HAS NO LIMIT.

They talk about a woman's sphere
As though it had a limit;
There's not a place in earth or heaven,
There's not a task to mankind given,
There's not a blessing or a woe,
There's not a whisper, yes or no,
There's not a life, a death, a birth,
That has a feather's weight of worth
Without a woman in it!
—Kate Field.

FOOTBALL'S DANGERS.

There is an impression that football gets rougher every year, and that the number of injuries recorded in recent matches is quite unprecedented. But this is a mistake. From the beginning the game has been a rough one, and modern rules have aimed at reducing the chances of bodily injury as far as possible. Old Rugby players will remember the time when "hacking" was permissible and was regularly practised, sometimes with the result of laming nearly a whole team. To go further back still, the Norsemen, from whom the English learnt the game, were by no means soft-hearted. In one match recorded in the Sagas the list of injuries includes a wrist dislocated, a thigh-bone broken, an eye knocked out and a man killed on the spot. It would be difficult to find a modern parallel for this record. In another match it is specially noted that "the play was very rough," and the result was that "six lay dead before evening." When a player named Hraja was going for the ball he was tripped by an opponent and fell. Thereupon he took that man up and "flung him so that his head struck the ground first, whereby his neck was broken." Evidently some progress has been made since these days, and by the time of the millenium football may become a game fit for good angels. At the present time the football player still has a good deal of unregenerate human nature about him.

ENDORSES DR. ROSE.

A Quebec Physican who Corroborates Dr. Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A. G. McCormick, of Richmond, Que., testifying to his complete and permanent cure from Bright's Disease by Dodd's Kidney Pills, has been read with much interest here, supporting as it does the recent letter of Dr. E. A. Rose, of this place, who was cured of Diabetes by the use of these pills. Of course no further corroboration of the curative qualities of Dodd's Kidney Pills was required other than the testimony of Dr. Rose, but it is a satisfaction to know that other medical men are able to join the Dr. in testifying to the worth of the pills from personal trial.

What is
CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.
"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider their real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
DR. J. F. KINCHELOE, Conway, Ar.

Castoria.
"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
UNITED HOSPITAL AND DISPENSARY, Boston, Mass.

Guilty or Not Guilty?

We plead NOT GUILTY to the charge of attempting to shirk a portion of the 27½ per cent. duty on American Ranges by undervaluation.

GUILTY, we believe, of having sold more Ranges this season than any other firm in the city.

MOST GUILTY of selling the best and most satisfactory Range ever offered to the people of P. E. Island.

P. S.—We take this opportunity to thank the friend who so kindly interested himself in our behalf, by bringing to the notice of the customers the fact of our selling Ranges so cheap as to lay us under the suspicion of having undervalued them; but we quite understand his mistake, because he is evidently paying a great deal more for an inferior article.

"MAKE HENS LAY."

Such is the caption of an advertisement that appears not only in the local, but many leading agricultural papers, and which suggests the propriety of a few thoughts upon the subject. It may be laid down as a rule that most people indulge in raising poultry not for the pleasure it gives, but for the profit that is realized from the same, which must come from young chicks or eggs, and since the chicks must come from the eggs, the real profit may be traced to egg production, so the advice given in these words is of vital consequence to the poultry raisers. "The advertisement referred to recommends Sheridan's Condition Powder to make make hens lay, and so do we," says Mr. A. F. Hunter, poultry editor of Farni-Poultry. A hen to lay prolifically must be in perfect health, must be in condition, and here is based the true theory of the value of Sheridan's Condition Powder—it promotes the general good health of the fowl, gently quickening digestion, and stimulating all the various organs of the body as well as the ovaries, to perform their functions." At this season of the year the use of Sheridan's Condition Powder is very valuable for laying hens and young pullets. By its use now they will get to laying earlier when the price for eggs is very high. I. S. Johnson & Co., Boston, Mass., the only makers of Sheridan's Powder, will send for 50 cents two 25 cent packs, five packs for $1.00; or for $1.20 one large two pound can of Powder, postpaid; six cans $5.00, express prepaid. Sample copy of the best poultry magazine free.

For Over Fifty Years.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays the pain, cures the colic, and is the best remedy for Diarrhœa. Is pleasnt to the taste. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.—m. w. f. wkly—1 y

COD LIVER OIL has long been known to the Medical Profession as perhaps the *best single remedy* for CONSUMPTION and other Wasting Diseases—but most sick or ailing people have an unconquerable aversion to it, *in its crude state.*

The Hypophosphites of Lime and Soda are only second to COD LIVER OIL in their curative effects, in the above complaints. In PUTTNER'S EMULSION the Oil, while retaining all its medical virtues, is completely disguised both from eye and palate, so as to be agreeable to the most delicate stomach, while its curative effect is enhanced *one hundred per cent.* by its scientific association with the salts of Phosphorus.
