

Robertson Library

Attention: Members of the University Community

The Robertson Library has two Conference Rooms available for meetings from Monday to Friday from 9:00 a.m. - 10:45 p.m. Conference Room "A" - maximum 16 seats Conference Room "B" - maximum 12 seats. For reservations please contact the Librarian's Secretary, Local 334.

The Robertson Library Research Rooms are now being booked for the summer period May 1, 1975 - August 30, 1975. Please contact the Librarian's Secretary, Local 334, for reservations.

Aims & Objectives

During the Aims & Objectives Teach-In the point was raised several times that although there were many excellent ideas suggested, the Teach-In would probably have little effect and would simply end in indecision. For those who are interested in establishing procedures to give more strength to student recommendations, there will be a meeting on Thursday from 2:00 to 4:00 in room 171 New Library.

Pig & Whistle

This Thursday at the Pig and Whistle music will be supplied by "Roughhouse" Adm 75¢ 8:30 - 12:30 in the Barn

CADRE Contest Cancelled

The "CADRE" has been forced to cancel its "Can You See Pavement on Campus Contest". This is due to the far-sighted wisdom of the Maintenance Department. It knew that eventually the snow would melt.

Variety Show Winners

First: Pat Nicole
Second: Art Laffin and Margie Carmichael
Third tied between first floor Bernadine and Day Students

--------------------------------------	--

If you are an engineer, this chair could be yours.

This is where you could find yourself if you become a Maritime Engineering Officer in today's Canadian Armed Forces. The Master Engineering Control centre of one of our new DDH 280 Destroyers.

No boilers. No stokers. No sweat!

The power within these beautiful ships comes from jet turbine engines. The machinery that heats, cools, ventilates and provides water throughout these ships is the latest.

Maritime Engineering Officers on these ships work with some of the most sophisticated equipment in the world...with expertly trained men who are as proud of their work as they are of their ships.

If you're studying engineering, think about this Officer's job. It's a very special one. It could take you anywhere in the world!

GET INVOLVED WITH THE CANADIAN ARMED FORCES.

Directorate of Recruiting & Selection, National Defence Headquarters, Box 8989, Ottawa, Ontario K1A 0K2

Please send me more information about opportunities in the Canadian Forces of Maritime Engineers.
