The protectorate recently proclaimed over Savage Island, or Innui, as it is called by the natives, was at the urgent request of the people themselves. They appear to have heard of the recent troubles in Samoa, brought about by German interference, and to have sought British protection in order to preserve them from the possibility of such a fate. It is not an uncommon thing for the people and rulers of Polynesian Islands to petition for British rule. It was only after many requests on the part of the natives and their King that the Fiji Islands were annexed by Britain. It is almost impossible to refuse such appeals.

WHAT WAILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gone-ness" or emptiness of stomach, or "floating" tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, bright spots, "floating" specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chills, sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, and "floating" specks" complicated your disease, has become the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications of Bilious Dyspepsia, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and sooner or later, induce a fatal result.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great purifying organ, cleanses the system of all blood-poisoning and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. It is an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.
