It appears that he married Eliza Jane Cazleman, and afterwards asked to join the Masanic lodge. In looking up his history the masons learned that he had a wife and child in Dufferin Co. ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup has been used by mothers for children teething for over fifty years with perfect success It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. ap118'90dy&odwkyly

FIRE AT TRYON.—A barn which belonged to Mr. W. W. Howatt, Tryon, was set fire to by his little son, six years old, on Monday night, and completely destroyed. The barn contained all Mr. Howatt's crop of this year, besides a threshing mill and other machinery. Building and contents are entirely destroyed. The loss is a severe one, amounting to about $600. When the flames were first discovered it was thought that the boy was in the building, and his mother was almost distracted, but after the fire had burned out he was found in bed, safe and sound. On being questioned, he said that he had passed through the barn, and dropped a lighted match into some straw. Then he went behind a neighbor's stable to see the fire, and when bed time came went home.
