

# ALUMNI HOLD ANNUAL HOMECOMING

The U.P.E.I. Alumni held their Annual Homecoming Weekend October 7 and 8, at the U.P.E.I. campus. After a Wine and Cheese party, the Annual Meeting took place, at which Glen Macdonald '71 was elected President for the upcoming year.

Other new members of the Executive are Howie Jamieson '69, Vice-President; Larry Bertrand '75, Comptroller; David Blanchard '75, Secretary-Treasurer, and Pat Vickerson '76, Assistant Secretary. Working in conjunction with the executive are an elected committee of ten members from various classes of alumni.

Out-going President Claire Bradley '72, presented her year-end report and outlined some of the activities the Assoc-

iation took part in over the year. The financial report was also submitted for approval. Glen Macdonald, chairman of the Constitution Committee, presented the meeting with some proposed amendments which were all accepted by the members present. After the meeting there was a party in the Panther Lounge until the wee hours of the morn. On Saturday, for those who survived from the night before, there was a basketball tournament. Needless to say, it didn't abide with current AUAA basketball rules. The co-ed teams played as they saw fit, which, at times, wasn't altogether fit!

Saturday night, the Homecoming Dance was held at the Charlottetown Hotel with approximately 200 people attending. The

music was rendered by the "Cabaret 5" and again, a good time was had by all. Just because you're graduated doesn't mean you forget or give up all the things you did in university!!

All in all, congratulations and thanks are extended to the Alumni

executive of the past year, and...good luck to the new executive.

Alumni members may be gone from the campus physically, but they're certainly not forgotten once a year....at Homecoming.
