THE FAMILY LIFE MEDICINES.

THE celebrated *Life Pills* and *Phœnix Bitters*, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York may now be said to be the most respectably established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, but what is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminent position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established medicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phœnix Bitters. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholic, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phthisic, or Consumption, in more advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons Diarrhœa, both serous and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principa varieties, and intermittent and remittent fevers, of all kinds; Hypochondriosis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Enanthesis, Erysipelas or St. Anthony's fire, and sallow, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidnies, spleen, throat, and pleura; jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases is, that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unprecedented variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they should be procured both by individuals and heads of families, and constantly kept on hand, not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the AGENTS.—NEW YORK May 30.

B., begs leave to notify the Inhabitants of Prince Edward Island, the neighbouring Provinces, and the public generally, that he has removed to Charlottetown, and taken that large and pleasantly situated House in Water Street, near the Queen's Wharf, which he has furnished in a neat style, and hopes, by unremitting attention, to obtain a share of public support.

ISRAEL FELLOWS.

P. S.—An excellent STABLE and COACH HOUSE attached to the premises.

Charlottetown, 27th June, 1843.

A RARE OPPORTUNITY

of combining every kind of Mercantile Pursuit with Fisheries and Farming.

TO BE SOLD, by private contract, WATER LOTS 23 and 24, in GEORGETOWN, comprising more than Six Town Lots, and more than one acre and a half, having three fronts—one on Victoria Street, extending more than six chains; on the Harbour, an extent of 168 feet; the same on Water Street. At the corner, formed by the intersection of the two Streets, stands a two-story House in progress, 32 feet by 29, conveniently laid out for the accommodation of a Retail Trade, and a suitable Residence for a respectable household. The land is sound, and of an excellent description. Here is sufficient room for the most extensive Warehouses for storing Grain, Fish, Transit or Commission Goods, and Cargoes of Vessels arriving late in the season and shut out from other ports by the ice, as well as a Retail Store; but the Retail business must be only a secondary consideration in the future commerce of Georgetown, as there is no great extent of back country to supply. The most frequented entrance to the Town will be by the Jail, for persons on business coming from the Northward and North East. The best holding ground, the most screened anchorage, and the boldest water for a Wharf, are off Victoria Street, and there is no locality more adapted for a Fishing Establishment, should a Company be formed—as no doubt there will be—than this property.

To prevent trouble, the price is £400. It has been the disingenuous and unmanly practice of some—*who said they would get it for a song*—to attempt, on all occasions, to depreciate the importance and value of this property, and deter intending purchasers. Let such, in future, examine and judge for themselves.

The Subscriber also offers for sale, Pasture Lots Nos. 2, 3, 4, 21, 22 and 23, comprising Forty-eight acres. The very best and best situated of any block of Land in the Royalty of Georgetown—most approximate to the Town—a good fertile soil—fronting 30 chains on the Common, which contains several hundred acres. There is a fine Spring on Lot 23, and on Lot 2, close by, a beautiful site, on rising ground, for a Mansion House. A great part of the land is covered with fine Hardwood. This property, in connection with the above, is well deserving the attention of capitalists who desire to invest money on very improveable landed security; or of any Company who might be desirous of combining Fishery with general Commerce and Agriculture. Price, £600 corrency, or £12 10s. per acre, which cannot be deemed unreasonable, when its peculiar advantages are duly estimated; nor is it at all figurative and illusive to anticipate that its value will rise to £100 per acre; and, in the event of a Fisheries' Company being established, the time may not be remote when it will form a pleasant suburb to Georgetown. For a view of the Premises, apply to Mr. George Parker, Lot No. One; and to treat, to the Proprietor, at Woodly Grove, Township Sixty-one.

J. L. LEWELLIN.

☞ Should the above Town Property not be disposed of before the Spring, it will then be offered by Auction in Eight Building Lots; or the Advertiser may relinquish his favourite pursuit—Farming (as his continued and unwearied efforts to advance this most important avocation have met very little countenance or co-operation)—and accept the invitation of his friends, to assist in forming an Establishment such as is above alluded to.

N. B. Sometime since a Town Lot, *without any water privilege*, was purchased for £100—not many years before, it sold for Four Pounds!! Recently, Half a Town Lot, with a store on it, or low Building, realized at Auction, about £200. This does not look like depreciation!!! Georgetown has a free port.

J. L. L.

FOR SALE.—About 18 or 20 acres of excellent Land, situate in Charlottetown Royalty—one half cleared and in a high state of cultivation. There are a good Draw-well and some small Buildings on the premises, which are within three and a half miles of Charlottetown, and half a mile from the St. Peter's Road. It is bounded on one side by the road leading from the St. Peter's to the Princetown Road, and in front and rear by roads coming out to the St. Peter's Road; on the other side by a ditch. Apply to JOHN WHEALAN, on the premises, or to EDWARD KICKHAM, Charlottetown.

THE SUBSCRIBER being about to leave this Island, requests all persons indebted to him to make immediate payment to Mr. WILLIAM A. WELSH, who is duly authorised to receive the same.

CHARLES WELSH.

PARR'S MEDICINE,

ALL THAT IS REQUIRED.

THE fine tonic properties it contains usually restore the stomach to a healthy appetite, so much envied, but so seldom enjoyed by the invalid; the gently stimulating powers it possesses assist the stomach to properly digest the food it receives; the balsamic powers it bestows, dispose both mind and body to healthy exercise, and the varied duties of life are performed with pleasure. It, in addition, contains a fine sedative quality, and instead of long and weary nights, gives sound and refreshing sleep It acts as the mildest and most agreeable purgative, and by its cleansing powers totally eradicates a redundancy of bile, and completely removes all obstructions of the intestinal canal. The powerful balsamic and invigorating effects on the whole blood and fluids produced by these Medicines is almost miraculous; many who have kept their beds for years have been so speedily reinvigorated, that their reappearance amongst their fellow-beings, who had given them up as incurable, is looked upon as the greatest of the many great wonders of this wonderful age. Diseases of every description have been cured simply by the use of PARR'S LIFE PILLS, thus showing that what has been considered different disorders, and requiring different treatment, all originated in the same cause, and can be cured by one uniform treatment. PARR'S LIFE PILLS, although powerful in conquering disease, yet are as pure and harmless as new milk, and may be administered with confidence to the invalid, however weakly from long ill-health, who will soon enjoy those delightful symptoms of a return to strong health, viz: good appetite, sound sleep, and an increase of animal spirits. Those who have been the instruments of restoring the long-lost secret to the world, feel confident, when they make the assertion, that *none need despair* that, if only a fair trial be given, the result will be a restoration to health and happiness.

The Life and Times of Old Parr, who lived to be 152 years of age, 32 pages, with engravings, anecdotes, &c., and Remarks on Disease, Health, and the means of Prolonging Life, may be had *gratis* of all the Agents for the Sale of PARR'S LIFE PILLS.

☞ Sold, wholesale, for the Proprietor, at Morton's Medical Warehouse, Halifax, Nova Scotia, and at the Store of Messrs. LYDIARD & FINLAYSON, Charlottetown.

THE AMERICAN FAMILY MEDICINE.

THAT MR. MOFFAT'S Life Pills and Phœnix Bitters have long since obtained a high and enviable distinction amid a host of competitors, and that they acquired it solely by their invariable, and almost unlimited efficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied.—While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, their renown has rapidly flown from one individual to another, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing. Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers. It is with pride and pleasure that the proprietor refers the public to his "MEDICAL MANUAL," where a widely various selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number or variety of cures effected by any medicine known to the profession, or cures of a more frightful kind or of longer standing, coming as these testimonials do from the cured persons themselves, who certainly know best, from their own happy experience, whether they are cured or not. The evidence they afford of the pre-eminent and unprecedented efficacy of these grand remedies is perfectly irresistible, and commands rather than solicits the respect of the public. In addition to those already published, the proprietor is in possession of a vast accumulation of these personal certificates, demonstrating that his *Life Pills and Phœnix Bitters* are promptly and uniformly efficacious In Scrofula, in all its hydra headed forms; Dyspepsia, whether chronic or occasional, Rheumatism, both acute and chronic, Jaundice and bilious and liver complaints, however distressing or complicated, Fever and Ague in all their varieties, and when quinine and all other specifics fail; Habitual Costiveness, (especially when the Life Pills are used as dinner pills, immediately before or after that meal,) Piles, even in cases of thirty years' standing, Dropsy, Gout, and settled pains in the breast, back, or organs, disease of the bladder and kidneys, biles, tumours, and ulcers, Erysipelas, and all other eruptive diseases; Pleurisy, Asthma, Bronchitis, and other affections of the chest, lungs and mucous members; pimples, stains of the skin, and the foul unhealthy appearance of the complexion, arising from whatever cause, nervous or general debility, headaches, and giddiness, together with a vast variety of other maladies, in proof of the speedy and effectual cure of which by these medicines alone, the proprietor has hundreds, nay thousands, of certified testimonials. Both the Pills and Bitters are mild and delightful in their operation, producing none of even the temporary prostrations and nausea occasioned by nearly all other medicines, and they can be administered with safety to young children, and females in the most delicate health. Prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—NEW YORK, May 30.
