Young And Old At Rifle Meet

By CECIL SMITH (Canadian Press Staff Writer) CONNAUGHT RIFLE RANGES, South March, Ont., Aug. 17 (CP)—They come both old and young to the Dominion of Canada Rifle Association shoots on this range 14 miles west of Ottawa. A 74-year-old expert and a 15-year-old girl are among the 600 marksmen competing in the 82nd annual meet currently in progress here for six days. They are Maj. W. L. Dymond of Toronto, member of the Royal Regiment of Canada Rifle Association, and pretty Elsie Strong of Newport, N.S. Though he has not been showing up as well this year as in the past, Maj. Dymond is carding better scores than many of the younger marksmen. He has been coming back to these ranges year after year and has only missed one meet since 1903. That was in 1924 when he competed in the Nova Scotia shooting matches. He fought in the South African War in 1896 and was a member of the 2nd Battalion of the Royal Berkshire team in 1906. He also was a member of the Canadian Bisley team in 1912 and last year paid his own way to the famed English shoot. Miss Strong, who at 15 handles a .303-calibre rifle like a veteran, has been competing in rifle shoots for the last two years. Her father, an expert shot, also is competing in this week's meet. She is classed as a tyro, a rifleman who hasn't ranked in the first 10 D.C.R.A. shoots. Riflemen began noticing the youngster in the Prince Edward Island provincial shoot last year. She had only two scores before attending that meet, but tied with two others for first place in the City of Charlottetown match with 92 points. Friends then urged her father to take her to the D.C.R.A. meet last year. He did and she not only showed up well but amazed veteran riflemen with her ability with the rifle.

Brawl Steals Show At Tennis Tournament

QUEBEC, Aug. 17 (CP)—The favorites won the matches and the plaudits of spectators but a one-man brawl with police stole the show today at the Canadian tennis championships. The unprecedented uproar at a tennis tournament came during the quarter-finals of men's singles late in the day and held up play for fully 15 minutes. After the rough-and-bumble scrap, in which the belligerent spectator-hecker and two policemen rolled down an embankment to the court, he was dragged off and taken to the police station. The finish of two matches played at the time before 1,000 or more spectators was an anti-climax. Bill Tully of Bronxville, N. Y., already had his match with Jean Paul Turgeon of Quebec well in hand. On the next court, Henri Rochon of Montreal was putting the final touches to his three-set win over Jean Marois of Quebec. That match was held up also. Earlier in the day, Brendan Macken of Montreal took three straight sets from Jean Ducos de la Halle of France, and the lone Frenchman now left is Robert Abdeslam, who polished off Dick Mouldous of New Orleans with ease. The Macken-de la Halle match—Macken taking it 6-4, 6-4, 6-1—packed the most color. It also drew loud comments from the spectators who insisted on calling out their rulings before linesmen or umpires could give the slightest indication of a decision. The display bothered both Macken and de la Halle at times. Some of the official rulings appeared off-color and one linesman was changed during the second set. In the semi-finals Macken will meet Abdeslam and Rochon will face Tully. The second round of the mixed doubles was run off in two sections and completed late in the day. The third round was started after the late-finishing men's doubles. Quarter-final play in the mixed doubles left two all-American combinations against two of international make-up. The final match, the only one going to three sets, was finished under lights. It went to Gladys Heldman of Houston, Texas, and her partner Dick Mouldous. Twenty games were played before the first set was decided and the combination of Francoise Lacasse and Edgar Lanthier of Montreal proved a tough one to beat. Pat Macken of Montreal and de la Halle, advancing easily through the two rounds, will next meet Dorothy Knapp of England and Lorne Main of Vancouver. The English-Canadian team lost only three games in two matches played today. They will meet Doris Poppel of Spokane, Wash., and Morton Stern of Philadelphia, in all-American semi-final.

Good Time Sets Record In Winning Yonkers Derby

YONKERS, N. Y., Aug. 17 (AP)—Good Time, from the stable of William H. Cane of Goshen, N. Y., set a world record for pacers over the mile and one-half on a half-mile track tonight in winning the \$25,000 Yonkers Derby. The time of 3:06 flat bettered the mark of 3:09 set by Jimmy Creed at Roosevelt Raceway, Westbury, N. Y., in 1944. In a see-saw battle with 11 rivals before a crowd of 16,945 at Yonkers Raceway, the stout little four-year-old son of Hal Dale-On Time by Volomite scorched down the stretch in a tight duel with Hayes Hanover to win by about a length. Hayes Hanover, owned by W. O. Wright of Federalsburg, Md. took second with Grattan McKillo, an entry of Ben F. Owen, Omaha, Neb., third. The winner, second choice in the betting, returned \$7.30, \$5.00 and \$4.60.

New Centennial Stamps To Be Issued

The Postmaster General announces that the Post Office Department is designing postage stamps to be issued in September, 1951. The year 1951 marks the centennial of the transfer of the administration of the postal services from the Imperial Government of Great Britain to the Colonial Governments of British North America, and also the centennial of the first postage stamp issue of the latter governments. The Postmaster General states that the postage stamps will be released during the International Philatelic Exhibition to be held in Toronto in September, 1951. This exhibition will be held under the auspices of the Canadian Association for Philatelic Exhibitions, a non-profit organization of stamp collectors from all across Canada. The Governor General, His Excellency Viscount Alexander, and the Lieutenant Governors of the ten Provinces are patrons. First day covers prepaid with these special stamps will be cancelled at the exhibition on the first day of issue of the stamps and despatched from Toronto. The first day of issue will coincide with the opening date of the exhibition, the 21st of September, 1951. The Post Office Department is preparing special philatelic displays to be shown at the exhibition. Many stamp rarities will be exhibited by collectors from Canada, the United States, Great Britain and many other countries.

Unsold Wheat Surplus Increases

OTTAWA, Aug. 17 (CP)—An unsold wheat surplus of 113,200,000 bushels—biggest in four years—was announced today by the Bureau of Statistics. This figure represents the carry-over at July 31 from 1949 stocks and when added to the 1950 forecast of a 544,000,000-bushel harvest makes for total possible Canadian stocks of 657,200,000 bushels. The carry-over of wheat, all of it held in Canada, is greater by 11,000,000 bushels than last year's 102,200,000, but it is considerably below the average carry-over either in the preceding 10 or 20 years.

REMEMBER WHEN

(By The Canadian Press) Remember when... Hon. R. C. Matthews' Canadian cricket team ended a successful English tour by playing to a draw with Incegnill Cricket Club in London, 14 years ago today. The Canadian team won seven, lost one and drew seven in 15 games. BRANTFORD, Ont., Aug. 17 (CP)—Britons may know him as the victorious planner of El Alamein, but to the Six Nations Indians of the Brantford district, Field Marshal Sir Claude Auchinleck is Chief Big Pine. Indian chiefs and an Indian princess in full regalia conferred the title on "The Auk" yesterday.

RICH LAND

In Denmark, 90 per cent of the land is productive and 77 per cent is actually farmed.

Express Companies Announce Embargo

MONTREAL, Aug. 17—The Canadian National and Canadian Pacific Express Companies have advised all agents to place an immediate embargo on all carload and less-carload shipments of livestock, live poultry and other perishables, as well as gold and silver bullion and currency which cannot with reasonable certainty reach destination in Canada or be transferred to connecting U.S. carriers by Monday noon, August 21st. The express companies also stated that because of the possible work stoppage of the railways at six a.m. August 22nd, other shipments are being and will be accepted "subject to delay."

Bridge Engineer En Route Here

SAINT JOHN, N. B., Aug. 17 (CP)—Dr. P. L. Pratley, Montreal consulting engineer who is preparing plans for the proposed Canso bridge, said here tonight he did not expect to visit Halifax before fall. At that time he thought there might be conferences concerning the Halifax-Dartmouth bridge plan, but nothing further could be done on the Canso project until the Provincial Government and the Canadian National Railways, now studying complete plans had reached an agreement. His own crew doing preparatory surveys at the site would "run out of work by fall." While here Dr. Pratley conferred with civic officials on progress with Saint John's viaduct and proposals for a harbor bridge to West Saint John. He leaves tomorrow for Prince Edward Island and will return to Montreal from there.

OIL SALES Revenue from sales of oil and gas in Alberta for the first five months of 1950 averaged \$106,643 daily, up from daily average of \$143,735 in the same period in 1949.
