MINOR ACCIDENT—A minor accident occurred on the main street opposite Stewart and Beck's store at Montague yesterday afternoon when a '46 Chevrolet struck the rear door of a '48 panel Ford parked in front of the store. The owner of the Ford was removing material from the vehicle, and the car door juttied out slightly towards the pavement, but still permitting sufficient room to pass. The driver of the Chevrolet swerved to miss the door but at that moment a '47 Chrysler was passing. After striking the door the Chevrolet caromed off to strike the rear fender of the Chrysler. The Ford suffered a broken door, the Chrysler a dented fender, and the Chevrolet two damaged fenders and two broken lights. The Montague detachment, R. C. M. P. investigated the accident.

### Murray Harbour Men Run Lines

Murray Harbour and Beach Point fishermen were successful in running their lines yesterday with some forty to fifty boats leaving Beach Point and a similar number leaving Murray Harbour and vicinity. The delay from opening line-running day, April 30th, was caused by ice formation along the South Shore. However, offshore winds loosened the ice pack sufficiently to permit the boats to move out to the grounds. A few boats were out Saturday, but only a few lines were run. It is understood that at Pictou lines were run Saturday and yesterday.
