Most of the space ships that the topics of conversation now are the Russian satellite is circling the earth, are not the dreams of artists and science fiction writers, but here is one that is built and ready to go. It is the one that will be lifted by balloon to 100 feet above the earth and then fired into space. One of these like it are expected to photograph the far side of the moon and return to earth. The program, right, shows how the rocket assembly will be fitted to the balloon. When fired it will go through the centre of the balloon.

FEAR SUBS—BOMBERS

If war comes, there is a strong likelihood that Canada would be attacked from the air by bomber fleets and from the sea by missile-launching submarines. If a "small" war broke out, say in the Middle East, the Canadian army would have to move troops to Iraq. And it would also be expected to reinforce the brigade group in Europe if there were sufficient warning of imminent ground attack in Europe.

Farmers Boost Borrowings

OTTAWA (CP) — Canada's farmers boosted their borrowings from the Canadian farm loan board by a record \$197,700,700 in 1957.

Mr. Chester said in his annual report Thursday that 400 temporary personnel.

Mr. Chester said in the fiscal year ended last March the number of approved loans rose to 294,000, 0.02% in the year previous. The average loan increased to \$476 from \$470.
