Solo "Father's Been Drinking Again" Choir.
Dialogue Geo. H. Stevenson.
"Crunkshank's Bottle," Mr. G. M. Harris (city).
Parting Song Miss Janie Smith, Leander Smith and Henry McInnis.
The committee of management deserve great credit for the excellent bill of fare furnished the people of New Glasgow. The beautiful and touching story of the Latimer family, as presented by Mr. George Millner Harris, of Charlottetown, created a lasting impression upon all present. The able address of the Rev. W. P. Archibald, G. W. P., was timely, and fully sustained the gentleman's reputation as an able exponent of Temperance.

Odds and Ends.

"Woodman, spare that tree," does not go in the Adirondacks. After awhile there will be nothing left up there to cut down but the hotel clerks' salaries.

Professor (roused by violent ringing in dead of night)—Well, what is it? What's the matter? Student—One of your windows is open. Professor—Which one? Student—The one you are looking out of.—Pick Me Up.

A thief enters a bedroom in the middle of the night, seizes his sleeping occupant by the arm and brandishes a knife, saying, "If you move you are a dead man! I am looking for money." "Pray do let me get up and strike a light. I'll help you to look."

Helps to Recognition.—Mr. Youngshusband—Miss Moneybags recognized me on the street to-day. Mrs. Youngshusband—Indeed! Did she have her glasses on? Mr. Youngshusband—No; but she had undoubtedly heard of that \$50,000 I made in the oil deal.

"Talk about wives," said Farmer Haw-buck, "I've got one wife in a million. Why, she gets up in the mornin', milks seventeen cows and gets breakfast for twenty hard-workin' men before 6 o'clock, by gum!" "She must be a very robust woman, Haw-buck," remarked one of his hearers. "On the contrary," put in the farmer, "she is pale and delicate-like. Gosh! if that woman was stronger, I dunno what work she couldn't do."—Harper's Weekly.

Piles! Piles! Itching Piles!

SYMPTOMS.—Moisture; intense itching and stinging; moist at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. SWAYNE'S OINTMENT stops the itching and bleeding, heals ulcerations, and in most cases removes the tumors. All druggists, or by mail, for 50 cents. Dr. Swayne & Son, Philadelphia.

Free Rum or Cider—Which?

Whether the proposed constitutional amendment in Massachusetts against rum is also against cider, is being, as it ought to be well agitated. We believe fruit-growers feel about manufacturing a home beverage somewhat like the woman whom the learned Dr. Abernethy once remonstrated with for mutilating her husband's face and head with heavy finger-nails in a family jar. Said the worthy doctor, "Madam, are you not ashamed, treating the head of this family thus?—in fact, your head, madam. The virago retorted fiercely, "Well, doctor, if that be true, haven't I a right to scratch my own head?" It seems to us, prohibition advocates should reflect that, so long as humanity is unfitted to its surroundings and conditions of life, so long will it exist, and human beings foolishly try to "drown misery" with strong drink. But increase human happiness by every possible means; lessen that mother's burden that she may bear more healthy children; then ameliorate their hunger, disease, and pain by better physical as well as moral training, and you will have plucked out the most deadly fang of the monster—intemperance, while farmers and fruit-growers are left to pursue an honest calling. Acting upon this precept, we would go farther and proclaim that thousands of families are now suffering with troubles that scores of persons have tried to relieve with strong drink. "Hot lemonade with a stick," "rock and rye" are familiar recipes. Temperance people should teach others to find some better remedy for hacking coughs, bronchial irritations, catarrhal inflammation, rheumatism, and neuralgia than whiskey. Said a well known Boston merchant, recently, to a party of friends: "I used to resort to whiskey when attacked with rheumatism and neuralgia. But I know a remedy—Johnson's Anodyne Liniment—that will fix it for me every time. Truly, it is the most certain remedy known for any pain or inflammation. It is used internally as much as externally. Many people do not know this. The manufacturers, I. S. Johnson & Co., Boston, Mass., will send free to any one a pamphlet telling how to use it. A teaspoonful, properly used, will accomplish wonders." dy 61 w li

WHAT WAILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indubitably miserable, both physically and mentally; experience a sense of dizziness or blowing after eating, or of "grogginess" or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritable temper, sleep constant disturbed and unrefreshing, sleep, sharp alternating with chilly sensations, sharp biting transient pains here and there, cold feet, drowsiness after meals, wakefulness, and indigestion, or a general sense of weariness, and an indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. It not only cures complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Diseases, and other general maladies are quite liable to set in, sooner or later, induce a fatal termination. Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, eliminating, strengthening, and sealing their diseases. As an appetizing, restorative tonic, it cleanses digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases. Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula. "Salt-rheum," "Evers-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood, are conquered by this powerful, purifying, and invigorating medicine. Great Fatigues rapidly heal under its benign influence. Especially has it manifested its power in curing Tetters, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-Joint Disease, "White Swellings," Gout, or "Thick Neck," and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates on Skin Diseases, or the same amount for a Treatise on Consumption.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanses it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established. CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvellous power over this terrible fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, and kindred nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, World's Dispensary Medical Association, 603 North 5th Street, BUFFALO, N. Y.
