A WONDERFUL PILL.

THE BEST PURGATIVE PILLS.

THE BEST PURGATIVE PILLS.

THE BEST PURGATIVE PILLS.

Doctor Radway's Pills are the best purgative pills in the world, and the only vegetable pills that can be used in place of Calomel or blue pills. In using these pills the patient is not compelled to strain, or undergo a series of cramps, griping pains, nausea; their operation, though thorough and effectual in the expulsion of the faeces, is mild, soothing, and natural. One to six boxes will effect a cure, without necessitating the patient to continual dosing with physic. In affections of the Liver, Dyspepsia, Costiveness, Indigestion, Piles, and all fevers, their curative powers are marvellous. Price 25 cts. per box.

Holloway's Ointment and Pills.—The Scrofulous and consumptive will find in these noble remedies the means of casting out the bad humours which originate and prolong their sufferings. The Ointment should be well rubbed twice a day upon the skin, as near as possible to the part affected. It will penetrate and act most wholesomely and energetically on the diseased structure. It manifests a wonderful power in removing all taints from the blood, and consequently in curing a multitude of chronic ailments which seemed to be almost irremediable. In all constitutional complaints, Holloway's Purifying Pills should be taken, while his Ointment is being used. Both remedies will rapidly bring about a cure of scrofula, scorbutic eruptions, and ulceration.

A DAUGHTER BENEFITTED.—Rev. Daniel T. Wood, Middletown, Orange county, N. Y., writes—"By the use of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum my hair has greatly thickened upon my head, and put on a very lively healthy appearance. The same is true of my daughter; her hair had become thin, and came out constantly, until we thought the head would be almost bare; her hair has handsomely thickened up, and also has a healthy appearance. We are thankful to you, and feel that we have full value for our money."

Sold by Druggists everywhere. Depot, 198 Greenwich-street, New York.

Robert Hutchinson, Esq., has for some weeks past been collecting funds to renovate the Protestant Burying ground. He has expended all the money subscribed in repairs, and the work is not finished. As the object is a meritorious one, our citizens ought not to be backward in supplying the means to Mr. Hutchinson to proceed in his good work, for the former state of the ground was a disgrace to the city.—*Weekly.*

Quinsey,	

If afflicted with either of the above-named diseases, "one to six" boxes of Dr. Radway's Pills will cure you. By taking a few doses of the common Drastic Pills—that gripe and pinch you when they operate—you may obtain temporary relief; but if you stop taking these imperfect Pills for a week or a month, your old complaint returns. Now, this is not the method of cure indicated by Dr. Radway's Pills. They make a perfect cure, and the patient will not require *any more medicine.*

Their Great Combinations.

They are Aperient, Tonic, Laxative, Alterative, Stimulant, Counter Irritant, Sudorific.

As Evacuants,

They are more certain and thorough than the Drastic Pills of Aloes, or Croton or Harlem Oil, or Elaterium; and more soothing and healing than Senna, or Rhubarb, or Tamarinds, or Castor Oil.

As Alteratives,

They exercise a more powerful influence over the liver and its secretions than calomel, mercury, blue pill, hence their importance in cases of Liver Complaints and Spleen Difficulties, Jaundice, Dyspepsia, Billious attacks, Headache, &c. In the treatment of Fevers, either Billious, Yellow, Typhiod, and other reducing Fevers, they are superior to quinine. Their influence extends over the entire system, controlling, strengthening, and bracing up the relaxed and wasting energies, and regulating all the secretions to the natural performance of their duties, cleansing and purifying the blood, and purging from the system all diseased deposits and impure humors.

Dr. Radway's Pills are mild, soothing, healing, and cleansing purgatives. These Pills are coated with gum, free from taste or smell.

Price Twenty-five cents per box. Sold at DR. RADWAY'S Office, 87 Maiden Lane, N. Y.; and by Druggists everywhere.

The Liverpool and London FIRE AND LIFE INSURANCE COMPANY.

THE Agent for the above first class English Fire Insurance Company begs to call the attention of the public to the advantages offered by this Company, in respect to the security to the assured, and promptness to pay losses, which, without disparaging other Companies, may be safely asserted to be superior to those afforded by any other Company in the Island. The Liverpool and London F. & L. Insurance Company has been in successful operation since 1836, with agencies all over the world, and has paid in losses about two millions and a quarter sterling. Its subscribed capital is £2,000,000 sterling, and its invested funds alone amount to £1,312,000 stg.; and the fire premiums for 1861 amount to £360,130 19s 9d; and in addition to this very large capital, the Company, having been established before the recent Limited Liability Act, the individual fortunes of each of the shareholders, comprising some of the wealthiest merchants in Liverpool and London, are liable for the losses, should the whole of the capital be swept away. In this respect it differs, it is believed, from any other Company established here.

And lastly, the Agent being appointed by Power of Attorney directly from England, is authorised to draw Bills the moment a loss occurs, and without referring to the Home Company, to the extent of one thousand pounds sterling.

With these superior advantages, the Company is not disposed (though it might be well justified) to ask a higher rate of premium than other English Companies, which do not present the same advantageous features, and the Agent has been advised that an uniform rate has been agreed upon by the Directors of this Company and the "Queen's," and that the Agents here should, in this respect, "act in concert."

W. A. JOHNSTONE,
Agent of the Liverpool and London
Nov. 10, 1862 Fire Insurance Company.
