Amos Morrill, Summerside, says: "I was troubled with Neuralgia in my chest for fifteen years. During that time I have tried several doctors with little or no relief. I was persuaded to try a box of McKinnon's English Ointment but I did not believe that it or anything else would effect a cure, yet no my surprise the pain began to ease, and before I finished the box I was as well as ever. I have also used it in my family for burns, cuts, bruises and other. After my experience with the Ointment I believe it will do all its proprietor claims for it."
