DROWNED.—A six year old son of Mr. A. W. Steeves, teacher, said to belong to Moncton, was drowned off a wharf at Grand Manan, N. B., on Monday.

ON Tuesday evening last at Havelock, N. B., Rev. D. G. McDonald, of Charlottetown, P. E. I., preached a most practical and interesting sermon from the text Matthew 16-18.

SENATOR R. GREEN HAYS, of Louisville, Ky., thus refers to his experience St. Jacobs Oil cured me of a sprained back, accompanied by rheumatic pains. From what I understand, St. Jacobs Oil never fails to cure. It is wonderful in its action.

We have heard that steps are about to be taken to raise funds to establish a Reformatory in this Province. We hope that this is true, and that the public spirited promoters will receive the support and hearty co-operation of all lovers of this fair Island of ours.—Patriot.

WILDLEY LODGE, No. 27, I. O. O. F.—Grand Master Richards will meet the brethren of the above Lodge at their Lodge Room this evening at 7.30. A full attendance is particularly requested. By order of the N. G.—E. H. G. NORTON, Secretary.

THE Trustees of the Presbyterian Church, New Glasgow, beg to inform the parties who monopolized their church, a few evenings ago, that if, on a future occasion, they find it necessary to make the same use of the building, they may light the lamps, rather than remain so long in the dark.—Com.

REV. J. C. BERRIE, of Montague, has been transferred to the Methodist Congregation of Shediac. Mr. Berrie was one of the most popular clergymen of this Province; and, while Montague loses a zealous and kind-hearted pastor, Shediac will gain a real good worker in the Methodist Church.

THE election campaign in South Carolina has opened by the murder of Mayor Blair, the Greenback candidate for Governor. Hamburg Butler is reported to have said in the campaign of 1876: "If we can't vote them down we can shoot them down," and that appears to be the programme of the present canvass.

MORE FATAL THAN WAR.—The fatalities at Alexandria, despite the belching of great guns, were comparatively few. But the deaths by sunstroke in the United States, in the 24 hours ending the 11th inst., were 1791. No wonder our American cousins rush eastward from their torrid regions. The Maritime Provinces are the most desirable places of resort at present.—St. John Telegraph.

FIRE.—This morning, at ten minutes to two o'clock, a fire broke out in a two-storey, two tenement house on the corner of Grafton and Cumberland streets, owned and partly occupied by Mr. T. Taylor. The fire, it is believed was set by an incendiary, and it spread so rapidly that it was impossible to save Mr. Taylor's furniture. Silsby Engine, under Captain Hickey, and Tremont under Captain Beer were quickly on the ground, but the fire was so far advanced that it was impossible to save the building. It was insured for \$1,600 in the Citizen Insurance Co.

THE Steamer Carroll sailed for Boston on Thursday evening with a cargo of produce and the following passengers:—Miss Bessie Richards, Richard Doherty, Angus Doherty, Mr. Charles McLeod, Mrs. James Stanley, Mrs. Redmond, Miss Flora McDonald, Miss Bessie McAuley, Miss Abbie McAuley, Patrick Scully, Mrs. Ella Leahy, Miss Bessie Leahy, Miss Maggie Leahy, John Leahy, Miss Alice Hickey, Miss Maggie Doyle, Mrs. Jos. McGagney, Nelson Cantello.

TERRIBLE HURRICANE AND TIDAL WAVE IN THE FRIENDLY ISLANDS.—A terrible hurricane visited the Friendly Islands on April 25th. At Van Van the barque Don Guillemo, Captain Johnston, went down at her anchors, the captain, officers and six seamen being lost. Five boys were saved. The hurricane was accompanied by a tidal wave 15 feet high, which swept over the island and did terrible damage. McArthur's warehouse, containing over 3,000 tons of copra, was destroyed. All the natives' houses and many of Europeans were carried away. Cocoanut trees were snapped off like pipe stems, and the islands present a scene of widespread desolation. At Tonquetta all the churches were destroyed. Two thousand houses were levelled, stores and copra houses, with contents, and everything near were swept away. A schooner was carried inland, and the German barque Cassilis foundered.

HEALEY'S HIBERNICA.—The Academy of Music was filled to repletion last night, to witness the first performance of Bryan O'Lynn's Comedy Co., with Healey's Hibernica. Every one present, went, satisfied that they would be amused, but they were agreeably disappointed, they were more than amused, they were delighted, for the entertainment was really one of the finest ever offered to the people of Charlottetown. With beautiful scenes from the Emerald Isle, a sparkling comedy, a touring farce, and such sterling favorites as Bryan O'Lynn as the Irish Boy, Harry Hall as the Yankee and lecturer, Frank B. Duffy the Dutchman, and Annie F. Irish as the fair Dublin Colleen, even the most fastidious were pleased. The entertainment, as a whole, fully sustained the enviable reputation made by this Company in the Provinces this season, and we predict the largest business of the season during their stay.

Challenge!

To the Editor of the Examiner. Sir,—I understand that Mr. Roney Steele has stumped P. E. Island with a horse called "Bashaw," for fast trotting. I wish to tell Roney Steele that there are some fast trotters on P. E. Island—a lot of trotters faster than "Bashaw." I will match my "Abdallah Maid," sired by "Abdallah Messenger," for the sum of \$100, mile heats, best 3 in 5, to harness—the trot to take place on Somerset Driving Park, owned by myself, on the 5th day of September next. The money to be deposited in the hands of Thomas McCarville, Esq., Somerset, in fifteen days from this date. Please come up, and don't be blowing, for there are faster horses in P. E. Island than you are aware of.
