Yearbook

We, at the Yearbook office, would like to accommodate all those requests for an ON-TIME Yearbook -- HOWEVER -- A Yearbook does not appear like magic. It takes time and effort, at the moment, on the part of a very few.

Now this whole process can be improved.

We the humble FEW would like anyone interested in writing, reporting, photography, graphics or whatever to come to our office in Main 09 or call us at 566-0503, messages). Whether you have five minutes or a semester, we do need you.

REMEMBER THE YEARBOOK IS YOUR MEMORIES AND SO WHY NOT HELP GET THEM TOGETHER. WE SERVE PIZZA TOO!!!
