HE LOVED GOOD BREAD, PIE, and pastry, but his Stomach was delicate. SHE LOVED TO COOK, but was tired and sick of the taste and smell of lard. She bought Cottolene, the new shortening and THEY LOVED more than ever, because she made better food, and she could eat it without any unpleasant after effect. Now THEY ARE HAPPY in having found the BEST, and most healthful shortening ever made—COTTOLENE.

THE CARE OF HIS INVALID. Of the Following Hints the Last Two Are Specially Recommended to the Reader. An invalid's room should be as large as it is possible to have—bright, cheery and airy and comfortably furnished. A point that should be studied carefully by the sickroom attendants is variety. The invalid cannot change her room, so change the room for her and try to make its daylight appearance as different as possible from its night look. Invalids take a keen interest in life if kept part of the family circle and thoroughly enjoy little glimpses of outside, such as are afforded by a new book or magazine, a picture, etc. Fortunately it is easy in these days to keep up a fairly continuous change of literary food at no great expense, and it is wonderful how clever one becomes in picking up all kinds of trifles that may serve as amusement and interest to the dear one at home, who can only take life as it comes.

"You'll Feel Better" Everybody does, after taking a few bottles of MALTO PEPTONIZED PORTER. It builds up the run-down system, is strengthening and appetizing. It is readily borne by weak stomachs, regulates the bowels, and is invaluable to those afflicted with Indigestion and Flatulency. THE MALTO PEPTONIZED PORTER CO. LTD. TRURO, NOVA SCOTIA, CANADA. Highly Recommended by Physicians.

Unlike the Dutch Process No Alkalies Other Chemicals are used in the preparation of W. BAKER & CO'S Breakfast Cocoa. After a careful examination of Skoda's German Soap, I find it composed of ingredients of a chemically pure and healing nature. It is perfectly pure and perfectly white, and is an excellent ointment for general everyday use.

Skoda's German Ointment perfectly pure and possessing high medicinal qualities. It can be used with perfect safety on the most delicate skin, and is an excellent ointment for general everyday use.

Mr. Raymond, whose picture appears above, and who for many years, was engaged in the manufacture of toilet soap, writes under date of Feb. 4, 1893: "I am surprised at its soft and purifying qualities. It is pure, unadorned, and free from alkali, which most soaps contain."

Miss Alice E. Welch, a graduate of the Victoria General Hospital Training School for Nurses, Halifax, N. S., says: "Truly Skoda's Soap is soft as velvet and pure to gold. It makes the skin soft, white and beautiful."
