## MEDICAL BILLS

**MEDICAL PLAN**  
It has come to our attention that some students are obtaining prescription drugs by showing their I.D. cards with the assumption that they still have coverage through the plan which was in effect last year. THIS PROCEDURE IS NO LONGER IN FORCE. Students must pay for their drugs and claim from the insurance company through a form which may be obtained at the Student Union or Health Centre. Those who have obtained prescription drugs, through the old system, since 1 Sept. 80 should go to the pharmacy, pay the bill and make their claim in the manner described. Those with alternate coverage are reminded that their claim for rebate MUST be made by 30 Sept. 80. If you have any inquiries regarding the Medical Plan please contact the Student Union Office. If you have any medical bills incurred prior to 1 Sept. 80 please take them to the Student Union office without delay
