OPENING OF NEW CHURCH AT SOURIS.—The new church for the Church of England people at Souris will be opened on Wednesday, the 7th of August at 8.25 p. m. Several clergymen are expected to be present, and will assist in the service. The sermon will be preached by the Rev. E. P. Crawford, Rector of St. Luke's Cathedral, Halifax. A special choir from Charlottetown will lead the musical part of the service.

CAUSED BY CHERRY STONES.—Mr Stephen Perry of Muddy Creek, lost a young child on Monday last. It appears, says the Farmer, the other children were eating cherries and threw the stones on the floor. These were broken by becoming tramped upon, and the little child sitting on the floor picked enough of them up to fill its mouth. Some of the broken stones got into the windpipe and caused its death on Monday.

MONEY STOLEN.—This forenoon two young lads entered the residence of Henry Anderson on King Square, and asked Mrs Anderson to buy some tins. She bought some, and while she had her back turned getting change the boys abstracted a $5 bill and 20 cents in silver from her purse, which she left on the table. Mrs Anderson missed the money while the boys were in the house, and charged them with the theft, but they ran out without returning what they had taken. The police have been notified.

POINTER FOR CHARLOTTETOWN.—The Truro News says: The contract for laying the new sidewalk on Prince Street was awarded to T. M. LeBlanc, of Moncton, whose figures were as follows: 43 cents per square yard for asphalt 1 part and tar 3 parts; 53 cents for asphalt 1 part and tar 2 parts; 60 cents for asphalt 2 parts and tar 3 parts; all drive ways to private residences, etc., asphalt 4 parts, tar 1 part, 70 cents; and street crossings, asphalt 4 parts and tar 1 part, 70 cents per square yard—this includes free stone curbing.

A NARROW ESCAPE.—The Summerside Farmer says: Mr Felix McKinnon, of Barbara Weit, came near losing his life here last Saturday evening. The shunting engine was moving a box car and a passenger coach when Mr McKinnon attempted to get on the latter between it and the box car. But he missed his footing and while he held on to the coach his feet were dragging on the sleepers on each side of the rail. This happened after dark, but Mr Thos Hickey was near enough to see the dangerous position he was in and running to his assistance, was able to extricate him without any mishap.

NO CURE.—Messrs Johnson & Johnson who are always looking after the interest of their customers, have exhibited in the window of the up town store, a check for $2.50 from the Sterling Remedy Co., manufacturers of No-to-bac. One of their customers bought three boxes of No-to-bac which is guaranteed to cure the tobacco habit in any form, or money refunded. In this case No to-bac failed. The Messrs Johnson then wrote the manufacturers informing them of the fact and as soon as the proper form had been filled out, the company immediately sent their check for the amount ($2.50) which will be refunded to the customer.

THE INDIAN POETESS.—Four years ago Miss Johnson made her first appearance as a reciter of her own poems at a Canadian Literature Evening, when she thrilled the large audience by the rendition of "The Cry of an Indian Wife" and "The Voyage." She was at once in great demand, and during the latter months of that season she appeared in a large number of cities and towns. Her great and rapid success of that period was, however, only a prelude to what may be said of the season of 1893-94, when between the months of October and May she gave the remarkable number of 125 recitals in 50 Canadian and American cities. Wherever this gifted Indian princess appears she never fails to create the greatest enthusiasm by her thrilling recitals.

LIGHTNING'S STRANGE FREAKS.—The Halifax Mail says: There was a terrific thunder and lightning storm at Shubenacadie Saturday evening. The lightning struck Mr. Fraser's house, near the station. The inmates had a narrow escape. Rev. John Nelson had a very close call. He was sitting on a sofa in Mr. Fraser's house when the crash came. His back was towards the window. The electric fluid shattered the sofa, split the window sill in pieces and killed a foliage plant which was a few inches from from Mr. Nelson's head. The pantry near where Mr. Fraser sat was set on fire. A lot of nick nacks in a box on the window sill were completely welded together. A steel button box and a large steel nail were perfect'y welded together, and a curtain ring and a pair of scissors were joined together. A strange feature of the welding of the articles was that they were welded in pairs.

THE WORLD OF SPORT.

The Turf.

Wm. Penn was defeated in the 2.11 trot at Detroit Friday by Klamath, whose best time was 2.08¼. Penn won the second heat in 2.07¾.

Mr W S McKie has entered Provider in the 2.35 guaranteed stake race to be trotted at St. Stephen, N B, on September 10th or 11th. There are fourteen entries in all.

The St. John Telegraph says that J. M. Johnson drove Amby, W. L. Eaton's pacer, a quarter in 38 seconds at St. Stephen, a few days ago. Mr. Johnson purchased the pacer on P. E. Island last spring for Mr. Eaton.

At the Moncton Driving Park on Tuesday afternoon the pacer Clayson was driven a full mile in 2.20, and a half in 1.07. His owner thinks that after six weeks' handling Clayson will be able to pace a mile in 2.15. Isawood put up a mile in 2.30½ and another in 2.31 flat. Isawood's record is 2.34. She is owned by L Aver, of Petitcodiac.

Parkland won the free-for-all at the Tignish races, Lawndominic being second and Gracie Wilkes third. Four heats were trotted, Lawndominic winning the first and Parkland the three following. The time was 2.38, 2.38½, 2.30, 2.37. In the 3-year old class Honest Tom, who took fourth place in the first heat, won the three succeeding heats and first money. Hilda May won second, Lady Confidence third, and Moss Rose Dot fourth. Time 3.10, 3,09, 3.12, 3.09.

Jules Robin, the pacing chestnut gelding formerly owned by P. S. Brown, of this city, has been doing some fine trotting of late, having won no less than four races since July 12th. Last Saturday he started in the 2.30 class at Woodstock, N. B., and won in straight heats. The same day he went out and won the free-for-all, which required five heats to decide. The first heat he won in 2.25½, second in 2.25, and fifth in 2.27½. This is a wonderful performance for the little horse, when we consider that the track was slow, and both races paced in one afternoon. Jules Robin was sired by Abdallah Messenger, dam by King of the Rabbits, he by French Tiger.

The entries for the race meeting at Summerside on Wednesday next will be found below:

The Wheel.

A hint worth considering is found in the report of the bicycle corps of the French army. The military workshop of Puteaux, in France, is turning out leather tyres for the army cycles in place of rubber ones, which are difficult to repair when they break down. Leather tyres can be sewn without much trouble by the cyclist or a neighboring shoemaker. Moreover, they are lighter than rubber, and less apt to slip on wet pavements or asphalt.

Yachting.

The Vigilant beat the Defender on Tuesday in a run of sixty-four miles, from Eaton Point, on the Long Island shore, four miles from Huntington harbor, Bridgeport, Conn. The cup defender gave up the race when not far from Bridgeport, owing to a hoisting gear having become deranged.

The Ring.

There will be three great battles at Dallas during what is termed fighting week. The book-makers have already sold bets on Corbett, against Fitzsimmons, on Smith against Ryan and on Mahar against O'Donnel. This is the way a great deal of money is now being placed. It is said that Sullivan will second Corbett.

Cricket.

The Canadian team of London and Toronto cricketers, captained by C. S. Hyman, of the London cricket club, played the first game of the week's series on the grounds of the Wanderers club Chicago, on Tuesday and defeated a picked team of Chicago and suburban cricketers, known as Holliwell's team. The Canadians scored 159 runs and extras, the score of Holliwell's team being 113. Twelve men were played on each side.

"MAKETH GLAD THE HEART."

This is said of wine upon good authority, but while the few might have the pleasure derived from its reasonable use, it was, until lately, impossible for the masses to know what wine meant. The Bordeaux Claret Co. has changed all that. Wine is now within the reach of all. It is no longer a luxury. And good, sound, generous wine, fit to make blood, to aid digestion, and make the whole man elastic and right. Those who like to pay the high prices may do so, but the people can have good Clarets and Burgundies at $3 and $4 per dozen quarts. There is no mystery, no chicanery here. Large direct importations from the vineyards, and local bottling tell the story. Big profits are not sought for, but enormous business is being done, for the people have responded to this radical departure, which practically gives wine to the masses at their own prices. Address—Bordeaux Clrret Co, 30 Hospital Street, Montreal.

A SNUG SUM.—The amount realized at Lennox Island tea held a short time ago is said to be in the vacinity of $388. The money will go into the fund for the erection of a new church at that place.
