Yvon Durelle Wins By T.K.O.

By W. R. WHEATLEY
Canadian Press Staff Writer
MONTREAL (CP)—Yvon Durelle retained his British Empire light-heavyweight championship Wednesday night in a savage battle with South Africa's Mike Holt who failed to come out of his corner for the ninth round. Holt appeared to collapse between the eighth and ninth rounds.

It was such a terrific slugging match that from the sixth round on it appeared one or both would drop from exhaustion.

Pit Audette, a second for Holt, said the South African couldn't breathe between the eighth and ninth rounds.

Holt sat on his stool, his face went white. His head fell back and he rolled about and manager Piet Lourens tried to revive him. It was useless.

When he failed to come up for the ninth round, the crowd of about 6,500, which had been yelling throughout the bloody scrap, let out a roar.

The fisherman from Baie Ste. Anne, N.B., and the South African tore into each other from the start.

Holt was sent down for a seven count in the third round and he dropped Durelle for a no-count in the eighth.

Durelle was bleeding freely from a cut over his left eye during the last few rounds. Holt was bleeding somewhat about the mouth and nose.

It was Durelle's ruggedness that saved him from a possible defeat. He took everything Holt had to offer and came barging back for more, landing himself with solid blows when it appeared he was in real trouble.

Holt's showing was a distinct surprise to many. He was scored ahead slightly on points by all three judges through the eighth rounds.

The heat in the forum was terrific and, plus the hot glare from the lights, seemed to take much out of both fighters.

Holt repeatedly clipped Durelle with sharp lefts and rights—a real two-fisted attack—but he was always in danger of walking into one of Durelle's haymakers.

For the eighth round, before the fight ended in a technical eighth-round knockout, the scoring by the judges was:

Judge Bobby Leitham 37-36 for Holt; Judge Johnny Gow 36-32 for Holt and Judge Rene Outmet had it 37-32 for Holt.

The Canadian Press score-card had it 36-32 for Holt.

Durelle weighed 173½ to Holt's 169.

In his dressing room after the fight, Holt said he bruised his left hand in the third round and that it pained him so he couldn't use it to full advantage the rest of the way.

He said he found trouble breathing at the beginning of the fourth round, and when the bell sounded

"I Knew I Had Him After The 5th", Said Durelle

MONTREAL (CP)—Yvon Durelle, his British Empire light-heavyweight crown retained after a bruising battle with South Africa's Mike Holt, walked calmly into his dressing room Wednesday night and said he won the fight at least a round before he expected.

"I knew I had him after the fifth round," said the 28-year-old fisherman from Baie Ste. Anne, N.B., "but I didn't think I'd be able to finish him before the 11th or certainly the 10th."

Referee Maxie Berger awarded the bout to Durelle when Holt was unable to answer the bell for the ninth.

"I will say one thing for Holt," Durelle said, fingering a one-inch cut over his right eye. "He's the hardest puncher I've ever been against."

"And he (Holt) fought real good battle," chimed in Chris Shaban, Durelle's co-manager.

As Durelle munched on a lemon and posed for photographers and briskly accepted the handshakes of well-wishers, Shaban analyzed the toughest for the dressing room crowd.

Shaban said snap-punching Holt gave him lots of anxious moments, but he said he wasn't "too

worried about the outcome of the bout."

"After the seventh, Durelle told me he was losing the strength in his arms. But I could see Holt's reserve was dwindling even faster than my boy's."

Trainer Pat Colovito swabbed the cut over Durelle's eye and said Yvon "fought a great fight, but Holt sure surprised me."

"We ran into a fellow with power we never expected to find. It was a lot tougher than we expected. But I had a feeling it would end that way."

Referee Maxie Berger, former Canadian lightweight and welterweight champion, said:

"It was the greatest fight I ever saw. Holt was the underdog, but he was just great. And he just didn't have the strength. Durelle—well, you saw it."

His bruised left hand dunked in a bucket of ice-water, Holt said he nearly beat Durelle.

"I nearly had him. One more punch and I would have been all right. It was just my hand."

Holt injured the hand when he knocked down Durelle in seventh round. He said he wasn't able to use it effectively during the remainder of the bout.

He said his breathing gave out during the fourth round and at the start of the ninth, he just felt he couldn't continue.

He said he also says the Canadian residence at Brussels for the

people use alcohol excessively."

A third report "concerns me."

Mr. Churchill wrote Mrs. Bienvenue June 10 that a report concerning her was submitted to trade department officers in Ottawa. He said that in view of differences of opinion between officers of the fair and Mrs. Bienvenue "it would be as well if your resignation were accepted."

Mrs. Bienvenue says in her letter she was hired at \$300 a month as social counsellor and chaperon of the 24 women students. However, she had been given additional duties and felt her salary should be increased to \$500 a month. Failing that, she was resigning.

Giants Topple Phillies; Braves Shade Cardinals

By THE CANADIAN PRESS
San Francisco Giants smashed 14 hits off five Philadelphia hurlers Wednesday to smother the Phils 9-2.

In the only other day game in the major leagues, Chicago Cubs swept their second doubleheader in four days, coming from behind twice to down Cincinnati 5-4 and 7-5.

By winning, the Giants stayed in the hectic race for first place in the National League. Milwaukee, leading by a half-game, had a night game scheduled at St. Louis. Pittsburgh at Los Angeles also was a night game.

MAYS FINDS RANGE
Willie Mays burst out of his batting slump with two singles and a double, and southpaw Johnny Antonelli went the distance for his 10th victory against seven defeats.

Jack Sanford, rookie of the year in 1957, was the victim of a four-run Giant onslaught in the second inning, only one of the runs being earned as the Phils erred twice.

Jack Meyer, Johnny Gray, Bob Miller and Seth Morehead followed Sanford to the plate.

The Cubs' double victory at home raised their winning streak to five straight, while the Redlegs have lost seven straight.

Bobby Thomson's two-run double in the ninth inning gave the Cubs their first-game win before 30,412 fans.

BITTER LOSS
The second game loss was a bitter one for Cincinnati since the Redlegs blasted two homers, both by Pete Whisenant, three doubles and four triples in a collection of 11 hits as Brooks Lawrence suffered his seventh setback.

Lefty Bill Henry, last of two relief pitchers to carry on for sidelined Cub starter Marcelino Solis, picked up the victory—his second against no losses.

Solis, a 28-year-old southpaw, arrived in Chicago on a post-noon plane from Fort Worth, and was put to work almost immediately.

A 15-game winner against two losses for Fort Worth in the Texas League, Solis pitched into the seventh inning before he was finally derailed.

Lee Walls and catcher Cal Neeman hit home runs for the

Cubs in the opener.

BALTIMORE (AP)—Jack Harshman drove in four runs with a pair of homers Wednesday night as he pitched Baltimore Orioles to a 6-5 victory over Chicago White Sox in the second game of a two-night doubleheader.

Chicago won the opener 6-1 on a seven-hitter by Dick Donovan.

NEW YORK (AP)—Jerry Lumpe's two-on, two-out home run in the fourth inning brought New York Yankees from behind for a 3-2 victory over Detroit Wednesday night.

Bob Turley allowed the Tigers only three hits while winning his 14th in a strike-out duel with Jim Bunning, who had won five in a row.

BOSTON (AP)—Boston Red Sox, held to a lone hit for five innings by veteran Murray Dickson, exploded for four runs in the sixth Wednesday night for a 5-2 victory over Kansas City Athletics.

Jackie Jensen, Boston's slugging outfielder, capped the uprising with a long double to right

centre scoring the third and fourth runs.

WASHINGTON (AP)—Roy Sievers' second homer of the game, a two-run blast with two out in the ninth inning, clinched a four-run rally which gave Washington a 7-6 victory over Cleveland Wednesday night.

ST. LOUIS (AP)—A pair of one-run homers by Hank Aaron and Ed Mathews in the fifth inning gave league-leading Milwaukee a 6-5 victory over St. Louis Cardinals Wednesday night.

Mathews' homer, his second of the night, tied the score, and Aaron's provided the winning margin.

Pouncing on the ball as eagerly as if they were in the heat of a Big Four league game are a trio of husky Argo linemen. From left are: Dick Fouts, Danny Nykoluk and Tex Schriever. As workouts started in grim earnest, Argos had 25 imports, 14 new home-

brews and 17 returning Canadians in camp. From these, coach Hamp Pool will cull 20 to make up his starting team. Pool is taking full responsibility for the success or failure of the team. If they don't make the playoffs he will fire himself, he announced recently.
