AN old and respectable cow of this city, owned by our fellow-townsmen—Mr. Patrick Sweeney—took violently ill on Queen Square last evening about 7 o'clock. The cause of its sudden sickness, it is said, was owing to the confiding cow swallowing some loose paper—Grit organs no doubt—for, as they are known to lie fearfully, the cow imitated their bullying example, and lied on the Square several hours.

TERRIBLE ACCIDENT.—As the schooner George F. Hatheway, of St. John, was passing through the Federal street bridge, at Boston, on Saturday, the mate, John W. Steves, standing near by, had his left leg caught by the vessel's hawser, and before he could extricate himself his limb was cut completely off. The leg was caught near the ankle and the flesh terribly torn up to the thigh. Officer Clough of Station Six, took the unfortunate man in charge, and had him conveyed to the City Hospital for treatment at once. It is thought that the accident will not terminate fatally.

WE were shown to-day the Silver Medal given by the Dominion Association for competition under the direction of the Provincial Rifle Association of this Province, and won by Corporal Ewen McDonald of No. 6 Co. of Militia. It is very handsome. The design being a rifleman and an artilleryman in raised figures upon a shield, containing the Arms of the Dominion, with the motto: "Vis unita fortior," and on the reverse, "Presented by the Dominion Rifle Association." We hope that the Corporal will be able to give as good an account of himself at the coming competition, as he did before.

ST. PATRICK'S T. A. SOCIETY received, by the Intercolonial Express last evening, the instruments for its proposed band. The instruments—equal to any manufactured—are of the most approved style, most refined material, and have been obtained from one of the first musical establishments of London, England. They are similar to those sent by the War Department to Her Majesty's 5th Company of Fusiliers, now stationed at Montreal, and consist of four silver cornets, six brass silver-mouth instruments, one bass drum, and a side drum. We understand that the band will be at once organized, and our citizens will soon be favored with choice selections by the members of St. Patrick's Brass Band.

OLD-FASHIONED "Beavers" made into the present style by Landis & Gatchell. (See advt.)

STRANGE tidings come from England in connection with the Fisheries award. The French Government claims to share in the \$5,500,000 awarded by the Halifax Commission. The ground of the claim advanced is that French fishermen have, by the treaty, the right to take fish in the shores or rivers of a portion of Newfoundland, and the right to cure the fish taken on the shores of that portion. The Treaty of Washington grants a like right to American fishermen, and the French Government contends that as the value of the French right must be lessened by participation therein by American fishermen, a certain proportion of the amount awarded for that participation ought to be paid to France. Lords Derby and Salisbury, successively English Foreign Secretaries, have refused to entertain the claim. But it has not been withdrawn. The claim seems a ridiculous one, requiring a good deal of cheek to press it; yet it may give rise to trouble by-and-by.—St. John News.

A Bye-Law for Levying an Assessment on Real Property in the City of Charlottetown.

(Passed by the City Council 19th July, 1878.)

WHEREAS, it is necessary and expedient to pass a By-Law for the purpose of levying an Assessment on the rental of Freehold and Leasehold Property in the City of Charlottetown, for City and School purposes, for the current year ending on the twenty sixth day of May, in the year of our Lord one thousand eight hundred and seventy nine,—

Be it therefore enacted by the City Council of the City of Charlottetown as follows:— 1. There shall be paid by the occupants or owners of Freehold or Leasehold Property within the City of Charlottetown, for City and School purposes, the following sum, that is to say, the sum of Twelve Cents on every Dollar of the rental for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine, according to the valuations entered against the names of each and every person in the Valuation Book of Real Property made by the Assessors of the City of Charlottetown, and returned by the said Assessors to the said City Council on the twelfth day of July, in the year of our Lord One Thousand Eight Hundred and Seventy-eight.

2. In cases where the occupant named in the Assessment Book of real property, made by the said Assessors of the City of Charlottetown, shall have left the premises so assessed before the time of giving the notice of assessment required by law, such notice shall be served upon the person or persons actually in possession; and, if the premises be vacant, then such notice shall be served upon the owner or owners thereof, or his or their agent; and such owner or owners shall be deemed, for the purposes of this law, the occupant or occupants; and such occupant or occupants, owner or owners in the cases aforesaid, shall be severally liable for the payment of the sum entered against the name of the original occupant or occupants in the Assessment Book of Real Property made up by the said Assessors of the said City, and deposited with the City Clerk, subject to the same right of appeal as the person or persons originally assessed was or were entitled to.

3. In cases where tenement houses containing two or more occupants, and where either the owner or one occupant was originally assessed, the City Collector shall have power and authority to divide and apportion such assessment between the several occupants in proportion to their several or respective rents, in order that the notices for assessment may be served on such occupants in due form.

SYDNEY COAL. REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been Reduced to \$3 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coals as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of her cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
