500,000 Steel Workers Affected By Huge Walkout In United States

By ROMAN MAGERA Canadian Press Staff Writer. The steel strike in the United States, resumption of the Big Four foreign ministers talks in Geneva and Russian Premier Khrushchev's visit to Poland made newspaper headlines during the week.

The strike pulled 500,000 members of the United Steelworkers of America from steel mills. Workers at iron ore mines, Great Lakes ore carriers and other steel operations were immediately affected.

The outbreak was first suspected when several boys complained of abdominal pains. The camp is near Ijmuiden, Holland. A typhoid outbreak hit three nearby towns earlier, affected several thousand persons and the populations were warned to cook all food carefully.

The strike also was felt in Canada, which imports about 25 per cent of its finished steel needs. However, the country appears capable of staffing the loss for at least six weeks.

More than 250 men employed in the iron-ore pits and smelter of the Marmorator Mining Company at Marmora, Ont., a subsidiary of the Bethlehem Steel Corporation of America, joined the U.S. strike. Their contracts are arranged from the U.S.

There was no sign of an early strike settlement. At issue is the union's demand for a wage increase estimated at more than 15 cents an hour. The industry wants to freeze wages for a year. The pre-strike wage averaged \$3.10 an hour.

Podola emigrated to Canada in 1955 and was deported last year. He is now in a New York hospital. Drug addiction, alcohol, hepatitis and heart trouble finally took their toll.

She entered hospital May 21 after collapsing in her home. The illness was diagnosed as a combination of heart and liver ailments.

QUEBEC'S WEEK In Quebec province, Premier Duplessis squelched rumors of a general provincial election this year by announcing two bye-elections for Sept. 16. One is to be in Labelle riding in northwestern Que, the other in Lake St. John constituency in northern Quebec.

Premier Duplessis said his government has called nine bye-elections since its re-election to office in 1956 and has won all of them. Since Jean Lesage was chosen Quebec party leader in 1956, the Liberals have not contested any bye-elections. Mr. Lesage has described them as "Union Nationale 'bear traps.'" He did not indicate immediately whether his party will contest the September bye-elections.

In Montreal, Dr. Cyril James, principal and vice-chancellor of McGill University who has been criticized by Mr. Duplessis for praising Russia's system of education, said that within 12 years Russia's standard of living will be on a par with that of Canada and the United States.

Dr. James said the Russian advance cannot be attributed to adherence to Communist dogma and theory but to the incentives given and to education. The free world should realize this, he said, and learn to live with Russia, since both that country and the free-world were working hard to improve standards of living—a common goal.

THE MARITIMES WEEK For the second week in a row, fires held the spotlight in the Atlantic Provinces.

The most recent was at South Nelson, N. B., Thursday, where \$1,000,000 damage was caused by a fire that destroyed a sawmill, chipboard plant and power house. An estimated 200 men were thrown out of work.

The buildings, Chatham Industries Limited and Trafalgar Mills Limited were owned by New Brunswick Lieutenant-Governor J. Leonard O'Brien. No one was injured.

Persistent forest fires kept crews on the jump in Labrador during the week. On Thursday a total of five were reported. One, that ate through 14 square miles of virgin timber, was described as the worst in Labrador's history.

Tuesday the fog-shrouded, becalmed Halifax harbor was the scene of the finish of the biennial Marblehead, Mass.-Halifax yacht race.

Magie Carpet, a 55-foot river-side, Conn., yawl won the 360-mile race with a corrected time of 46 hours, 46 minutes and 56 seconds.

A polio outbreak in Newfoundland was termed an epidemic by health officials with 13 cases reported. All the victims were children, none had been inoculated. One child died.

Iron lungs were flown from Montreal and Nova Scotia. Eight of the 13 victims were placed in the lungs and chief health officer Dr. A. McDermott described all cases as serious.

A Newfoundland government suit alleging breach of contract by Central Mortgage and Housing Corporation, a federal government agency, was adjourned Tuesday for the second time.

Lavoye Fabian O'Dea, representing CMHC, said the Newfoundland Supreme Court didn't have jurisdiction in the case.

The suit was adjourned to sometime in August.

IN MEMORIAM

MacRAE — In loving memory of my dear brother Roland, who passed away July 18th 1958. Always remembered by sisters and brothers.

DEATH NOTICE

ROBERT ROY MUTCH It was with deep regret that the relatives and friends of Robert Roy Mutch learned that he had passed away at his home in Earncliffe on June 7th, 1959.

The deceased was the son of the late Robert Mutch and Robert Stewart, born at Earncliffe on July 31st, 1889. He spent his lifetime in the same community as a progressive farmer. In 1919 he married Katie Lea who predeceased him in 1941. In 1949 he married Colia Sherwin MacKinnon.

Despite the fact that Mr. Mutch had not been rugged in health, having spent much time in hospital during the past three years, he was always of an unusually bright and cheerful disposition, bearing his sufferings with true Christian fortitude and making the home a place of most kindly hospitality. He was a good neighbour and a loyal friend to all who knew him, and took an active interest in the community at large.

He was an elder and a highly esteemed member of the Cherry Valley United Church, contributing generously to its work in every way, especially by his regular attendance when his health permitted.

Left to cherish his memory and mourn his passing are his wife, who tenderly nursed him during his lengthy illness three sons: Leif in Yukon; Frank and Brent, Earncliffe; three daughters, Quentin (Mrs. Robert MacKinnon), Cross Roads; Evelyn (Mrs. Kenneth Jenkins) Mt. Herbert; Ruth (Mrs. John MacLeod), Cherry Valley; three step-sons, Douglas MacKinnon, Portland, Ontario; Leslie MacKinnon, Dawson Creek, B.C.; Robert MacKinnon, Yukon; five sisters, Louise (Mrs. George Jack) Big Valley, Alta.; Helen (Mrs. Gordon Barker) Calgary, Alta.; Dorothy (Mrs. Harold MacPhail) Randolph, Mass.; Jean and Hazel, Earncliffe; one brother Houston, Earncliffe; also twelve grandchildren.

The funeral which was very largely attended was held on June 9th from his late residence to the Cherry Valley United Church where the service was conducted by the Rev. N.R. Green, assisted by the Rev. J.M. Sheen. The hymns sung were "Will Your Anchor Hold" and "Safe in the Arms of Jesus". Mrs. Frances MacRae rendered a solo "In the Sweet Bye and Bye". The pallbearers were George Hayden, Luke Praught, Edward Carrier, Bernard Doyle, Clarence MacPhee, and Alphonse Morrissey. The flower-bearers were Brent MacKinnon, Dale Nelson, Ralph Irving, Kenneth MacEachern, Kenneth Lea and Lawson Lea.

He was tenderly laid to rest in the family plot under a wealth of beautiful flowers given by his family and friends in tribute to a beautiful life.

He lived for his Saviour on earth; he now waits the coming of his loved ones to meet him in Heaven.

CARD OF THANKS

The family of the late Robert Roy Mutch wish to thank Dr. Stewart MacDonald, Dr. Leislaw, the nurses and staff of the P.E.I. Hospital, the Clergymen, and all relatives and friends who so kindly presented Gideon Bibles, sent flowers, cards and messages of sympathy, and to all who helped to ease the burden of their sad bereavement.
