**DEBATING SOCIETY
OF THE**

UNIVERSITY OF PRINCE EDWARD ISLAND

Aristotle said, "There are only two parts to a speech: You make a statement and you prove it." This is the essence of debating, producing logical arguments that your opponents can't refute. On the converse, it is attacking the logical and evidential chinks in you opponents' armor.

But debating in much more than this; it's also thinking, acting, the thrill of competition, the glory of victory, the determination that springs from defeat. Formal debate is complex, graceful and profound, while at the same time it is harsh, concrete and practical. It is one of the oldest activities of civilization, and a crucial right modern democracies. You have an invitation to join us and train your mind while developing skills in argumentation, analysis, and speech that will be a great asset to you whatever you do in life. You have a chance to try your hand at the ancient art of public speaking and debating that today controls al-

most every major facet of our society: government, law, and business, to name just the most obvious. Whether you are speaking in the House of Commons, addressing a jury, presenting a business report, defending your thesis, or just arguing with your spouse, the skills you develop with us will help you when you graduate.

Debating is an important and fun experience that you may never forget. It makes no difference if you've never spoken in public before in your life; We are all learning and improving. Debating is a difficult art, but one which is infinitely rewarding. Everyone interested in finding out more about debating is encouraged to attend one of our weekly meetings, which are held every Wednesday at 10:30 am in room 09, down stairs in the Robertson Library. All members are reminded of the voluntary weekly practice sessions, which meet every Sunday night at 7:00 in the pit.

SOCIETY STUFF

Music Society

Well, it has been awhile, but we're back! It was a very productive semester for us. In addition to our new furniture, coffee maker, and sweatshirts, an exchange will be taking place for members with a very talented band from Nova Scotia, C.P. Allen High School.

We will travel there from January 19-21 to make students aware of the university's program and show others of the opportunities available here.

They will be here on the last weekend of the month of our Second Annual Play-a-thon, so come out and participate.

Meetings are usually on Thursday nights at 6:30 in the Steel Recital Hall. Come and join in making music fun!

P.S. Reminder of the Trumpet/Clarinet Recital on Sunday, January 22, featuring Prof.

Inter-Varsity Christian Fellowship

Our second semester, large group meetings began last Tuesday night. At this meeting we heard from Shelley Barrett and Richard Arsenault who reported on their post-Christmas trip to the National Student Leaders Conference, held this year in Montreal. They learned many new and exciting things that they will be sharing with the group this year. We also heard from Clyde Bryan who attended the International Christmas held at Mount Allison.

At last week's meeting we decided to change the meetings to Friday nights at 6:30pm. That

Wendy Grasdahl and Prof. Eila Peterson with Prof. Francis Gray accompanying.

means that our next meeting will be Friday, January 20.

The title of this meeting is: "What Are You Doing For Your Campus"

and the speaker will be Mr. Vernon Vickruck. Vernon will be talking about the role of Christians on campus.

Why not come out to the meeting this week and hear what he has to say. At the same time you can find out about the Malagash and Bible and Life weekends and about all of the other exciting things going on with IVCF this semester.

History Society Meeting

On Sunday, January 22nd, 1989 the UPEI History Society will be holding its second meeting of 1989. All interested students are urged to attend. The meeting begins at 7:00 pm in Main-315. Students are urged to contact President Linda Gordon, if they consider this time to be inconvenient. One topic for discussion will be the Society's planned reenactment of the 1864 Charlottetown Conference. Thank you for your attention.
