Card Of Thanks. The Family of the late Margaret MacRae, R. N., wish to thank all who in any way helped; also for the beautiful Floral Tributes and Cards and Letters during their recent sad bereavement.

IN MEMORIAM. In fond and loving memory of our dear mother, Mrs. William Rogers who entered into rest August 25th, 1946.

Four years ago we had to part With one we loved with all our hearts, We miss your face and kindly ways With you we spent our happy days.

We are thinking today dear Mother Thinking of the past Picturing you in memory Just as we saw you last.

In that bright eternal city Where no tears e'er dim the eye In the home of many mansions We will meet Mother bye and bye.

Lovingly Remembered by Her Son Thomas Rogerson and Daughter Helen (Mrs. Roy MacKinnon).

IN MEMORIAM. In loving memory of a dear husband and father, John M. MacLeod who departed this life August 26th, 1949.

Beautiful memories are all we have left Of him we loved dearly and shall never forget. Sad was the parting no one can tell So sudden on earth the sorrow fell. Memory we treasure no one can steal, Death leaves a heartache nothing can heal.

Always Remembered by Wife, Son, Daughter and Granddaughter Rhoda.

IN MEMORIAM. In loving memory of our dear wife and mother, Mrs. Talbot Stewart who passed away August 27th, 1949.

God only knows how we miss her In a home that is lonely yet. But the hearts that always loved her Are the ones that never forget.

It is not the tears at the moment that shed But the tears of the hearts that are torn. But the secret tears of the after years And the sorrow that is silently borne.

Thank God for the faith that teaches When the struggles of life are o'er We shall meet our own, our loved ones And know them all once more.

Ever Remembered by Husband and Daughter Pearl.

COOK'S for Photographs.

Personals

Mr. and Mrs. Delbert Bailey, Toronto, Ontario, are spending their holidays with Mrs. Bailey's mother, Mrs. Vina Farrar, Appin Road.

Mr. Wendall Reeves, navy mechanic, Dartmouth, N.S., veteran of World War II, is enjoying his holidays with his parents, Mr. and Mrs. Fred Reeves.

Mr. Lloyd Farrar, Appin Road, who has enlisted with the Active Force for the Korea, is enjoying a six day leave with his mother and family. Lloyd will leave for camp Shilo, Manitoba on Monday morning for training.

Mr. and Mrs. E. B. S. Ling, and their three children, leave by car today on return to their home in Montreal. They will be accompanied by Mrs. Ling's parents, Mr. and Mrs. Percy Dickleson, New Glasgow. Mr. Ling is on the staff of the Peel and St. Catherine Sts. branch of the Bank of Nova Scotia, and has just concluded a three week vacation in this Province. He was formerly a member of the Charlottetown branch.

Skin Eruptions

Here is a clean, stainless, penetrating antiseptic oil that brings speedy relief from the itching and discomfort. Not only does this healing antiseptic oil promote rapid and healthy healing in open sores and wounds but boils and simple ulcers are also relieved. In skin infections the itching of Eczema is quickly stopped. Pimples - skin eruptions dry up and scale off in a very few days. The same is true of Barber's Itch, Salt Rheum, Itching Toes and Feet and other inflammatory skin disorders. You can obtain Moone's Eucalypti Oil in the original bottle at Hughes Drug Co. or The Jenkins' Pharmacy or any modern drug store. Satisfaction or money back.

IN MEMORIAM

In loving memory of Mrs. Ellsworth Newsome, Augustine Cove, who passed away August 25th, 1947.

She is but gone from us a little while, We miss her tender voice and loving smile; We trust that God's true judgment never meant To take her from us, leaving no content;

There is no death of love like her's, we know That we, too, soon must find the way and go To that sweet realm where spirits dwell apart; So very near to God's own loving heart.

Lovingly Remembered by Parents and Brothers.

WEDDING GIFT—Hand-coloured Island views. Crawwell Studio.

IN MEMORIAM

In loving memory of our mother, Mrs. Kathleen Dolron, who passed away Aug. 23, 1941.

Away in the beautiful hills of God In the valley of rest; so fair, Some day, some time, we know not when We shall meet our mother there.

Always remembered by children, Shirley, Lorne and Jimmy.

IN MEMORIAM

In loving memory of our darling sister-in-law, Mrs. Ellsworth Newsome, who departed this life August 23, 1947.

In our home she is fondly remembered.

Sweet memories cling to her name We who loved her in life sincerely Still love her in death just the same.

Sadly missed by Doris and Brent.

IN MEMORIAM

In loving memory of Michael Peters who was killed at Richmond crossing on August 23, 1944. Inserted by wife and family.

NOTICE

Final notice is hereby given to all ratepayers who are in arrears in taxes in School Unit No. 1. Taxes must be paid by September 4, 1950. By order of the Trustees' Office, Parkdale School. GORDON RICE, Secretary. Phone 2711-B.

A Feature For Every Friday

Among The Farmers

Federation of Agriculture News

Crops Damaged

In our fieldwork across the Province since Monday's storm a great deal more crop damage was found than previously reported. In eastern Queen's and King's County the grain crop, generally speaking, is flat on the ground. Although it is fairly well filled there will be great losses in cutting and harvesting. Fields of potatoes, especially on side hills, have been badly washed out and tops are broken. Corn crops have also been severely damaged, although there have been reports that one hybrid variety stood up well under the intense wind and rain.

The Strike Situation

It is difficult to say at the moment just what far-reaching effects this strike may have on our island economy. At the time of writing our Federation is co-operating with the Boards of Trade and Government in making a Provincial survey of our food, flour and other possible shortages.

At this time of year it is a general practice that feed and flour stocks are low because of the usual price decrease during the next few weeks. There have been a few reports of panic buying and hoarding of sugar and flour, but this is not general in the rural areas.

There appears to be about a ten days supply of flour and feed on the island if it is properly distributed but, according to reports from the main distributing points there will be some extreme shortages within the next few days.

Potato Board Progress

The newly appointed Potato Marketing Board plans to meet early next week to analyze in detail the potato situation and map out a program for the coming season.

Arrangements are being made for the chairman of the newly appointed Board to give a special broadcast to our island potato growers as soon as a definite program is decided upon.

Mr. Stephens from B. C. met with the Federation executive last Friday evening before leaving the Province.

His feeling after discussing the situation with both the trade and the farmers was that a Board with everyone working together could result only in great improvement that would not injure anyone who wished to co-operate in the interests of the potato industry.

He recorded a broadcast which will be heard at the same time as the report of the Potato Board chairman next week.

Vocational School Program

A prospectus outlining the different short courses in the new Vocational Training School has been issued. The Federation is represented on the advisory committee for the school.

A splendid short course program has been outlined including home economics, carpentry, brick laying and plastering, plumbing.

IN MEMORIAM

In loving memory of our dear daughter and sister-in-law, Mrs. Ellsworth Newsome, who departed this life August 25th, 1947.

She was taken without any warning. Her going left hearts filled with pain; But though she is gone from amongst us, In our hearts she will always remain.

Sadly missed by Mabel, Artie, and Helen.

right across the Province.

This meeting has been called for next Tuesday evening in Charlottetown and it is hoped that a good turnout of our poultry producers and handlers will attend.

We have to plan our poultry program in the future if it is to be successful and the co-operation of everyone interested is necessary.

Canadian Bacon Tests Highest

Tests recently conducted by a wholesale food firm in Great Britain on quality of bacon from various countries coming to their warehouses, disclosed the fact that Canadian bacon tested highest among all.

Reported by the British Farm publication "Farmer and Stockbreeder," the tests made by the firm were on the basis of a shoulder measurement of not more than two inches of fat. English bacon coming to the firm tested only 19 per cent to that standard. Danish bacon 34 per cent, Dutch bacon 77.5 per cent and Canadian bacon 90 per cent.

Practical Action In Rural Health

Getting competent doctors to stay in rural areas has been one of the problems faced by farm people in the Maritimes for many years.

The New Ross district Farmers' Federation in Nova Scotia decided that one way to do it was to build a home for their new doctor. They recently organized a co-operative body to set up the project and are also arranging to secure a minimum salary for their doctor.

Applications For Scholarship

Only three applications have been received to date for the scholarships offered by Maritime Co-op. Services to attend the Agricultural Course at Truro. There has been two applications received for the overseas scholarship. Any one intending to apply for those scholarships should get their application in to the Federation of Agriculture before next Thursday.

Farm Efficiency

When discussing organized efforts and the attempts of working classes to raise their living standards and when comparing problems, industry and labor often point to the inefficiency in agriculture. This point has been emphasized to a great extent recently and we believe the time has come to analyze it.

No one has ever proved that there is more inefficiency among farmers than in any other industry.

One aspect of this the public should realize: when a farmer is inefficient the cost of that inefficiency is borne by himself because he gets the same price per unit that is, per bushel of wheat, pound of butter, dozen of eggs, box of apples, pound of beef as his more efficient neighbor. If he chooses to be so inefficient as to take three times as long to produce a pound of butter as he should, he suffers the consequences of those methods himself.

On the other hand under organized labour's program, the rate per hour is fixed and the inefficient worker is in the position where generally he obtains the rate re-

quired for his trade and by so doing passes the cost of his inefficiency on to the general public. Why then should so much be made of probable inefficiency in agriculture?

The dairy products market is stronger. There is a good demand for Island cheese and because of the restrictions recently placed on fats and oils going into butter substitutes, the price of creamery butter has strengthened.

Potato prices are low—unusually low. The demand for early turnips is fair and should give a reasonable return to farmers providing the market is fed steadily after traffic resumes and highest quality only is shipped.

There has not been any market price established for timothy seed yet. Indications are that it will be slightly lower than last year.

There was some word about a shortage of binder twine because of the rail tieup but it is believed this situation can be relieved by truck.

THANKS, ANYWAY

MONTREAL (CP)—André Denis knows what he likes. When Judge C. E. Guerin asked the 26-year-old ex-convict whether he would prefer to serve his two years sentence for theft in jail or penitentiary, Denis replied: "Really, Your Honor, I would very much prefer not to be sent to either place. You see, I've already been there before."
