASE SALARIES

Teachers presently engaged in the profession have found it advantageous to attend summer school courses during the past few years. Not only do they add to their general knowledge but they improve their classification, thus giving themselves an automatic increase in salary.

Courses listed on the third year level will be given on the basis of a tuition fee of \$10 for each half course. However, during this year which is the first these courses have been offered, the fee will be \$5 for each half course.

Teachers who complete the six weeks summer school course will be eligible for a grant of \$50 if they engage to teach in the public schools of the province during the coming school term.

The summer school will be under the direction of W.A. Mac-

P.E.I. Jehovah's Witnesses End Three-Day Convention

The three-day convention of Jehovah's witnesses came to a successful conclusion Sunday, June 28, when 185 attended a public talk. Charlottetown congregation has been playing host to their fellow island witnesses in the Queen Charlotte High School, which was acquired for this happy event.

Of particular interest on Saturday evening was the showing of the color film "The Divine Will International Assembly of Jehovah's Witnesses." The highlight of the assembly came on Sunday with the delivery by Laurier Saumur, district supervisor for Jehovah's Witnesses in Eastern Canada of the public address entitled "A Paradise Earth Through God's Kingdom."

Mr. Saumur's opening words were: "If a paradise earth had to come at the hands of man, it would never come." He pointed out that the trend today is not toward a paradise earth, but a

Pullman Back On Island Run

The pullman car from Montreal to Charlottetown made its second run to Charlottetown last evening on its daily schedule for the summer season. It made the first trip here Saturday night, and will continue to make a similar trip every day except Sunday until sometime in December.

Genial Porter, W.J. Brown, who has been coming to the Island in charge of the pullman for many years, was again in charge of the pullman last evening.

Mr. Brown said that the Pullman had 21 passengers when it left Montreal on the Ocean Limited, and that 10 came to Prince Edward Island.

The pullman has eight sections,

or four double bed rooms, together with a number of private compartments, smokers and ladies room, all designed to give the utmost of comfort to the travelling public.

THE PRESENTATION of a Rehabilitation Council by President cheque for \$4,000 to Roy Small, dent Russ Seller at luncheon yesterday, marked his final official act as president of Rotary. Rehabilitation Council Voted \$4,000 By Rotary

Rounding off the Rotary year with reports from various committee heads, the weekly luncheon meeting at the Charlottetown Hotel yesterday was presided over for the final meeting by retiring president Russ Seller.

The highlight of the meeting was the presentation of a cheque for \$4,000 from the Easter Seals campaign fund by President Seller to Roy Smallman, president of the P. E. Island Division of the Rehabilitation Council to assist in the furtherance of their work.

In accepting the cheque Mr. Smallman said it afforded him a great deal of satisfaction to receive such support from the club and the general public, in the work the council is endeavouring to do.

President Seller in a comprehensive review of the work done by various committees during the year, stressed the activities of the program committee under Frank Curtis and the results achieved. He commended Secretary Randy Manning and Bulletin Editor Harry Somers for their accomplishments and expressed appreciation for the generous coverage of weekly meetings given in the Guardian as reported by past president, Jim Murley.

PAYS TRIBUTE
Commenting on the Crippled Children and Rehabilitation report as submitted by Bill Hayward, Director Tom DeBlois paid tribute to the medical fraternity throughout the province. "Operations and treatment free of cost for all cases they are asked to deal with, marks their outstanding contribution to crippled children's work," he said.

Hugh Simpson reporting on the Easter Seals campaign which he headed, gave a break-down on the distribution of the \$6,000 raised and Tom DeBlois made a similar report on the Rotary radio auction.

Reporting for the youth work committee, Ken Parker said, "The establishment of a Recreation Youth Commission for the City is admittedly a long-range conception, requiring much study and evaluation."

CO-ORDINATION NEEDED

However, the need exists for co-ordinated programs for our youth which are now being sponsored by various organizations with the responsibility of leadership being heaped on the shoulders of far too few adults." We recognize that youth work is one which justifies all of the support which Rotary can give."

Other reports were submitted by Brian Cudmore, Bill Reid, Andy Likely, Frank Jekes, George Walters, Olive Currie, Bob Parson, Earl Baker, Al Cameron, Edk. MacNutt, Malcolm Reeves, Norman Lowther, Ed. Martin, and Les Doyle.

Guests of Rotary were, Brigadier A. C. Ross, Moncton, N.B.; Walter Hotson, Montreal; D. Stairs, Montreal; A. G. Wilson, Ottawa; S. A. Killam, Montreal. Visiting Rotarians were, Rollin P. Gilbert, Marcersburg, Pa.; Gordon Ewing, Mayville, Mich.; Charles Wye, East York, Ont.

OFFICERS INSTALLED

The introduction of Charles Bentley as a new member by his sponsor, Randy Manning, brought the membership of the club up to 105 over which Gerry Hartles will preside for the next 12 months, with the following officers:

Board of directors: Past President, Russ Seller; President, Gerry Hartles; Vice-president, Tom DeBlois; Secretary, John Simmonds; Treasurer, Lockery MacKay; Directors, Randy Manning, Erik MacNutt, Harry Somers.

Appointed officers are: Bulletin Editor John Evans, Assistant Editor Olive Currie, Serg-at-arms Don Goodspeed, Assistant Secretary Andy Likely, Club historian Artie Clark.

LOCAL Tourist Season BRIEFS Soon Underway

This last weekend saw the start of the tourist season although its expected to get its official start on Dominion Day. Operators of cabins, motels, hotels and other tourist facilities have been preparing for this season which it is hoped will be even bigger than last year's.

Larger numbers are expected to visit Prince Edward Island in the latter part of July when the Queen and Prince visit the province during the course of their Royal tour.

The big air show at the RCAP's Summerside Air Station will be the chief attraction tomorrow, Dominion Day. In addition to the air show there will be many sporting attractions with baseball, softball and harness racing programs on tap.

If fine weather should bless the day, then the beaches will be thronged with eager bathers.

CONFIDENTIALLY YOURS

TORONTO, Apr. 30th — Got your heart set on something? A home of your own? A summer cottage? A holiday such as you've never had before? You can achieve all these goals if you plan for them. I've found the best way to realize my plans is to go into debt to myself . . . at the BANK OF MONTREAL. This simply means that I determine to pay into my "special purpose" account at the B.M. a definite, regular amount, each pay-day. It's a wonderful feeling to see the object of your saving coming nearer all the time. Why don't you decide to do something about your pet project tonight, and tomorrow open your "special purpose" account at your local branch of "My Bank"?

HERE'S A FINE NEW IDEA! Try serving Royal Instant Puddings — a la mode — to your happy family. You'll find this wonderful combination of creamy-smooth ROYAL INSTANT PUDDINGS with ice cream can lead to a whole host of delicious dessert ideas. For instance, try Royal Instant Caramel or Butterscotch with a scoop of vanilla or nut-flavored ice cream on top. Next time serve Royal Instant Vanilla with strawberry or chocolate ice cream atop. There are seven delightful Royal Instant Pudding flavors . . . and each new combination with ice cream is a taste delight that calls for many repeat performances!

CARELESS FEEDING WILL SHORTEN the life of your dog. I guarantee you'll have a healthier, happier pet . . . if you feed your dog DR. BALLARD'S CHAMPION DOG FOOD every day! Here is a scientifically balanced veterinarian diet which provides all the nutrients he requires. For variety, buy Chicken, Liver and Regular. Don't risk your dog's health through careless feeding. Dr. Ballard's quality dog food encourages a shiny coat, bright eyes, good digestion and abounding spirits. Dr. Ballard's Champion Dog Food is worth that penny difference to your pet . . . and to you!

"IT WAS A GREAT BLESSING," writes a lady from St. Boniface, Manitoba, "when a friend recommended TEMPLETON'S TRC for my rheumatic and arthritic pain. I had been in great misery for some time — but have now found quick and satisfactory relief." This is the theme running through scores of heartfelt tributes to TRC's. Some of the most touching letters come from older men and women who had reconciled themselves to recurring rheumatic and arthritic pain — but who now know renewed joy in living. TRC's have been proven helpful for rheumatic, arthritic and sciatic pains. So remember them!
