Bus Jones Leads All Comers In Mink Awards At Amherst

Snowstorms Hit Large U.S. Areas

CHICAGO, (AP)—Snowstorms, churned by high winds, hit the U.S. east coast and a broad area of the plains Friday, bringing the first taste of impending winter to both areas after prolonged mild weather.

Accumulations up to eight inches were predicted for Kansas, where falling snow was stacked into drifts by the winds. The seaboard snow was expected to reach a maximum of about five inches on the eastern slopes of Pennsylvania's mountains.

The cold air brought night-time freezing temperatures into the tier of Gulf states, and chilled all except the southern tip of Florida.

Snow fell generally over an area from the Carolina mountains to New York. In New York City, the amount which fell was light, but the flurries looked furious in wind gusts up to 35 miles an hour.

Coming Events

- Chicken supper, Fortune Hall Tuesday, Nov. 10, serving 5 to 9.
- Weekly Dance, Fort Augustus, Wednesday, Burke's Orchestra.
- Big 20th Anniversary Sale now on, McLaughlin and Boyle.
- Reserve Friday, 20th November, Rummage Sale, Holy Name Hall.

- We need a large quantity of Capons and Chickens for Tuesday. Premium paid on heavy birds. Also buying live fowl. Buying 6 until 12. R. L. Dickieson, New Glasgow.

AMHERST, N.S., Nov. 6 (Special)—B. B. (Bus) Jones of Burnside was top man in the mink show here this year at the Maritime Winter Fair. George A. Callbeck of Summerside was second. They were far ahead of other exhibitors.

Mr. Jones had an aggregate of 192 points. Mr. Callbeck had 131. Ten points are awarded for a championship. In the classes a mink is given a point for every animal in the class. The number of points in an individual class depends on the number of mink in it.

Mr. Jones finished his victory string this morning with a clean-up of first places and all the championship ribbons, including the grand championship in the Aleutians. He also won the female championship ribbon in the class. Yesterday Mr. Jones had cleaned up all the championship ribbons, including the grand, in the Stewarts. He also won the female championship in the Breath of Spring Platitudes. Thus he retained the title of top showman which he took here a year ago.

Mr. Callbeck completed his victory string this morning by taking all of the championships, male, female and grand, in the sapphires. A few minutes previously he had taken the male and grand championship ribbons in the pastels. He also had some strong winnings yesterday in some of the earlier classes judged.

Edmundston Coldest Spot in Maritimes

HALIFAX, (CP)—Temperatures in the Maritimes Thursday night dipped to the lowest levels of the season so far.

Edmundston, N.B., near the Quebec line was coldest with a 14-degree reading. Fredericton reported an 18.

Saint John's 22 degrees equalled the all-time low for the date set in 1933. A 28-degree reading at Yarmouth, N.S., also equalled the local record.

Along the south coast of Nova Scotia the ground froze for the first time this fall. Halifax had a low of 26 and Sydney 25. Charlottetown reported 28.

Quarrel In Nfld. Over Fish Buying Procedure

ST. JOHN'S, Nfld., (CP)—A low-level name-calling contest between fish merchants and the Newfoundland government has developed over a proposal to pay the fishermen an advance of \$1.50 per quintal on fish sales this fall.

The government offered to put up the money but asked that the merchants make the advance to the fishermen, collecting from the government later.

The merchants refused on grounds that the government plan would result in varying final prices to fishermen. Also, they said, individual merchants didn't have the money in the till, having already gone to the banks on this fall for the cash to buy fish.

"Water Street Gang"

Fisheries Minister W. J. Keough retaliated with the announcement that the government would pay the fishermen direct. He called the trade's action typical merchant obstructionism and failure to cooperate.

Upon his return from Ottawa Premier Joseph Smallwood jumped into the fray. He dubbed the merchants "the Water Street gang" and hinted that sweeping changes in the market set-up would be introduced.

The merchants termed the premier's remarks "petty childishness" and imputed a "deliberately mischievous intent." They challenged the premier to nationalize the industry, "and make a complete mess of it."

In reply the premier challenged the merchants to prove their ability and sincerity by paying the fishermen prices at least equal to those paid last year.

- Auto and Farm Supplies, 203 Great George Street, Sales and Service. Complete line of De Laval Milk Separator, Water Pressure Systems, Automobile Parts, Oils, Greases, etc.
- A grand time for all, big masquerade dance, Mt. Stewart Canadian Legion Hall, Saturday, Nov. 7. Admission 50c. Jackie Doyle's Orchestra. Old time and modern dancing.
- Poultry Wanted. Buying live and dressed poultry daily, except Saturday. We weigh and pay for live birds on farm. Phone collect for pick up service. Day 9636. Night 7888. Central Egg and Poultry Station, Grafton Street, Charlottetown.
- Buying pigs and fowl Monday at Fredericton; Tuesday, Brookfield 9 a.m.; Milton 10; York 1 p.m.; Bedford 2; Tracadie 2:30; Mt. Stewart 3; Pisiquid 3:30; Fort Augustus 4; Waterville 4:30; Vernon River 5; Pownal 5:30; Wednesday, New Glasgow, 9 a.m.; Wheatley River 10; Holmes' Corner 11; New Haven 1 p.m.; Bonshaw 1:30; DeSable 2; Kelly's Cross 3; Emerald 4; Clifton 5; Kensington 5:30. Paying \$28.00 a pair for good pigs over 35 lbs. each. Will also buy smaller ones. Knud Jorgensen.

British And U. S. Envoys Hear Details

BELGRADE, (AP)—Yugoslav foreign secretary Koca Popovic called in the diplomatic envoys of Britain and the United States Friday night and laid before them this country's proposal for ending its quarrel with Italy over Trieste.

Details of the Yugoslav plan were not disclosed officially.

Persons in a position to know said, however, it covered three major points to end the fiery dispute resulting from the Anglo-American decision of Oct. 8 to turn Trieste Zone A over to Italy.

As reported by these sources the Yugoslav proposal, announced at a meeting to which British ambassador Sir Ivo Mallet and American charge d'affaires Woodruff Wallner were summoned hastily, covered these points:

1. A denunciation by Yugoslavia of the new outbreak of violence in Trieste which this country's official press and radio has called upon the Western powers to halt through stern measures.
2. An urgent request that Britain, France and the United States press for a conference soon, as proposed by their foreign ministers in London last month, with Italy and Yugoslavia participating, in an effort to find a solution.
3. A suggestion of where and when the conference should be held. The details of this proposal were not disclosed beyond an unofficial report that Popovic suggested the meeting be held "in the general area of Europe" as soon as possible.

200-Acre Farm Sells For \$110,000

BRAMPTON, Ont., (CP)—A slice of the industrial boom: A 200-acre farm near Brampton, 12 miles northwest of Toronto, was reported Friday to have been sold by farmer Rankin Kellam to an electronics firm for \$110,000.

The sale, which would not disclose the name of the company.

MOSCOW, (Reuters)—British ambassador Sir William Hayter had a 20-minute talk Friday with Foreign Minister Molotov. It was the ambassador's first meeting with Molotov since he arrived here Oct. 2. The British embassy said it was "purely a courtesy call."

Second Van Alstine Quadruplet Dies

LANSING, Mich., (AP)—The second of Lansing's Van Alstine quadruplets died Friday. Donald Ray, first of the quadruplets born Oct. 26 to Mrs. June Trollman Van Alstine, had lived in an incubator since birth. The fourth-born of the quads, another boy, died a day after his birth.

Socony-Vacuum Cuts Gasoline Price

NEW YORK, (AP)—Socony-Vacuum Oil Co. today reduced wholesale gasoline prices by an average of one-quarter cent a gallon in its 15-state eastern marketing area which extends from the Carolinas to Maine.

At Albany, N. Y., the price was lowered to 16 cents from 16.2. In Boston and Providence it was cut 3-10ths of a cent to 16.1 cents.

Other major producers are expected to follow suit.

Federal Gov't To Assist Cobalt Bombs Purchase

TORONTO, (CP)—Health Minister Martin said Friday the federal government has approved financial assistance towards the buying of two cobalt 60 beam cancer therapy bombs for installation at Hamilton and Windsor.

In a speech prepared for delivery at the official opening of the Ontario Cancer Treatment and Research Foundation's cobalt beam therapy bomb clinic here, Mr. Martin said the bombs will be sent to Hamilton and Windsor by next spring.

"The province's two remaining university centres, Ottawa and Kingston, may be expected to complete construction arrangements for the receipt of cobalt 60 bombs soon after," he added.

Barn, Cattle, Horses & Crop Lost In Fire At S. Granville

Fire yesterday evening completely destroyed a large barn, 12 head of cattle, two horses and the complete year's crop of Mr. Sheldon Abbott, South Granville, about a mile from the pavement at the Bradalbane crossing.

The fire started from an overturned kerosene lantern which Mr. Abbott's son had in the loft, putting down feed. Neighbors rallied from far and near but were unable to do little to prevent the rapid spread of flames. The dwelling and a hen-house were saved from the disastrous blaze by the combined efforts of the volunteer fire fighters.

Mr. Abbott was away from home at the time of the fire, helping a neighbor harvest his turnips. He had just finished putting his own grain in the barn the day before. All his grain was threshed and in the bin. A ton of timothy seed was destroyed in the blaze.

There was a very small amount of insurance covering the loss which is estimated to run between four and five thousand dollars. Mr. Abbott had purchased the farm only about six years ago. It was formerly the David MacLeod homestead purchased from Mr. Peter MacLeod of Bradalbane.

Gordon Building Sold To Maritime Electric Company

Another large real estate deal was completed in the city this week when the Eastern Trust Company, acting for the Gordon Estate, sold the Grafton Street property to the Maritime Electric Company which has occupied the premises for approximately 20 years.

The three storey brick and stone building was originally built for the late Mr. Daniel Gordon by the contracting firm of Henry and Samuel Lowe, later known as the Lowe Brothers. The property with a frontage of approximately 40 feet and depth of 80 feet has been in possession of the Gordon family for the past 65 years.

The first tenants were the furniture firm of Mark Wright and Company. That business was later purchased by Beer and Weeks Company and the store reopened in 1926. Following the removal of Beer and Weeks, there was a succession of tenants with a billiard parlor having occupancy on the second floor when the Maritime Electric first took over the ground floor. The billiard room was moved to the third floor later and afterwards the Electric Company took over the whole structure. The original building on the lower block of Grafton street was once the home of the Charlottetown Woolen Mills.

To Consider Civil Service Salary Increase Demands

OTTAWA, (CP)—Demands by the Civil Service Federation for salary increases for Canada's 331,646 permanent and temporary federal civil servants will be considered by the cabinet during the next few weeks.

Prime Minister St. Laurent advised the federation of the cabinet's study in a letter made public Friday. However, he asked the federation to bear in mind that most federal civil servants have been granted the five-day week and that the Superannuation Act has been extended to cover temporary employees.

"I expect that the cabinet will consider this matter in the next few weeks, when it has the relevant facts placed before it and the views and proposals of the civil service commission," Mr. St. Laurent said. "I will ensure that the cabinet is made aware of the views of your federation."

Island Showmen Leave Amherst For Royal Winter Fair

Senator Craigmillie won top place honors for the standard bred trotters shown to harness at the Amherst Winter Fair yesterday. The horse is owned by Mr. T. H. Ramsay, Port Elgin, N.B.

In second place was G. Ann C. owned by Mr. George Callbeck, Summerside, while Pixie Girl, owned by Mr. R. S. Humphrey, Kensington took third honors.

Showmen last night shipped four carloads of cattle from Amherst to the Royal Winter Fair at Toronto. In the shipments were a car of Ayrshires from the herd of Boswell and Sons, Victoria, P.E.I.; another car of the same bred by S. C. Oland, Bedford, N.S.; a car of Jerseys by Edison B. Mutch, North River; and a composite car of Shorthorns shipped by H. F. Carber and Son, Aulac, N.B.; Cyrus Eaton, Upper Blandford, N.S.; Wylie Mitchell, Amherst; and W. R. Truman, Aulac.

Earlier this week two square dancing teams from here performed. They were the Y.M.C.A. Juniors and the Charlottetown Wanderers.

It was reported that Mr. Almon Boswell, well known Island breeder of the Yorkshire-type hogs, Dunstaffnage, would not be going to the big fair at Toronto this year. Mr. Boswell was not available for comment last night.

Troops Due At Quebec Monday

OTTAWA, (CP)—The 1st Infantry Battalion of the 27th Brigade will dock at Quebec Monday night, army headquarters said Friday.

The 30 officers and 806 men embarked from Rotterdam last Monday aboard the liner Samaria.

The troops will board trains soon after the ships docks to proceed on rotation leave. After leave, the battalion will concentrate at Camp Petawawa, Ont., and will be re-designated as a component of the newly-formed Canadian Guards Regiment.

German girls who married Canadians while they were serving in Europe will arrive in Canada later.

City Resembles Battlefield As Rioters March

TRIESTE, (CP)—Infuriated mobs, armed with hand grenades, sticks and chair legs, fought a series of pitched battles with Trieste police for seven hours Friday. The rioting ceased only after British and American occupation troops moved in with fixed bayonets.

The Allied military government announced Friday night that four demonstrators were killed and about 30 wounded Friday by police gunfire. Three police were injured by a hand grenade.

Two demonstrators were killed and 15 wounded Thursday for a total of six dead and 48 injured in the 72 hours of rioting which was touched off by a police ban on flying the Italian flag over city hall. Many of the demonstrators were Italian students and three of the dead were 15-year-olds.

The Adriatic port resembled a battlefield Friday night as bands of demonstrators roamed through blood-spattered streets past broken glass and cafe chairs.

Sympathy Demonstrations

British and American troops guarded key buildings along with the British-trained Italian-Slav police. The troops had not yet fired a shot and were ordered not to use their weapons unless directly threatened.

It was reported that martial law might be proclaimed if the situation became worse.

The riotous demonstrations were accompanied by sympathy outbreaks against the Allies in Rome and 14 other Italian cities.

Italian diplomats in London and Washington were ordered to protest the bloody incidents, backing up protests from Trieste city officials.

The Italian foreign ministry said Friday night Prime Minister Pella had called ambassador Manlio Brosio home from London for consultations.

The British and American governments both blamed "irresponsible elements" in Trieste, as did the Allied commander, Gen. Sir John Winteron.

A London foreign office spokesman told newspaper men the implications will be studied in relation to the eventual Anglo-American evacuation of the free territory's zone A—the area due to be turned over to Italy. That plan has run into a snag in the militant opposition of Yugoslavia, which occupies zone B.

The rioting began Wednesday—the Italian Armistice Day of the First World War—during demonstrations for the return of Trieste to Italy.

NORTHERN SPACES

The Danish navigator Vitus Bering named Alaska after an Eskimo word meaning "great lands."

heard their demands for censorship of mail from home.

Unwelcome Mail Stopped

The captives, described as refusing repatriation by the Reds, protested that letters were intended to "intimidate, slander, coerce and humiliate" them into returning home. Thimayya said Unwelcome mail was ordered halted.

While the prisoner explanation outlook grew bleaker, Allied-Communist efforts to set the time and place for the Korean peace conference unexpectedly made some progress.

The Communist agreed to permit lower-level staff advisers, meeting in secret sessions today, to take up the issues of time, place and composition of the peace conference.

PoW Interviews To Stop If Red Tactics Continue

PANMUNJOM, (AP)—The Indian chairman of the Neutral Nations Repatriation Commission declared Friday that prolonged Communist interviews with war prisoners are useless and "inhuman" and may be halted unless Red tactics change.

"I am reluctant to order my guards to use the force required to hold these wretched men in front of the explainers," Lt.-Gen. K. S. Thimayya told a press conference.

"It is inhuman. I can't stand any longer to go in the explanation tents and look at it myself," Thimayya also disclosed that two Indian officers had been held hostage in the pro-Communist prisoner camp by 22 Americans and one Briton until the commission night were ushered into the court, all charged with "wantonly discharging a firework in the street."

Once inside the court's two chambers, most of the students pleaded guilty to the charges and paid small fines.

But ushers repeatedly had to call for silence when the students related their side of the story.

Some snarled proceedings by insisting on calling witnesses from the shouting, jeering throng outside—an almost-impossible job.

The hearings were the aftermath of a wild outburst Thursday night in London's West End, climaxed by a march of 10,000 university students and other young people on the Houses of Parliament.

Major MacRae Is Awarded Premier Breeders' Shield

AMHERST, N.S., Nov. 6 (Special)—Major MacRae, senior member of the firm of A. MacRae and Son, accepted the Premier Breeders' Shield here this afternoon after the MacRae herd had made a strong finish in the closing events of the Ayrshire competition and placed the veteran breeder at the top of the list. S. C. Oland won more prize money but a number of other men and purchased into their herd. The Olands won the premier exhibitor's shield and their herdman, Island born George Durrach, was happy and proud as he saw Lamond, the Linwood farm manager, go out to accept the shield.

The Island victory was enhanced by the fact that the Ayrshires from the province won the inter-provincial herd competition as well.

The Keith Boswell and son herd from Victoria also made a splendid showing in the heavy competition. They had several firsts, a half dozen seconds, three thirds, a flock of fourths, several fifths and as many sixths, plus ribbons and they had the female junior champion too. Their young stock was particularly good.

George Boswell, showing cattle under the herd name of the estate of George L. Boswell, had a second, several thirds, a fourth, a bunch of fifths and a sixth.

The MacRae herd took some ten firsts, three seconds, six thirds and several ribbons in all of the remaining placements.

Female Champion

The senior female and grand female championships went today to the Truman cow, Prospect Blossom.

(Continued on page 8 Col. 3)

Premier Macdonald Home From Scotland

HALIFAX, (CP)—Premier Angus L. Macdonald came home from a six-week vacation in Scotland Friday with a cold and a commitment, of sorts, on his rumored retirement.

In top humor after his trip, the smiling 63-year-old former navy minister said of his future: "I will retire... sometime between now and my 90th birthday."

He had excuse for his cold, too. He blamed it on the switch from kilts to more conventional garb when he visited London.

In Scotland, Premier Macdonald participated in ceremonies at Edinburgh Castle and attended the Gaelic Mod at Oban. He was accompanied by Mrs. Macdonald.

"They understood my Gaelic," said the premier, an ardent student of the Celtic tongue.

Appointment To P.W.C. Staff

Mr. Robert E. Lightfoot, of Brantford, Ont., has been appointed to the teaching staff of Prince of Wales College, it was announced this week following a meeting of the Provincial Cabinet. He succeeds Dr. Henri Blanchard, former vice principal of the College, who returned to duty after his retirement when the French teacher of the past term left to return to Dalhousie University.

Mr. Lightfoot obtained his Master of Arts degree in modern languages at the University of Toronto, and has spent the past two years taking post-graduate work at the Sorbonne in Paris. He will start his new duties here the first of next week. The former teacher of French at the College was Mr. H. E. Aitkens.

New Case Of Hog Cholera

OTTAWA, (CP)—Discovery of a new case of hog cholera on a farm in Essex County, Ontario, was reported Friday by the Agriculture Department.

Seventy-four hogs are involved on the farm, which is between Windsor and Amherstburg. The department said they had been fed garbage. The animals will be destroyed immediately and the carcasses buried.

It was the first case of hog cholera in Ontario reported in more than two months.

HALIFAX, (CP)—The Dominion Weather Office here says an intense storm, centred off the Virginia coast has caused snow, rain and strong gales from North Carolina to Cape Cod. This poor weather is moving northward with the storm and will spread into the southwestern Maritimes on Saturday, continuing in many regions on Sunday.

Regional forecasts:

Prince Edward Island, eastern N. B. counties, upper St. John river valley: Cloudy; wet snow by evening; east winds 20 increasing to afternoon to east gales 35. Low-high at Charlottetown 23 and 40, Moncton 20 and 40, Edmundston 15 and 35.

Lower St. John River valley: Cloudy, with wet snow beginning about noon, changing in the evening to rain; northwest winds 20 increasing about noon to northeast gales 45, gusts to 60. Low-high at Fredericton 15 and 40, Saint John 22 and 40.

Outlook for Sunday—Rain.

Bay of Chaleur: Clear, clouding over in evening; cold; light winds increasing in afternoon to east 18 and by evening to east 25. Low-high at Campbellton 18 and 35.

Outlook for Sunday—Rain and wet snow.

High tide today at Charlottetown at 11:34 A. M. and 10:40 P. M. Summerside tide eighteen minutes later than Charlottetown. Sun rises today at 6:59 A. M. and sets at 4:54 P. M.
