

White Sox Control May Change Hands

CHICAGO (AP) — Control of Chicago White Sox will pass from Dorothy Comiskey Rigney to her brother, Chuck Comiskey, for a reported \$1,000,000, sports editor John Carmichael of the Chicago Daily News predicted Wednesday.

In his column Carmichael wrote that Mrs. Rigney may sell out to her brother, Sox co-vice-president, before spring practice begins at Tampa, Fla., next February.

In the will of the late Mrs. Grace Comiskey, Sox president, Dorothy was accorded 500 more shares of stock than Chuck, assuring her club control. As a result, Dorothy and Chuck have been embroiled in legal suits over disposition of stock.

Watson Best Coach In Hockey Says Ranger Boss

NEW YORK (AP) — Muzz Paterson, general manager of New York Rangers of the National Hockey League, Wednesday called Phil Watson "the best coach in hockey."

Paterson league president Clarence Campbell said in Montreal Wednesday that Watson's management to deal with incidents in the game.

Campbell said he had been reprimanded "a number of incidents at the start of the season" but that the club management had dealt with the matter.

Watson's latest trade was a surprise about the "outing" of Red Storey in a game in New York against Detroit Red Wings Sunday which Rangers lost.

Watson charged that Storey had delayed a last-minute call to give Detroit a rest.

Watson had thrown paper on the ice in protest of a call by Storey.

Watson had reprimanded Phil Watson for incidents which justifiably belong to the league office," Patrick Kelly coach, outspoken by nature at the same time not in control of the English language.
