successful in directing home affairs of
late, the United States seems about to

ENDORSES DR. ROSE.
A Quebec Physician who corroborates Dr.
Rose's Opinion.
PORTLAND, Dec. 3.—The letter of Dr. A.
G. McCormick, of Richmond, Que., testifying
to his complete and permanent cure
from Bright's Disease by Dr. E. A. Rose's
Pills, has been read with much interest
here, supporting as it does the recent
letter of Dr. E. A. Rose, of this place, who
was cured of Diabetes by the use of these
pills. Of course no further corroboration
of the curative qualities of Dr. E. A. Rose's
Pills was required other than the testimony
of Dr. Rose, but it is a satisfaction to
know that other medical men are able to
join the Dr. in testifying to the worth of
the pills from personal trial.

preparing to live.
I am not sure I ever told you what a
safe and excellent, as well as palatable
cure for Coughs, Colds, Consumption and
all Wasting Diseases is made in Halifax,
Nova Scotia. If not, let me now say that
there is no other Remedy quite as good
for these ailments as PETERSEN'S EMULSION.
I need not enlarge—a word to the wise is
sufficient—remember it is PETERSEN'S EMULSION

first-class Druggists, in large eight ounce

they go. Take a course of Hawker's Nerve

too, reach the final step.

The broker was talking to the bachelor
about his future state, so to speak.
"Why don't you get married?" he inquired.
"You've got money enough."
"I presume I have; but you know I take
no stock in matrimony."
"Palau, that doesn't make any differ-
ence."
"I think it makes a good deal."
"Of course it doesn't," insisted the bank-
er. "Don't you very often make a highly
cool thing by assuming the bonds of a con-
tract you wouldn't take stock in under any
circumstances?"
The broker hadn't looked at it in that
light before, and he took the proposition
under advisement.

In the long run it is the quality of
the material that will determine the
success of a lady's costume. Every
lady who has at all studied the matter
knows this. Priestley's Black Dress
Goods are best that the market affords. That is con-
ceded on all hands.
The ladies of Great Britain cordially acknowledge it. The
American ladies prefer Priestley's dress fabrics to French. Our Canadian ladies
are now asking for them. They wear better than other goods; but their great
charm consists in a peculiar richness and softness of appearance, and a flexibility
which enables them to fit a lady's costume with that suggestion of flow and rhythm
which is the dream of all tasteful women to realize.

"MAKE BESS LAY."
Such is the caption of an advertisement
many leading agricultural papers, and
which suggests the propriety of a few
thoughts upon the subject. It may be laid
down as a rule that most people indulge in
raising poultry not for the pleasure it
gives, but for the profit that is realized
from the same, which must come from
young chicks or eggs, and since the chicks
must come from the eggs, the real profit
must be traced to egg production, so the
advice given in these words is of vital con-
sequence to the poultry raiser. "The
advertisement referred to recommends
Sheridan's Condition Powder to make
make hens lay, and so do we," says Mr. A.
Hunter, poultry editor of Farm-Poultry.
A hen to lay prolifically must be in perfect
health, must be in condition, and here is
laid the true theory of the value of
Sheridan's Condition Powder—it promotes
the general good health of the fowl, gen-
erally quickening digestion, and stimulating
all the various organs of the body as well as
the ovaries, to perform their functions.
At this season of the year the use of Sheri-
dan's Condition Powder is very valuable
for laying hens and young poults. By its
use now they will get to laying earlier when
the price for eggs is very high. I. S. John-
son & Co., Boston, Mass., the only makers
of Sheridan's Powder, will send for 50
cents two 25 cent packs, five packs for
\$1.00, or for \$1.20 one large two pound
can of Powder, postpaid; six cans \$5.00,
express prepaid. Sample copy of the best
poultry magazine free.
A special from St. Petersburg says:
The Russian press unanimously repudiates
the idea of intervention by Russia in the
affairs of Armenia.
Cod Liver Oil has long been known to
the Medical Profession as perhaps the best
single remedy for CONSUMPTION and
other Wasting Diseases—but most sick or
ailing people have an unconquerable aver-
sion to it, in its crude state.
The Hypophosphites of Lime and Soda
are only second to Cod Liver Oil in their
curative effects in the above complaints.
In PETERSEN'S EMULSION the Oil, while
retaining all its medical virtues, is com-
pletely disguised both from eye and palate,
so as to be agreeable to the most delicate
stomach, while its curative effect is en-
hanced one hundred per cent. by its
scientific association with the salts of
Phosphorus.

LAST MONTH OF 1894.
I want to make this month the best
month of the year, and in order to do so I
am prepared to do work CHEAP. The
many new customers who have patronized
me since moving to Queen Street can tell
of the CLASS OF WORK and LOW
PRICES they have been getting.
Let me quote you prices on BLANK
BOOKS which you will require for the
first of the year.
We can supply you Bill Head, Letter
and Note Head, Receipts, etc., lower than
any other firm in the city. This is beyond
doubt. My offer for Bill Heads at \$2.75
per thousand will remain open during
this month.
Look out for your Magazines and have
them bound before they get a rival.
GOOD WORK! LOW PRICES!

WE SELL COAL.
Prices Right
WHAT WE HAVE—A well assorted
stock of LUMBER.
WHAT WE WANT.—We are no
grasping. We only want enough trade to
keep us working. We would rather sell
our stock cheap than run for want of
something to do.
If you will just give us a call and look
over our stock you will be just "tinkled to
death" with satisfaction.
WHAT WE CAN'T GET.—As we in-
tend making a change in our business we
are going to let the Court collect those
old accounts that "we can't get." We've
asked for them often. But the public in-
vitation to "call again" is not one to our
ears. So don't be surprised, for WE
MUST HAVE MONEY.
