### Nursery Club Officers Named At Meeting Held In Montague

MONTAGUE -- The week of prayer services continued at the St. Andrew's Presbyterian Church Montague, last night with a good attendance. Rev. D.A. Campbell conducted the service and lead in prayer. Rev. J.M. Fraser, the speaker for the evening chose as his subject "love" and read First Corinthians chapter 13. He stressed the point of the love of a child for its mother, quoting "neither height or depth, nor any other creature shall be able to separate us from the love of God which is in Jesus Christ our Lord". A special anthem "All Through The Year" was sung by the choir. Congregational hymns were "Up To The Hills", "We Praise Thee O Lord", "All The Way My Saviour Leads Me", "Oh Save To The Rock That Is Higher Than I". The organist for the evening was Mrs. Elsie Waterworth. Tonight the service will be at Trinity United Church at 8 p.m. When Rev. G.J. Steeves of the United Baptist Church, Montague will be guest speaker.

### Week Of Prayer Service Crowds S. Paul's Church

A great congregation that filled the Church to overflowing gathered in S. Paul's last night for the third service in the local observance of the Universal Week of Prayer. In the absence of the Rev'd. Canon J. T. Ibbott, the service was in charge of the Rev'd. Canon E. M. Malone, who was assisted by the Rev'd. A. Frank MacLean and the Rev'd. H. L. Milton who read the Lessons, and the Rev'd. T. H. B. Somers who offered the intercessions. The Chancel Choir under the direction of Mr. H. John Harris led the praises and sang the anthem in honour of the Birth of the Redeemer. Basing his remarks on the story of our Lord's anointing by the woman in the house of Simon, Canon Puxley delivered a most moving address outlining the way in which Christ's Kingdom has come among men and how it can now be entered and shared by all who feel their need and inadequacy. Treating particularly of our Lord's ministry of healing, the Canon pointed out that the same curative powers are available today for those who are sick emotionally and mentally, as well as physically and morally. Emphasizing the tremendous healing power of prayer both directly and indirectly, the sermon proclaimed the Gospel in its power and effectiveness today just as in the days of our Lord. The large and reverent congregation listened most intently to the message of this gifted preacher. At the conclusion of the service it was announced that the service on Thursday evening will be held in Trinity United Church.

## Canadian Parole Board Named By Federal Gov't

By DON PEACOCK Canadian Press Staff Writer OTTAWA (CP) — A four-man National Parole Board was appointed Wednesday to carry on and expand major reforms in Canada's prison parole system. Justice Minister Fulton named 40-year-old Magistrate Thomas George Street of Welland, Ont., as \$16,500-a-year chairman of the board. The minister said "it is hoped that the new board will be in operation by Feb. 1." It will replace the justice department's 60-year-old remission service.

OTHER MEMBERS Other members of the board are: J. Alex Edmondson, 55-year-old director of endowment and public relations at Queen's University, Kingston, Ont. Frank Patrick Miller, 47, an assistant director of the remission service. Edouard Dion, 45, Crown attorney at New Carlisle, Que. They will receive \$15,000 a year, effective Jan. 1. The appointments are for 10 years. The new board will operate under the Parole Act approved by all parties at the last session of Parliament. It replaces the Ticket of Leave Act, under which Canada's parole system had operated almost unchanged from its inception 60 years ago until about five years ago.

### CONCERTED EFFORT

Beginning then, a concerted effort was made by the remission service under director Allen J. MacLeod to provide at least a degree of supervision by trained workers for parolees. In 1949, of 307 prisoners released on ticket of leave before completing their full prison terms, only 87 came under supervision of social workers or provincial probation officers trained in the problems a parolee faces in returning to society.
