Saints Win Provincial Basketball Crown

Williams Says Farewell With Two-Run Homer

BOSTON, April 30—(AP) — Ted Williams said his second baseball farewells in 10 years with a game-winning two-run homer today to give Boston Red Sox a 5-3 victory over Detroit Tigers.

Williams first 1952 four-bagger, the 324th of his major league career, strengthened the Red Sox's hold on first place in the American League as he left them to rejoin the U. S. Marines for a 17-month tour of duty as a flier.

Making his first appearance in the starting line-up since the opening game in Washington, during which he pulled a leg muscle, Williams homered into the right field stand against Dizzy Trout with Dom DiMaggio on base in the seventh inning to break a 3-3 tie.

The Red Sox had taken a 3-1 lead at the expense of starter Virgil Trucks in the fifth frame. Rookie Ted Lepcio launched that rally with a double and catcher Sammy White advanced him to third base with a single.

Then southpaw Mel Parnell chopped a ball against the plate and it took a high bounce into Matt Batts' glove, but Batts, a former Red Socker, threw wild into right field and Lepcio and White scored as Parnell raced to third.

A Dom DiMaggio single brought in Parnell with the third Boston counter and the stylish southpaw, seeking his third straight win of the season, appeared to have it clinched.

Parnell had given the Tigers a fifth-inning run when Johnny Lipon singled and George Kell doubled. In the seventh, after Kell drew a base on balls and was forced by Steve Souchock, Vic Wertz made Parnell the victim of his third homer of the season to deadlock matters.

That mighty blow upset Parnell. With two out Don Kolloway and Batts connected safely and rookie righthander Ivan Delock was sent to the Boston mound. The youngster retired the last seven Tigers in order, striking out three, to gain credit for his second win in relief.

Williams, who reports for duty at Willow Grove, Pa., Friday, was showered with gifts during the pre-game ceremonies. One of them was a (Cadillac) sedan from a group of intimate friends.

A 500-volume library of "Memory Books", containing the signatures of almost 500,000 New England admirers was turned over to Williams by George Akerson, assistant publisher of the Boston Herald-Traveler.

Unheralded French Colt Wins Racing Classic

(By Alan Harvey, Canadian Press Staff Writer)

NEWMARKET, Cambridge, England, April 30—(CP)—Thunderhead II, a French colt with an unfashionable pedigree, galloped off with the first of the flat-racing classics today and cast a decided chill on Britain's 1952 turf prospects.

It was the 11th triumph for France in 31 post-war classic races.

Thunderhead II, pooh-poohed by the experts because his bloodlines aren't so ritzy, drew clear on the rising ground to win by a handy five lengths from English-owned King's Bench and another French horse, Marcel Boussac's Argur.

The classic, run over a straight mile at this headquarters of British racing, is the Two Thousand Guineas, so known although its value to the winner today was £14,616.

The result came as a shock to turf regulars, who had figured on a match between John A. Dewar's speedy Agitator and Lord Rosebery's Bob Major. Agitator, 9 to 4 favorite, finished fourth and Bob Major was nowhere.

Eclipse of the English colts in a one-mile event which is usually just their dish bodes ill for local prospects in such future classics as the Epsom Derby and The Oaks, run over 1 1/2 miles.

Thunderhead II, which started at 100 to 7, is owned by M. Eugene Constant and was ridden by Roger Poincelet, one of the leading French jockeys. The chestnut colt is a son of Merry Boy. British critics didn't think that was good enough breeding to win a classic race.

The same stable which shelters Thunderhead has several other useful three-year-olds, including Silnet, current favorite for the Derby at 14 to 1.

Dams Reported In Good Condition

The Department of Industry and Natural Resources are pressing towards an era of bigger and better game fishing thoughout the Province. Six dams, wholly provided for by the Department, are in good shape after undergoing the pressure, wear and tear, of winter ice and spring freshets. These are located at Covehead, Pisquid, Tignish, Coleman, Wilmot and Souris. Assistance was given by the Department in the erection of the dams at Annandale, Dundas and Selkirk.

It is a condition necessary to government support of assisted dams,, that the ponds concerned be open to the public. The program of the Department in respect to dams, with a view to providing more fishing opportunities, calls for considerable expansion early in the summer.

Score 54-31 Victory Over RCAF To Win Two Game Series By 11 Points

The sick men of basketball Jack Reardon and Pete Dunphy came back last night to lead Saint Dunstan's University to the Prince Edward Island basketball championship with a 54-31 victory over the R. C. A. F. in the final game of the title series.

The Saints won the two game total point series 93-82 taking the round by eleven points. The Air Force won the first game in Summerside on Monday night by a 51-39 score.

Dunphy and Reardon, who were on the sick list Monday night, forgot about their lung and appendix troubles last night as they racked up a total of 34 points between them. Team captain Dunphy was high man with 19 while Reardon was runner-up with 15.

The Saints led 27-18 after a hard fought first half but it was in the third quarter that they won the title. In the third quarter they outscored the opponents 17-4 for a 13 point margin which proved more than sufficient to wipe out their pre-game deficit.

The Airmen threatened to come back late in the final quarter after Joe Mullally, Cy MacIsaac and Bob Mooney left the game via the foul route. But time ran out before the airmen could get their offense into high gear.

Many Spectators

A large crowd of spectators sat in on the game which was one of the best of the season.

Terry Boon and Andy Andrews led the R.C.A.F. scoring attack with nine and eight points respectively. Team captain Bill Green was third high with six points.

Four fouls which were called on Green in the first half hurt the Airmens' chances. He was used only sparingly in the third quarter for fear that he would foul out of the game and it was in this time that the Saints picked up their long lead.

The Airmen started strong and controlled the ball for about five minutes of the first quarter They went into an early 3-0 lead on a basket and foul shot by Andrews came out on the short end of an 11-8 score as the quarter ended.

Jack Reardon paced the Saints during the second quarter with four field goals, two of them immediately after the quarter opened. Green was the Air Force pace setter during this quarter with six points. The Saints led 27-18 at the half but were three points behind the airmen on the round.

The big third quarter with Pete Dunphy leading the way for the Saints doomed the Airmen. Dunphy scored nine points in this ten minutes with Reardon picking up four, MacIsaac and Frank Slowey two each. Terry Boon scored the Airmen's only basket in this quarter.

Scoring honors were well split up in the final frame. Dunphy, Earl MacKinnon, MacIsaac, Clarence MacDonald and Slowey each scored single baskets for the Saints. Andrews led the Air Force with two baskets while Lowe got a basket and a foul shot.

Unsung heroes in the Saints win were guards Bob Mooney, Cy MacIsaac and Clarence MacDonald. This trio kept the Airmen from working in close to the basket and blocked many of their long shots.

Terry Boon, along with scoring eight points for the Air Force turned in an excellent guarding job on Jack Reardon.

Referees Joe Cullen and Earl Nicholson handled the game in a capable manner. They handed out a total of 33 fouls, calling 19 against the Saints and 14 against the R.-C. A. F.

What probably was the best basketball team that ever represented Saint Dunstan's University joyously trotted off the floor last night after winning the Island championship. They along with their opponents from the Air Force Station at Summerside had just completed one of the most entertaining hoop games of the season and the Saints left little doubt but that they were full benefit for winning the title. To the faculty adviser, Father Walter MacGuigan, to manager John Mullally and to the team we extend congratulations on your achievements.

• • •

It probably wasn't until this year that most observers realized the good calibre of ball that was being played in the Province. The Saints, by their strong Intercollegiate showing gave basketball a stimulating shot in the arm and also gave themselves a recognized spot on the Maritime basketball ladder. The Saints lost out to U. N. B. by one point in the N. B.-P. E. I. competition and the latter team gave St. F. X.. the Maritime champions a strong run for the crown. a string of events that makes Island basketball look fairly good.

• • •

The Saints this year had more all-around strength than any Island team we can recall. Reardon, of course, was the spark of the club with his ability to do just about anything on the court and do it well. In addition to this he possesses just about the finest temperment for basketball imaginable. We have yet to see him get the least bit irritated, show any sign of disrespect for opponent or official although he has been the most closely guarded man in the Island league. In speaking of his prowess as a player we can only say that his scoring feats do not tell the whole story.

• • •

Jack had two top notch linemates to work with in the persons of "Pneumonia Pete" Dunphy and Joe Mullally. Before last night Dunphy had been out of action for quite some time. It was not thought that he would be able to last the whole game. Not only did he finish the game but he also turned in one of his best performances of the year in leading the Saints to victory with his 19 points. Mullally is the smallest and probably the hardest working man in the league. He is also one of the best scorers. During league play he finished second, fronted only by Reardon.

• • •

The Saints are one of few teams we have seen who possess guards capable of both blocking and scoring. Bob Mooney, Cyril MacIsaac and Clarence MacDonald are capable of both to a high degree. Freddy Coyle, Earl MacKinnon and Frank Slowey rounded out the team. Coyle has the experience while MacKinnon and Slowey, both first year men have the ambition and drive to make good.

• • •

One of the things we liked about last night's game was the clean play. There was no arguing, fighting, beefing at the officials or foul play. As a matter of fact we heard the coaches warning their players about such things. We haven't known coach Earl Smerdon of the R. C. A. F. for very long but what we have seen of him was enough to know that he knows plenty about basketball and is a good sportsman. Smerdon is a pilot at Summerside, has played a lot of basketball around Toronto and still plays a pretty fair game.

• • •

The airmen won themselves a lot of friends by their action in Summerside Monday night when they offered to cancel the opening game of the series until Reardon and Dunphy would be ready to play. It was a nice gesture and although they were beaten out by points they didn't lose anything in the series. The airmen always gave good games during the season. Had it not been for them there probably would not have bean a league. If there were it wouldn't have been a very good one.

• • •

The airmen could handle the ball as well as the Saints but they fell below the S. D. U. players in shooting ability. Possibly they didn't have the opportunity to practise as much. Most of the team personnel are pilots or student navigators. "Andy" Andrews for example is a pilot with eight years in the R. C. A. F. although he doesn't look any older than 21. Bill Green and Max Embrett are the two exceptions. Green is engaged in clerical work while Embrett is a fireman, an appropriate occupation for a baseball pitcher in the summer time.

• • •

And now that the basketball season is completed the next major sport will be baseball. Last night the executive of the Abegweit Association met and voiced their approval of entering an Island League this summer. Today Danny MacCormack, chairmman of the baseball committee, will get in touch with officials in Summerside and it is expected that a meeting of officials from this City and Summerside will follow within the next few days. Officials here favor a four team league.

• • •

It is understood that the local Rotary Club will sponsor all teams in the Little League this summer This includes all players from the ages of nine to twelve and this undertaking will involve quite a lot of work for the ambitious Rotarians. A league will also be formed for youngsters between the ages of 12 and 16 and this will be known as The Little Bigger League. As yet no sponsors have been found for this league.

• • •

Abegweit President George Frances stated last night that the club drive for funds and membership was coming along well. The drive opened Monday night and concludes this Friday. "Very satisfactory results have been achieved so far and there are still a lot of people to be contacted," stated Mr. Francis.

Guelph Biltmores Score 8-2 Victory Over Regina

TORONTO, April 30 —(CP)— Guelph Biltmores in a manner that left no doubt of their superiority, tonight trounced Regina Pats 8-2 for their third straight triumph in the Memorial Cup hockey final.

The Biltmores' latest win gave them a 3-0 lead in the best-of-seven series for the Canadian junior hockey championship and set the stage for them to wrap up the crown in four straight games when the clubs clash again here Friday night.

The eastern champions had too much allround power for the Pats. The Bilts only tried half the time they were on the ice and if they had wanted to open up, it was apparent the score would have been much higher.

The Pats only went in spurts and apart from the second period in which they scored one of their goals to match one of the Bilts' they were entirely outclassed. They gave up in the last half of the final session and the Bilts rapped in their three last goals with little effort.

Ron Murphy, left-winger on the Bilts' first string line, and Andy Bathgate, smooth skating captain of the Bilts and their driving force on their second forward unit, each scored three goals.

Chuck Henderson and Ken Laufman fired the other two Guelph goals.

The Bilts led 4-1 at the end of the first frame and 5-2 at the end of the second and then counted three more in the final period without a reply from the Western champions.

The Bilts broke in front 3-0 before defenceman Johnny Reeve got the Pats' first counter. Brian McDonald got their second counter in the middle frame after the Bilts had boosted their lead to 5-1.

BALTIMORE, April 30 —(AP) — Undefeated Johnny Saxton, 21-year-old New York welterweight, knocked out Bobby, Lee of Baltimore in the seventh round of their scheduled 10-rounder tonight. Lee weighed 152 1-4 and Saxton 147 1-2.

LEXINGTON, Ky., April 30—(AP)—Bill Spivey, former University of Kentucky baseketball star, was arrested today on a fugitive warrant and released on $500 bond pending a hearing May 26. Police said they received papers from New York requesting Spivey's arrest for return to New York for trial on a perjury indictment.

Revamped Browns Split Twin Bill With Yankees

By The Canadian Press

The revamped St. Louis Browns blasted out a 9-4 victory over the world champion New York Yankees Wednesday but lost the second game of their American League doubleheader, 4-1.

Ted Williams made his farewell appearance for Boston Red Sox a vital one with a game-winning two-run homer that enabled the Sox to defeat Detroit Tigers 5-3.

In National League day games, Pittsburgh Pirates snapped a 10-game losing streak with an 11-5 victory over Boston Braves; Chicago Cubs nicked Philadelphia Phillies 9-8 in 12th innings and New York Giants downed Cincinnati Reds 4-1.

The Browns ripped into Vic Raschi for five runs in two innings in the opener at New York. A pair of grizzled veterans—Marty Marion and Satchell Paige—did most to pave the way for Raschi's first defeat of the season.

Marion rapped out a single and two doubles, drove in two runs and scored another. He handled seven chances flawlessly in the field and took part in both Brownie double plays. Paige took over the mound in the seventh inning, throttled a Yankee threat and pitched one-hit runless ball for three innings to preserve Bob Cain's victory.

Allie Reynolds throttled the Browns with a four-hit performance in the nightcap. Reynolds fanned eight and drove in two runs.

Williams' pay-off four-bagger for Boston came in the seventh inning. He whaled a pitch by Dizzy Trout into the right field stand to break a 3-3 tie. Don DiMaggio was on base.

Williams is leaving major league baseball for the second time in 10 years. He is rejoining the U. S. Marines. It was his first appearance in the starting lineup since the opening game in Washington, during which he pulled a leg muscle. The homer was the 324th of his major league career.

Rookie righthander Ivan Delock retired the last seven Tigers in order to gain credit for his second win in relief.

Pittsburgh Pirates had to survive three Boston home runs to gain their victory.

Murray Dickson won his first victory after three setbacks. He held the Braves to two hits going into the eighth when a five-hit attack routed him in favor of Ted Wilks.

For Boston Ed Matthews hit his third homer of the year in the fifth inning and Ebba St. Claire and Earl Torgeson clouted four-baggers in the eighth.

Outfielder Bob Addis doubled in the 12th inning with two out to score Bob Ramazzotti with the winning run for Chicago Cubs over the Phillies. The victory put Chicago in second place in the National League.

Addis' blow was his third hit of the game and the 20th that the Cubs banged off seven opposing pitchers in the three-hour, 15-minute struggle.

Veteran Larry Jansen and young Davey Williams combined to give the Giants a 4-1 victory.

Jansen shackled the Reds with an impressive three-hit job for his second straight victory while Williams rapped out four straight hits and figured in all the Giants scoring.

The Cincinnati run came in the fifth on Hank Edwards second homer of the year. Jansen now has beaten the Reds 16 times against two losses to them.

Stratford Leads Allan Cup Series

FORT FRANCES, Ont., April 30 —(CP)— Stratford Indians defeated Fort Frances Canadians 2-1 tonight in the fourth game of the Allan Cup senior hockey final. Fort Frances now leads the best-of-seven series three games to two.

British Soccer

LONDON, April 30—(Reuters)—Tottenham Hotspur, last year's English League soccer champion, today finished second to Manchester United in this year's championship by defeating Chelsea 2-0.

The two points gained from their last match of the season enabled Hotspurs to oust Arsenal, soccer cup finalist next Saturday, from second spot on their goal average.

But Huddersfield Town, which will be relegated to the second division next season, announced it will ask the Appeals Board of the Football League to investigate Tottenham's first and winning goal in their league match April 2.

The management committee has already upheld the umpire's decision to allow the goal to Tottenham, but Huddersfield is exercising its right of final appeal to the higher authority.

The dispute arose when Eddie Baily, Tottenham forward, took a corner kick which rebounded off the umpire. He then kicked the ball a second time, enabling teammate Len Duquemin to score.

A decision against Tottenham could cost the team second place in the championship if it lost the replayed game.
