

# Fair Weather Forecast For All-Star Game; A. L. Favored To Win

By JACK HAND  
CHICAGO, July 10—(AP)—Hank Sauer, "the people's choice," will occupy centerfield for the National League tomorrow when the Phils' Robin Roberts faces Yankee Vic Raschi in the 17th all-star game. Trailing 12-4 in the series, the National is a 9-to-5 underdog against the booming home-run power of Ted Williams and Co. Despite the lopsided score, a capacity crowd of 49,000 will jam Comiskey Park, site of the original All-Star game in 1933. Millions more will watch and listen to television and radio reports. Game time is 2:30 p.m. EDT, with receipts going to the Players' Pension Fund.

Manager Burt Shotton of the Nationals will find himself in hostile surroundings because of the Sauer controversy. That didn't sit well with Chicago fans. Shotton, finding himself without a centerfielder in the fans' view, tried to sideline the Cubs' Sauer for his own Dodger Duke Snider. First the officials said "yes." Then they changed their minds. When the 781,533 fans who voted for Sauer started to shout, Hank went back in the lineup.

Although Sauer normally is a left fielder and not famed for brilliance afield, he'll play centre tomorrow. He'll be flanked by Ralph Kiner of the Pirates in left and Enos Slaughter of the Cards in right. Slaughter has played some centrefield.

Here are the batting orders, announced by managers Shotton and Casey Stengel (batting averages and pitching records in parentheses):

National:  
Willie Jones, Phila., 3b (.322)  
Ralph Kiner, Pittsburgh, lf (.279)  
Stan Musial, St. Louis, 1b (.350)  
Jackie Robinson, Brooklyn, 2b (.365)  
Enos Slaughter, St. Louis, cf (.326)  
Hank Sauer, Chicago, cf (.295)  
R. Campanella, Brooklyn, c (.300)  
M. Marion, St. Louis, ss (.265)  
R. Roberts, Philadelphia, p (10-3)

American:  
Phil Rizzuto, New York, ss (.324)  
Larry Doby, Cleveland, cf (.352)  
George Kell, Detroit, 3b (.365)  
Ted Williams, Boston, lf (.321)  
Walt Dropo, Boston, 1b (.343)  
Hoot Evers, Detroit, rf (.341)  
Yogi Berra, New York, c (.308)  
Bobby Doerr, Boston, 2b (.284)

## Baseball Results

NATIONAL (No Games Scheduled)		AMERICAN (No Games Scheduled)	
INTERNATIONAL			
Buffalo	100 001 0-2 8 1		
Toronto	000 002 1-3 6 1		
Harris and Novick; Robertson, Trinkle (6); Possehl (9) and Oswald.			
Springfield	100 500-6 9 1		
Baltimore	110 000-2 5 0		
(Called end 6th, rain)			
Moisan and Peden; Medlinger, Kileman (4); Piechota (6) and Kluttz.			
Syracuse at Jersey City, postponed, rain.			

## N. B. Ladies Golf Tourney Opens

SAINT JOHN, N.B., July 10 (CP)—Mrs. G. Blair Gordon of the Algonquin Golf Club held a four stroke lead over Mrs. C. L. Urquhart of the Riverside Golf and Country Club by shooting an 89, after the first 18-holes of play in the New Brunswick Ladies Golf Association championship played today at the Westfield Country Club. The final 18 holes of play is scheduled for tomorrow morning.

Mrs. Gordon, twice winner of the New Brunswick crown and present Maritime titleholder took the lead by firing a 43 for the first nine and covered the home nine in 46 strokes.

Vic Raschi, New York, p (10-6) You'll note that Shotton has Robinson batting cleanup and Kiner, the home run king, in the No. 2 hole behind leadoff man Jones, another long ball hitter.

Joe DiMaggio, picked for the 12th time, is the only ailing squad member. Joe pulled a muscle Sunday but will make the trip to appear as a pinch hitter.

Shotton says he will stick with his starting lineup as long as he has the lead. Stengel may do the same but each has 25 men.

## LITTLE SPORT

## Annual Bisley Rifle Shoot Gets Under way

BISLEY CAMP, Surrey, England, July 10—(Reuters)—Chief Petty Officer G. B. Bright of the Royal Navy today won the Southern Railway event as the National Rifle Association's annual Bisley shoot formally got under way.

Bright scored 35, the maximum possible, in the event, calling for seven shots at 200 yards.

In the Kinnaird event, three marksmen fired perfect scores of 35 and will shoot off to determine the winner. They are Sgt. G. White of the Royal Army Service Corps; Petty Officer W. F. Alsop of H. M. S. Drake and Gunner R. P. Birch of H. M. S. Drake.

The Canadian competitors included Cpl. A. T. Sharp, of Edmonton with 33. The Kinnaird's requirements are seven shots at 300 yards.

Overnight rain settled the dust on the ranges as the two-week meet got under way.

In the afternoon heavy rain fell and the Canadian team found the wind difficult on the 500-yard range in the Birmingham small arms competition. The highest Canadian score was 32 marked by CSM N. L. Beckett of Hamilton, Ont., Maj. G. C. Baker of Kentville, N. S., and Capt. R. W. Hampton of Ottawa.

Beckett is in a good position with a total of 99 out of a possible 105 for the Imperial Tobacco Company aggregate which will be decided tomorrow.

## St. Peter's Track Prepares For Big Opening

The boys have been at it again. St. Peter's Raceway is now a gleaming oval, backstretch, homestretch and turns. The management, Quigley and Son and Leslie Bros. secured the expert help of Danny Mullin and the track properly graded and the turns banked. The surface and grading of this track would be a credit to any organization, and warrants a special commendation of the initiative and enterprise of the directors of St. Peter's Raceway. A fence has been placed around and shined with paint and new stables have been added and over fifty horses can now be accommodated.

Last year the Sport of Kings as related to the village was mainly a memory—to those old enough to recollect it—of past thrills. The ghostly rhythm of pounding hooves rounding into the homestretch suggests Lucky Lindy, Billy Cope, Birgen Aubrey, Gordon Harvester, Jessica the Great and many others in some equine Valhalla, possibly waiting for their old owners and drivers to fulfill their time and take the ribbons again on the tracks over yonder.

Be that as it may, these same old drivers or many of them, are still here ready and willing to team their new mounts to victory or a share in the purse at any rate. It is hoped they will be seen at St. Peter's.

The writer watched the Colonel's mastery handling of Babe Britton in Saturday night's race, winning both heats, and was that something to see! This "temperamental mare" in the skill and knowledge of her driver, and in her own courage and ability was very evident.

One could hardly be anything but immensely pleased and thrilled by young MacGregor's comprehension in all his drives this season. If he has sense enough to keep his head, and cess from going to his horses as sensibly as he has been doing, he could be another Joe O'Brien. Few, however, possess the latter's ability and willingness to realize that there is still plenty to learn.

Willard is bringing his horse along slowly, following the familiar pattern and no doubt will have them in front frequently. Old Home Week, at Covehead and the Mainland.

Jiggy very sensibly, to marry gave Fast Train an easy drive. The latter's half-sister, Eloise, had little difficulty showing her heels to her competitors.

Well folks, give the enterprising boys of St. Peter's a shove in the right direction by attending all the horses, attending and telling

## Science Service Aces Win 11-9

Fast rounding into shape, the Dominion Department of Agriculture Science Service softball team defeated the B. Y. C. Aces at the Parkdale diamond last evening in a hard-hitting, wide-open encounter marred by errors of the B. Y. C. infield which the lab boys capitalized on.

The Science Service Aces will play the Experimental Farm boys in their second scheduled game Thursday night and this victory over the B. Y. C. boys has boosted their confidence of taking the Farm boys into camp to even up the series.

Science Service—J. Richard; V. Clarke p.; "Doc" Sinnott 1b.; I. Dowling 2b.; G. Vessey 3b.; P. Jardine ss.; E. Campbell lf.; J. Coyle c.; D. Read rf.

B. Y. C.—H. Murnaghan c.; J. Thistle p.; A. Coady 1b.; G. Joseph 2b.; C. Pineau 3b.; M. MacDonald ss.; E. Kays lf.; B. Gallant c.; Pineau rf.

Umpires: At Plate, Percy Gay; on bases, Burns and Dockendorf.

## Bantam, Midget Practices Tonight

City Minor Baseball League officials announced last night that the opening bantam and midget group practices, rained out last Thursday evening, will be held at six o'clock this evening over the respective diamonds allotted to the groups, to be carried out under the supervision of the various group officials. The purpose of the meetings are to continue the organization of the groups and composite teams for the league openings in the near future.

The following are the boundaries of the districts and the diamonds allotted for the practice sessions tonight: West End, all players residing in the area west of Great George Street and South of Euston to meet at the Old Diamond, Victoria Park; North End, all players residing in area of North side of Euston and extending all boys of that to turn out on the Spring Park diamond; East End, all players living in the area bounded by east of Great George Street and south of Euston, along with any Parkdale players, to report at the East End diamond, located back of Carter's warehouse.

This harness racing sport should be set aside as peculiarly P. E. Island. If there is little other claim to distinction as a sponsor of sport, one can surely say that a greater percentage of people of all ages attend races in this Insular Province than on any other spot on earth. This is good. This Province should be noted for some one particular thing in the line of sport. It is hoped the Government and the Agricultural Department in particular will realize this and bend every effort to support this sport as an industry.

Local baseball fans will see the first doubleheader of the season this Wednesday when the Charlottetown Abbies play host to the league leading Summerside Curran and Briggs nine over Memorial Field in scheduled Island Physical Fitness Baseball League competition. One half of the double bill will be the regular tilt scheduled for that date and the other will be a postponement from June 18th. The first game will get underway at two o'clock in the afternoon and the second at 5:30 in the evening.

The Wednesday clashes will just be a portion of the large program of baseball activity scheduled for this week, which got underway here last night when the Junior Knights of Columbus of the City Junior League, battled it out to a 2-2 draw at Memorial Field in a particularly well played and exciting exhibition contest. Other games scheduled for this week will be all Junior League clashes. The first will be tonight between Knights and Kinsmen, the next on Friday when Kinsmen and Victorias clash, and again on Sunday when the Knights and Victorias will hold the spotlight. The only other slated game in Island League play will see Men's Falcons at Summerside tomorrow afternoon against R. C. A. F. Royals.

It is going to be a big week for ardent racing fans too. Three promising meets are scheduled for their entertainment this week. The first will get underway at the Park View Raceway, South Rustico, tomorrow afternoon, when four smart looking classified events are billed as the regular Wednesday afternoon meet of the Island racing circuit. The other two meets will be "night racing" when the Provincial Exhibition Association and the Charlottetown Victoria Park will feature their "Midsummer Meet" at the Exhibition Track on Friday and Saturday night.

A large list of top-notch Island and Mainland entries are lined up for these events too. Ten, well-packed, one mile dash events will go to the wire on Friday and nine equally impressive dashes will feature the Saturday night section of the meet. All three programs should produce some more of the excellent racing that was witnessed here last week.

At the Eastern end of the Province, the Town of Souris will also have a big day there tomorrow when they hold their annual regatta. Officials in charge of the event have drafted up a large and varied program for the enjoyment of both participants and spectators alike. Boat racing, swimming contests, dancing and many other forms of amusement as well as bountiful refreshments will make it a day to remember for those who have the good fortune of being able to attend the big celebration.

Officials reported last evening, that despite the earlier set back to the City Minor Baseball League groups, the team development in the various bantam and midget groups are progressing rapidly and hopes are that the league will be ready to get underway shortly. The opening organizational workouts for the City divisions, scheduled for last week, were rained out, but officials are planning to get things rolling this evening, with organized practices for all groups over their allotted playing fields.

The City Bantam and Midget groups form a prominent part of the local baseball picture, and have been highly successful in their programs during the past couple of years with the helpful assistance of the Department of Physical Fitness and the Charlottetown Playground Commission and the volunteer help of many former ball players and interested citizens.

It is good to see that these groups will function again this year, as after all, it is from these minor league groups that the supply of future junior and senior players come from and where they get their fundamental baseball skill and training. It also serves another, and probably more important function, that of providing healthy outdoor recreation so important to the moulding of strong bodies and good citizens.

## Italian Boxer Loses To Yank

BOSTON, July 10 (AP)—Wild-swinging Rocky Marciano, of Brockton, Mass., dropped Gino Buvoينو twice for nine-counts while pounding out a 10-round technical knockout victory over the Italian invader tonight before an estimated 7,500 crowd at Braves Field.

Referee Joe Zapustus halted the bout 25 seconds after the last round started to save Buvoينو from needless punishment.

## Junior Ball Game Tonight

Tonight's City Junior Baseball League tilt, which will get underway at Memorial Field at 5:45, between Knights of Columbus and Kinsmen, will be a battle for either a first or second place tie in the three-team loop standing.

The Knights, who are at present riding in second place by one game, will have the opportunity of deadlocking the league leadership with the Victorias if victory be theirs, while on the other hand, a win for the Kinsmen can lift them out of the league cellar for a second-place tie with their opponents.

Both teams are expected to present their best lineups, and whatever the result, local fans will no doubt see some smart baseball action.

## Horseshoe Club

Officials of the Brighton Horseshoe Club announced last evening that they will hold a "Variety Night" competition there tonight at eight o'clock when members of the Club will participate in a ringer, obstacle and points pitching contests.

The ringer and points contests will consist of the throwing of five shoes per man, while the obstacle events will allow three shoes for each contestant.

In a special challenge match concluded last night, Rennie Larter and Joey Brown defeated Andrew Martin and Jack McCourt in straight games of a best three out of five doubles match. The scores were very close and produced some excellent play, the winners taking the round 50-49, 50-47, and 50-42.

## K. Of C. And C. And B. Juniors Battle To 2-2 Tie In Game At Ch'Town

In the best played Junior baseball game to date this season the Charlottetown Knights of Columbus and the Summerside Curran and Briggs teams, battled to a two all draw in an exhibition encounter played on Memorial Field diamond last night.

Only four hits were recorded in the game and all these went to the C. & B. team. Bob St. Pierre on the mound for the visitors pitched a masterful no-hitter and but for errors at first base the score might have read 2-0. Phil Murphy started on the mound for the locals but was relieved in the third by Donnie MacLean after the construction crew started to clout Murphy's offering for some long distance bombardment.

The Summerside team went to the front in the top half of the second frame when Bob Timmons lead-off batter for the Curranites received a walk. He went to second on a wild pitch and came home when Paul Schurman slapped out a single. In the top half of the sixth the visitors scored their second tally of the night when Alan Stewart walloped a long triple to left centre and raced home on the left fielder's error. In the home half of the same frame the Knights scored both their counters. Flynn was safe on first on the initial sacker's error. He was put out at second on a force play with Hughes taking first. He went to second on a passed ball. McKenzie then went to first on another error at first and promptly stole second. Hughes scoring on the play. On the next play MacLean was safe once again on the first basemen's error with McKenzie going home on the play. That ended the scoring for the game.

St. Pierre in pitching the novelty walked but one batter and hit another, whiffing ten K. of C. batters. Murphy was tagged for three hits while walking two and whiffing one. MacLean hurled one hit ball in five innings. He walked one and sent seven back to the dugout via the strike-out route.

Lorne Hennessey of the Knights made a sensational stab off Hume's line drive in the sixth for a great play. Two fine running one-handed catches were turned in by Benny Grady and

Bill Davies of the C. & B. team for another brace of fielding gems.
