

Local and Other Items.

NAVIGATION CLOSED.—The St. John Sun reports that navigation at Fredericton was practically closed on the 9th inst.—the earliest since 1864.

THE QUESTION OF THE DAY.—Have you seen McKenna play? Answer—No. Then don't fail to see him to-night; you may never have the chance again.

HE ACCEPTS.—An Ottawa despatch reports that Mr. John Macdonald, of Toronto, has accepted the appointment to the Senate, and will be gazetted on Saturday.

BIG BUSINESS.—Conductors and other employees of the Canadian Pacific Railway are now compelled to work about a time and a half in order to handle the business on this division.

S. of T.—Orient Division, No. 161, S. of T. holds its regular weekly session this Friday evening in McLeod's hall, No. 205, Queen Street. Members of sister divisions always welcome.

SHIPPING DISASTER.—By telegram to Norton & Fennell to-day, we learn that the ship, Blue Wave, which sailed from Cardigan on Friday last with a cargo of produce, is a total wreck at Cape George.

PERSONAL.—Hon. Samuel Prowse, Murray Harbor, arrived from Moncton last night, and left for home this morning. Harvey McKenna, the champion billiardist, is at the Rankin.

DELICATE diseases of either sex, however induced, speedily and permanently cured. Book of particulars 10 cents in stamps. Address World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.

UNDER THE GASLIGHT.—Remember the Matinee "Under the Gaslight" to-morrow (Saturday) afternoon, by the Boston Comedy Company at the Lyceum. Admission only 10 cents to all parts of the house.

UTILIZING WASTE WOOD.—Several of the lumbermen at Ottawa have organized a company for the manufacture of paper out of the trimmings and other waste wood connected with the Chaudiere lumber mills.

CHINA WEDDING.—Mr. and Mrs. Henry Walker, of Summerside, celebrated their china wedding on Monday evening last. Their many friends took advantage of the occasion to present them with many useful and handsome presents.

A NEW TRACK.—Some St. John horsemen are talking up the idea of establishing a track on the Marsh road, within easy walk of the city. They appear to think the old track at Moosepath is too far away. The movement has not reached any definite shape as yet.

PREPARE FOR WINTER.—What arrangements are being made by our citizens in the way of lectures, entertainments, etc., for the winter. It is about time the literary and dramatic societies were re-organized and arrangements made for a course of lectures. Let us be moving.

FOOTBALL NOTES.—Don't forget the match, Abegweit vs. Allomers, at the Park to-morrow afternoon. The Dalhousie College Football Club will play the Abegweits at the Park on Thursday next. The game will doubtless be an exciting one. No news from the Wanderers yet.

NEWSPAPER CHANGES.—The Ottawa Free Press says: "Mr. John Livingston, editor of the Montreal Herald, will shortly sever his connection with that paper to take charge of the Empire, the new Conservative organ to be started in Toronto. Mr. St. John will succeed Mr. Livingston as editor of the Herald."

TEMPERANCE MEETING.—Hon. D. C. Fraser, Grand Worthy Chief Templar of Nova Scotia, will address a public meeting in this city on Tuesday next, in the interest of the Canada Temperance Act. Mr. Fraser is one of the leading lawyers of the other province, a member of the Legislative Council and an able and eloquent speaker. The citizens of Charlottetown may look forward to a treat in hearing this well-known temperance worker. Others of our own public men will take part in the proceedings.

DROWNED.—A sad case of drowning is reported from Woodstock, N. B. A woman of J. Morrissey, of that town, aged ten or twelve years, accompanied by another young boy named Brown, went skating on the Maduxne-keak on Wednesday morning. Morrissey broke through the ice and sank. Brown immediately gave the alarm, and after a few minutes Morrissey's father came to the rescue of his son, but before he could succeed in breaking the ice and reaching the spot where his son lay, and getting him out of the water, his life was extinct. All that medical skill could accomplish was done in the case.

THE LYCEUM.—The Boston Comedy Company appeared in Rip Van Winkle last night. The play was well mounted, and, judging from the applause which greeted the different performers, was well received. Miss Edwina Grey as "Gretchen," acted her part with that excellent manner which always characterizes her impersonations; and Mr. Webber appeared to advantage as "Rip Van Winkle," his make-up and acting in the fourth act being particularly good. Mr. Mills also did well as "Derrick Von Beekman," while Mr. Farris, Mr. Bedell and the remainder of the cast deserve a few words of praise. No by any means the least interesting feature of the performance was the cunning manner in which the little daughter of one of our best known citizens acted the part of "Minnie," the child of "Rip Van Winkle," in the early stages of the play. This evening, "Kathleen Mavourneen" and "The Silent Woman" will be put upon the boards. Don't fail to attend. Mr. Webber's imitations have been doing good work all day, and to-night several local hits were expected.

TELEGRAPHIC NEWS.

(SPECIAL DESPATCHES TO THE EXAMINER.)

The Chicago Anarchists.

Justice Administered by His Own Hand.

The Last Terrible Scene.

CHICAGO, Nov. 10.

Lingg, the condemned Anarchist, shot himself through the head this morning. How Lingg secured the weapon with which the deed was committed is very mysterious. His cell and clothes were again thoroughly searched yesterday, and guards sat in front of his cell watching him every minute. Lingg has always been regarded as the most desperate Anarchist of the lot. It was he who manufactured bombs for the Haymarket riot, and in whose cell the bombs were found last Sunday. The supposition that the man put a bomb into his mouth and deliberately applied a candle flame is undoubtedly correct. The explosion was terrific and the officers thought it was a bomb. The shell or fulminating cap was so small as to have allowed the smuggling of it into jail without trouble.

Dr. Gray made a further examination and found that the tissue of the throat, neck and front of the jaw had been torn away. He administered stimulants, but they failed to rouse the man.

The scene in Lingg's cell after the explosion was ghastly. Teeth, bits of his jaw bone, shreds of flesh and blood were scattered all over the compartment. While the surgeons were dressing his wounds, Lingg rested in the arms of a newspaper man. Every once in a while Lingg coughed convulsively, and the blood chattering him would be spattered on his clothing and in the faces of his attendants. Lingg died at 2.30 p. m.

Gov. Oglesby to-day committed the sentences of Schwab and Field to life imprisonment. The other four will hang to-morrow.

CHICAGO, Nov. 10.

Great military preparations have been made here to guard against disturbance at to-morrow's execution. Many companies of military are under arms. The four victims, Spies, Parsons, Engell and Fischer took final leave of their friends to-night.

Scenes of terrible distress occurred in the jail. Mrs. Parsons demanded admittance a second time, and being refused, fainted. It took twenty minutes to restore her.

The Fisheries—Closed Down.

OTTAWA, Nov. 10.

The Fisheries Department has advised that the season at Labrador has proved a fairly good one. The Dream is the only fishery cruiser now in commission. She is in the Bay of Fundy.

Hop beer breweries doing business in the Northwest have been closed down by the Inland Revenue Department, because samples of the alleged temperance beverage exceeded the standard. The tests showed that the beer contained a percentage of alcohol sufficiently high to bring the establishments under the operation of the Act; and as liquor manufacturing is prohibited in the Territories, the Department was obliged to close down the business.

The Crown Prince.

BERLIN, Nov. 10.

Dr. McKenzie admits the growth in the Crown Prince's throat is cancer, and deprecates an operation which would be both useless and dangerous. The Crown Prince is also opposed to the operation. All the court festivals have been stopped. A hunting party fixed for Saturday was countermanded. From San Remo the Crown Prince personally writes telegrams for the Emperor. He has not spoken since Saturday, except in cases of absolute necessity. It is agreed on good authority that all the doctors agree that the Crown Prince is afflicted with cancer. The Crown Prince will give his decision to-morrow, whether or not he will submit to an operation.

A Suit for Damages.

DUBLIN, Nov. 10.

O'Brien and Mandeville, on their release from Tullamore Jail, will bring suits for damages against Magistrate Stokes, who ordered their arrest. After the decision an appeal in their cases at Mitchellstown and for assault against Inspector of Police Creagh who executed the order.

Spurgeon and His Followers.

LONDON, Nov. 10.

Several Baptist Churches and Clergymen will follow Spurgeon's example of withdrawing from the Baptist Union. The directors of Boston College will convoke a conference to consider the joint action on secession.

Weather Bulletin.

TORONTO, Nov. 11—10 a. m.

Strong winds and gales shifting to north-west, cloudy, with rain, followed by clearing weather.

A NEW MALADY AMONG SMOKERS.—A malady of recent appearance among smokers has been dubbed the "cigarette" eye. According to an oculist, the best authorities were for a time at a loss in understanding this disease, but have at length decided that its origin lies in the cigarette. The symptoms are dimness and a film-like gathering over the eye, which appears and disappears at intervals, and it is not relieved by spectacles. Only a long course of treatment cures this dangerous trouble.

Sunday School Entertainment.

The children and teachers of the Prince Street Methodist Sunday School had a most pleasant and enjoyable time in their school yesterday afternoon and evening. After a most sumptuous repast, partaken of by several hundreds of scholars and a large number of parents and friends, the singing of hymns was engaged in until Mr. H. J. Cundall's magic lantern was brought into requisition, and for more than an hour Mr. George Bremner held the little ones in ecstasies over the changing views so skillfully thrown upon the canvas.

Before breaking up, refreshments were handed around, and the evening closed with the Doxology. Miss Annie Moore and Miss Duchemin added to the interest by performing on the fine Sunday School organ. In the course of the evening the Superintendent, on behalf of Judge Young, LL. D., presented Mrs. Bart and her infant class with a handsomely framed chromo. The picture is that of Christ blessing the children, and was accompanied by a note from the Judge conveying his best wishes and most earnest prayers that the little ones might all at last be found "Safe in the arms of Jesus."

Billiards.

HARVEY MCKENNA, the Billiard Wonder, gave his first exhibition last evening at the Old London Billiard Hall. His playing was something marvellous. His first break was 27, his second 97, and on the third he scored 500. His control over the cue cannot be surpassed. He has fully sustained his reputation as the straight-line champion. After the game was over, Mr. McKenna gave an exhibition of fancy shots, some of which seemed an impossibility—nevertheless the champion (to whom it seemed nothing was impossible) never failed to score, receiving rounds of applause after each shot. Lovers of billiards, who have not witnessed Mr. McKenna play, should certainly not miss the present opportunity of so doing. The champion will give another exhibition this evening, commencing at 8.30 sharp; and as only a limited number of tickets will be sold, we would advise those who intend visiting the exhibition to secure a ticket early and obtain a good seat. After the champion's exhibition there will be a tournament amongst some of our leading amateurs.

Merry Wedding Bells.

The Presbyterian Church was well filled by our townspeople yesterday morning to witness the marriage of Neil McQuarrie, Esq., Stipendiary Magistrate of this town, and a member of the law firm of McLeod, Morson & McQuarrie, to Miss Sarah McNeill, daughter of the late Stephen McNeill, Esq. The pulpit and choir railing were tastefully trimmed for the occasion, the ceremony was performed by Rev. J. P. Gerrior, assisted by Rev. W. R. Frame, of Charlottetown. The bride was attended by Miss Cecilia Lefurgey and the groom by W. A. O. Morson, Esq. The bride's dress was a combination of navy blue and navy blue plaid, with hat to match, and the bridesmaid wore a navy blue dress and cardinal plush hat. The happy couple left by noon train for Charlottetown, thence via Pictou on their wedding tour.—Summerside Journal.

THE EXAMINER extends its hearty congratulations to the happy couple, and wishes them a pleasant journey through life.
