

Due to the large number of Campus Police and Bartender applicants, we have been forced to pre-screen. In order to do this fairly and unbiasedly we have chosen the following procedure:

All applications will have the name removed and the application numbered as

well as the removed part. This will be done by an unbiased person and the names will be put in a sealed envelope and kept by that person. Then the nameless numbered applications will be given to a second

unbiased person to pre-screen on the basis of experience relating to the job applied for.

All persons chosen to be given an interview will be contacted as to the date and time of the interview. Most interviews will be held on Saturday, Sept. 24 starting at 10 am.

All numbered applications will be available for viewing if anyone feels the procedure was done unfairly.
