

Acadia Come From Behind For 8-4 Win Over Saints

Fred Kelley's Acadia Axemen scored two tries and a penalty kick here Saturday afternoon to defeat the Saint Dunstan's University Rugby team 8-4 in a Maritime Intercollegiate Rugby game.

Fullback Rodney MacInnis accounted for the Saints four points with two beautiful penalty kicks early in the game to send Saint Dunstan's into a temporary 4-0 lead.

Flying quarter Donnie MacVicar scored a try for Acadia during the first half and picking quarter Clarence Olsen collected two points for the visitors on a penalty kick. Mel Campbell of Summerside scored the lone try in the second half on a plunge from the Saints five yard line.

The Acadia forwards outthrew the Saints throughout the game and obtained control of the ball for their backfield most of the way. The Saints played an aggressive game and prevented the Acadians from getting their plays organized with the result that the Axemen had very little territorial advantage in the contest.

Acadia had a considerable weight advantage over the light Saint Dunstan's squad. The Axemen, however, lost part of their weight advantage when one of their forwards was ejected from the game during the first half.

Acadia forced the play from the opening whistle and plunged deep into Saint Dunstan's territory just after the game started. The Saints fussed up a stout defense and turned the tide of battle with a surge into the Axemen's end of the playing field.

SAINTS SCORE
Their efforts paid off when re-

eree, Dr. Frank Jelks awarded the Saints a penalty kick on the visitors 37 yard line. MacInnis took the kick and booted the ball between the uprights to give the wearers of the Red and White a 2-0 advantage.

Acadia then made a determined bid but could not crack the Saints line as the local Collegians led the tackling of forward John Alex MacDonald blocked the visitors on scoring thrusts. MacDonald, who was the local Collegians led the tackling of forward John Alex MacDonald blocked the visitors on scoring thrusts. MacDonald, who was the local Collegians led the tackling of forward John Alex MacDonald blocked the visitors on scoring thrusts.

The Acadians were down on the Saints 35 yard line when the tide of battle changed once more. The Saints on a play started by aggressive Lewis MacDonald raced back into the Acadia zone to set the stage for their second penalty kick.

The play started when Lewis MacDonald grabbed a loose ball and raced through a maze of Acadia tacklers. He passed to Jackie MacDonald who continued the march downfield before passing the speeding Kimbal Jay who carried the ball down to the Acadia 25.

Play continued in the Acadia end and the Saints were awarded a penalty kick on the 35 yard line. MacInnis again came through with a spectacular boot to send the Saints out front 4-0.

Once more the Acadians raced into the Saints zone and this time they made the scoring sheet with Olsen connecting on a penalty kick from 25 yards away.

ACADIA IN LEAD
Minutes later the visitors went into a 5-4 lead when they scored the only try of the first half. Wing-

man Bill Hills set the stage for the try when he scooped up a loose ball and raced around the Saints defenses before being pulled down on the five yard line.

From the ensuing scrum Olsen picked the ball and passed to Donnie MacVicar who cut through the line as the local Collegians led the tackling of forward John Alex MacDonald blocked the visitors on scoring thrusts. MacDonald, who was the local Collegians led the tackling of forward John Alex MacDonald blocked the visitors on scoring thrusts.

The Acadians almost scored again 12 seconds before the half ended. They pulled off one of the best halfline runs of the game but their efforts were nullified when the wingman stepped outside the territory.

Play second-half opened with a number of individual players lining up with good runs. Sandy Donald and Rodney MacInnis scored gains for the Saint-Tink Olsen and Bill Hills did well for the visitors.

Midway through the half the Acadians forced their way into the Saints zone and several unsuccessful efforts the Saints defenses they held on to a play from the five yard line.

The ball came back to Olsen from a scrum and he passed over the heads of three players. Mel Campbell on the short side. Campbell took the ball on the deck and plunged through to score. The attempted convert was short and off the target.

The Saints battled hard to make up the deficit. About four minutes before the game ended they had a golden opportunity but missed the opening.

SAINTS THREATEN
They were on the Acadia 25-

yard line when they got a half-line play underway. The ball came out along the line from Donnie MacDonald to Jackie MacDonald to Sandy MacDonald to Kimbal Jay but Jay was pulled down on the Acadia five yard line when he failed to get the ball on time to break into the clear.

Earlier in the half the Saints made another dangerous thrust when Jackie MacDonald, Lewis MacDonald and Arnold Mullins lined up on the Acadia zone following a loose ball. The Acadians however recovered inside their own 25 yard line to stop the attack.

A Saints forward who plunged effectively during the contest was Jean Paul Russell. Arnold Mullins played his usual aggressive game while Captain Lewis MacDonald kept on top of the ball like a hound despite the fact he was playing with a leg injury.

Forward Donnie MacLean was outstanding among the Acadians with his tackling and aggressive play.
