

Rev. Blaikie Ordained At Brookfield Church

In the presence of a large congregation last week at Brookfield Church, the Presbytery of P. E. I. solemnly ordained Rev. Laurence E. Blaikie to the Holy Ministry.

Scouts Busy At Camp Buchan

Seventy Scouts went joyously under canvas at Camp Buchan yesterday at 3 p.m. Tents were all set up and supper served at six o'clock.

During the nine days that the boys will be in camp, they will enjoy swimming, baseball and other athletics. Training will be given in tracking, axmanship and tree identification.

Steps were taken following a resolution brought in by Mr. George Anderson, chairman of the resolution committee, to form a committee to take definite steps towards the acquiring or erecting of a building suitable for a Playhouse.

Other resolutions which were passed included one asking that definite plans for an entry in the Dominion Drama Festival be made before the end of August.

The slate of officers, brought in by Mr. Eric MacGregor, was adopted as follows: Hon. President, Lieut. Governor T. W. L. Prowse; President, Gwynneth Patterson; Secretary, Barbara G. Rogers; Treasurer, Lillian Duchemin; Business Manager, George Abbott, Esq.

Encouraging Reports Reports by the various committees showed that the past season has been one of the most successful to date, with five evenings of entertainment being provided for the members.

Plans Made For Visit Of Callow Coach Plans are being made by a local committee for a visit here next week of the Walter Callow coach in the interest of wheelchair cases, both young and old.

Entertains At Tea Mrs. Preston J. Kennedy, Kensington, entertained at tea on the afternoon of July 2, in honor of her sister, Miss Jeanette Orr, Dean Junior College, Franklin, Mass., and Mrs. Charles Smith, Calgary, Alberta.

Police Court—In City Police Court yesterday before Magistrate Martin, two men charged with care and control of a motor vehicle while their faculties were impaired by alcohol were fined \$100 each, a third was sentenced to 7 days and another was remanded until the 7th.

Change In Farm Prices Since 1906 Perhaps the dollar is not worth as much today as it was shortly after the turn of the century certainly it bought more then; but perhaps there were not so many dollars to go around.

Former S. A. Head Here Visits City Senior Major Ernest E. Hutcherson who was transferred from his post as officer in charge of the Salvation Army Corps here two years ago to a position at Ottawa, was a visitor to the city yesterday while en route to his new assignment at St. John's, Nfld.

To Introduce Perfection Evaporated Milk In P. E. I.

Prime Edward Island's largest dairymen organization, Central Creameries of Charlottetown, Summerside and Souris, will soon introduce to the public a new product, Perfection Evaporated Milk.

It will take its place alongside such high quality Island products as Perfection Ice-cream and Perfection Brand Butter; both of which have long established reputations for purity, flavor, and all around excellence.

Perfection Evaporated Milk when it goes on the market, will be the result of two years of intensive study by Dr. J. O. Albert, B.S.A., Ph.D., the company's bacteriologist, and a number of American chemists, widely experienced in research work.

Because of this enamel lining, the milk does not come in contact with raw tin or lead. It will not change its color if the can is left open, and its flavor, color and lasting qualities will be retained indefinitely.

It will be absolutely safe for baby formulas; it will be of great assistance to housewives in the preparation of desserts; it will whip easily like thick fresh cream; it will be unexcelled in coffee or tea.

The new product is doubly sterilized—sterilized before and after it goes into the can. It will be vacuum packed by a new process that removes water and does not affect the flavor of the milk. The milk is more like fresh milk than any other canned milk ever placed on the market.

Most certainly the new container lined with golden enamel is a new departure in the packing of this type of milk.

Stimulating Effect When the product is being placed on the market by Central Creameries, its sale will have a stimulating effect on the whole dairy industry of the Province.

The new Plant in which it
