DAMAGED BY LIGHTNING.—During the thunder squall on Saturday afternoon last, lightning struck the house of George McKenzie, of St. Peter's, C. B., smashing all the windows, flue and stove, and ripping up the floors and shingles. The family, consisting of his wife and grand children, were paralyzed. One, a girl, is seriously injured; the other, a boy, was badly scorched.

A VILLAINOUS THREAT.—A King's Co. N. B. sergeant has asked to be excused from drill this year. He recently appeared in connection with a Scott Act prosecution and as a result the threat has gone forth that his house will be burned down at the first opportunity. For this reason he asks to be permitted to stay at home and look after his property.—Sun.

THE DRUNKS SHOULD PASS.—Toronto has a property owners association. At a recent meeting, among a series of resolutions passed, was the following:

That, inasmuch as out of 11,580 arrests made by the police last year, 5,441 were drunks or drunks and disorderlies, adding much to the cost of the police force, the police court and the jail, this meeting would recommend that the council instruct the police to discontinue making arrests of persons who are simply drunk but not disorderly, and that the estimates be reduced proportionally.

Horsemen!—Come early and secure your Boots.—W. E. Dawson. ju24—1w eod

ST. PETER'S RECTORY, Derby, N. B., May 25, 1890.

To Messrs. J. F. Willis & Co., Stellarton, N. S. Gentlemen.—The piano which I purchased from you last summer has given entire satisfaction. The more frequently it is used the stiffer and sweeter becomes the tone.

R. W. HEDGELL, Rector of St. Peter's Church, Derby, N. B.

The office and warehouses of J. F. Willis & Co. are now open all the time. A new and elegant stock of pianos has just been received, and another large lot is expected shortly.

Some men's idea of economy lies in preaching it to their wives.

SPECIAL DESPATCHES TO THE EXAMINER.

A GREAT RACE.

THE RECORD BROKEN.

NEW YORK, June 25. Salvator won the match race with Tenny and made a new record for the mile and a quarter. Over 15,000 people went to Sheephead Bay race track to see the contest, one of the grandest ever seen on an American race course. Salvator won by half a head in 2.05.

An Outbreak Feared.

HALIFAX, June 25. The trouble between the Newfoundland Government and the French fishermen is still unsettled, and a serious outbreak may occur at any moment. Capt. Farquhar, of the steamer Harlaw, which arrived from Bay St. George this morning, says a conflict occurred between the natives and French at Portsmouth, one day last week, during which a number on both sides received black eyes and numerous bruises. The trouble arose from the French wanting to take bait out of the Newfoundlanders' nets. The people on the West Side are determined to pay no taxes until they receive better protection. Rev. D. Howley has gone to St. John's in their behalf.

The Cotton Syndicate Collapsed.

TORONTO, June 25. A private cablegram received to-day states that A. G. Gault, now in England negotiating on behalf of the syndicate which proposed to gobble up the cotton mills of Canada, has failed to secure the necessary support and that the scheme has fallen through. As the sugar factory scheme was being run by the same parties the despatch is taken here as indicating a collapse of the joint affair.

Hudson Bay Railway.

OTTAWA, June 25. At to-day's meeting of the cabinet it was decided to inform the Hudson Bay Railway Co. that upon producing satisfactory evidence of its ability to construct and operate 300 miles of their proposed railway from Winnipeg to Saskatchewan River, the Government would be disposed to recommend parliament to grant the company a subsidy of \$80,000 a year for twenty years. This portion of the road is considered a colonization railway, and will open up a fertile region now without railway accommodation.

Ottawa Notes.

OTTAWA, June 25. The Department of Customs has granted the privilege of allowing American horses to enter Canada in bond for feeding purposes. The fisheries Department has no information of any changes made in the Newfoundland bait tax. It is proposed to extend the weather prognosticator on service to the prairie section.

Col. Rhodes Defeated.

ARTHABASKAVILLE, June 25. A recount was held in the Megantic election to-day before Judge Plamondon when the majority of one, claimed for Hon. Mr. Rhodes, Minister of Agriculture, was changed into a minority of five, whereupon Johnston (Conservative) was declared elected.

Silver Bill.

WASHINGTON, June 25. The House to-day non-concurred in the Senate amendments to the Silver Bill, and the bill was sent back for conference.

Weather Bulletin.

TORONTO, June 26.—10 a. m. Fresh winds, showery, followed by clearing and rising temperature.

TWO ACCIDENTS.—Mr. Major Wright, we are sorry to hear, met with a severe accident while out driving on Monday. Mr. and Mrs. Wright and a child were out in a buggy when the horse took fright and jumped to one side upsetting the carriage. Mr. Wright was somewhat hurt, and it was thought for a time, that Mr. Wright was dead. He recovered, however, but is now confined to his bed. We regret to hear that Mr. Wm. McN. Simpson got his leg broken above the ankle last Saturday at Kensington. He had a load of hay with some wheels above it. The horse had moved and pulling the rein in a hurry he grasped the wrong one when the horse turned the wrong way and upset the load upon him. The limb was set by Dr. McNeill, and under his skillful treatment we hope to hear of his early recovery.—Farmer.
