## NEW POLITICAL PARTY FORMED AT SHANGHAI

### Japanese - Sponsored Party Headed By Former Chinese Premier.

SHANGHAI, July 10 (AP)—Japanese military authorities announced formation of a new Chinese political party tonight led by Wang Ching-wei, former premier who was expelled from General Chiang Kai-Shek's Regime last Jan. 1.

Since his expulsion from all official government and party positions, which was for "deserting his post and going for peace" with Japan, Wang has been associating with the Japanese.

Lieut. Colonel Itsuu Mabuchi, director of the Japanese Army Press Bureau in Shanghai, made the announcement. He said "the Japanese Army approves and whole-heartedly pledges support to Wang upon his emergence as leader of the real Kuomintang (Chinese Nationalist Party)." He said the new party was "in reality an orthodox Chinese Nationalist Party in opposition to the Nationalist Government at Chungking."

### Movements Secret

As during his expulsion and departure from Chungking early this year, Wang's movements were mysterious.

Unconfirmed reports stated he was at Tientsin, conferring with the Japanese in directing their army's political manoeuvres in China. He also was reported conferring with the heads of the Nanking and Peiping Regimes, which are Chinese puppet administrations operating under the Japanese.

It was considered likely that the results of such meetings would be a plan for merging the Nanking and Peiping Regimes under the leadership of Wang, with the Peiping either in Peiping or Nanking.

### Anglo-Japanese Talks

LONDON, July 10 (CP)—Richard Butler, parliamentary under-secretary for foreign affairs today negotiations in Tokyo toward settling Japan's blockade at Tientsin were expected to begin about the middle of this week.

Replying to questions in the House of Commons, he said the talks will be conducted on the assumption by the British Government that "outrages" on Britain should be stopped.

He said barrier restrictions have been relaxed but the blockade was still in effect. The blockade, a-against the British and French coasts, ended June 14.

Mr. Butler told a questioner the Government had made "repeated representations" to Japan for the release of Lieut. Col. C. R. Spear, British military attaché who was arrested in China six weeks ago.

Demands that the blockade be lifted and that outrages against British subjects be stopped, he said, were voiced repeatedly in the house.

## Prize Winners At Holstein Field Day

Holstein Association Field Day keen interest was taken in the judging competition of the P. E. I. Holstein Association Field Day which was held last Friday at the farm of Harry Linkletter's, Linkletter Road.

The Linkletter herd with other cattle which were brought by some of the members, were used in the judging ring and many complimentary remarks were heard on the excellent condition of the animals.

The Linkletter herd sire, Abegweit Ringmaster was used as a demonstration of what a good herd sire should be. Her dam Abegweit Lassie Frances, received honourable mention and was first at the Royal, as a two year old she gave 937 lbs of butter and is again on record having produced 1300 lbs of milk since January 2nd. The sire of the bull was bred by May Tag Farm, Iowa, and is a grandson of Man-of-War and Tritonia Pietiere Ormsley, who sired to "All American" and other famous sires.

The Linkletter herd sire was purchased by Mr. Linkletter and Allison Profit from Mr. Walter Jones well known as an expert cattle breeder. Mr. Jones in his splendid address on livestock breeding traced the ancestry of the sire back six times to the great foundation sire Sir Pietiere Armsley Mercedes.

The judges in the cattle ring were Mr. Walter Jones, Mr. W. Buntain and Mr. Cecil Stewart.

## McCallum Hurls 2-hit Ball As Kensington Team Whips Pioneer Squad 7-1

Jim Millman reached first base on an error, Jack Schurman singled and Harry Crossman doubled to score Millman and that was all for the Pioneers in a scheduled game at Kensington last evening which the latter won by a 7-1 score. The game went into the top of the 7th in which frame the Pioneers scored four tallies with none out but darkness halted proceedings and the score reverted back to the sixth inning. McCallum on the mound and heavy batting at the plate decided the outcome. McCallum struck out five, walked one and allowed only two hits. His mates pounded out twelve safeties including a triple and three doubles and made only one error arried to the Pioneers' two.

Chipman with a single, double and mighty triple, to right in three trips led the batting assault, closely followed by Darrach with a double and two singles. In four trips to the plate, Chipman's double and triple were two of the hardest hit balls of the season.

This evening will see either a postponed game between the Vitas and Pioneers or a practice game between the intermediates and juniors. On Wednesday following the races in Kensington an attempt will be made to have the Victorias of Charlottetown play in Summerside. Details will appear in Wednesday morning's edition of this paper.

### Will Mark 15th Anniversary In Midst Of Frontier Warfare

(By The Associated Press)

MOSCOW, July 10—The Mongolian People's Republic, in the midst of a frontier conflict with Japanese-Manchurian forces, will celebrate tomorrow the 15th anniversary of its foundation and the 18th anniversary of the revolution which made the new state possible.

The Soviet Russian Army paper Red Star, recalling help given the Mongolian revolutionaries in 1921, said the Red Army today is actively helping the Mongolian people against enemies.

"The Mongolian people have organized a strong and well-equipped army which, helped by Soviet troops, is heroically exterminating insolent Japanese provocateurs who are plotting against Mongolian territory."

"The security of the borders of the Mongolian people's republic is in reliable hands. The insolent raids of the Japanese provocateurs will end in a complete fiasco."

During the past two months the people's revolutionary army (of outer Mongolia), hand in hand with Soviet troops, has been administering decisive blows against Japanese beast which has crawled from its den.

(Border fighting has been intermittent since May 11 along the Zhalun River, near Lake Bor, on the frontier between outer Mongolia and Manchoukuo. Japanese Manchoukuoans and inner Mongolian troops are ranged against other Mongolians and Soviet soldiers and fliers, according to dispatches from the Orient.)

## Town Council Meeting Held At Summerside

The regular monthly meeting of the Summerside Town Council was held last night, Mayor Campbell presiding. After the reading of the minutes, town bills were passed as follows: Town paid bills \$783.11, unpaid bills \$1288.01, electric light paid bills \$898.31, unpaid bills \$686.01.

There was considerable discussion on electric light matters and it was decided to make necessary repairs to the St. Eleanors line. One of the lines going to a house outside the town and not owned by the town needs some repairs and is dangerously low and it was decided to ask the owner to have it fixed or the power would be cut off.

Some discussion was also held on the building permits, many buildings having been put up without a proper permit from the town. Mayor Campbell felt that the council should be informed of these things. It was suggested that fire proof shingles be used in the construction of buildings on Water Street.

The various reports were received and approved.—S.

## TIGNISH PICNIC Wednesday July 19

### Celebration

(Continued from page 1)

ment when he attended the Charlottetown conference. He later attended the Confederation Conference at Quebec in October, 1864.

In New Brunswick's first election on the issue of Confederation the government and Sir Leonard were badly defeated. The House was dissolved about six months later, and in another election candidates supporting Confederation won by a substantial majority. Sir John attended the London Eng. conference when the final draft of the British North America Act was being prepared.

He became minister of customs in Sir John A. Macdonald's government of 1867, lieutenant-governor of New Brunswick in 1873, and then resigned at the request of Sir John to re-enter federal politics and serve as finance minister from 1878 to 1885, when he was re-appointed lieutenant-governor of his native province. He retired in 1893 and died June 21, 1896, the date of a general election when the Conservative party was defeated.

## Believes Idea Of Celebration Excellent One

(Canadian Press)

MONCTON, N. B., July 10—Oldest of the surviving sons of the Fathers of Confederation, P. C. Johnson, Moncton, is looking forward with deep interest to celebration of the 75th anniversary of the Charlottetown conference which led to creation of the Dominion.

Mr. Johnson has been invited to the observances at Charlottetown July 16 to 21. He plans to spend five days in the Island capital.

Erect as a sergeant-major, he walks with a jauntyness and shows an activity contradicting the fact he is almost 77 years old. His hair retains much of its youthful color when so many others have turned grey.

"It is an excellent idea," Mr. Johnson said regarding the anniversary celebration. "In these days, when so many questions have arisen concerning the status of the various provinces within Confederation, when in spite of a common loyalty to the crown there are so many problems which tend to separate rather than unite the provinces, it is well to look back to the birth of the Dominion, to review the younger generation, the conditions which made it desirable, and to recall the arguments which were successful in bringing about the union."

"I believe that a study of these subjects will go far to strengthen the conviction that the Fathers of Confederation acted wisely and laid well and solidly the foundation of a Dominion that will endure, and that within the framework erected on that foundation there is opportunity for the solution of the various problems, constitutional and otherwise, which in recent years have been so widely discussed and which in some quarters have caused feelings of concern."

"It is well at times to look back, and that we may learn from the lessons of the past how to deal with present problems and how to plan for the future. The history of Canada is an inspiring record of achievement and its study should help to promote a greater devotion to the principles which unite us and encourage us to strive to make the Dominion what its founders dreamed it some day would become."

Mr. Johnson is a son of Hon. John M. Johnson, who became a member of the New Brunswick Legislative Assembly in 1850 as one of the representatives from Northumberland. Appointed solicitor-general in 1854, in succeeding years he served as attorney-general, surveyor-general, postmaster-general and speaker of the House. He was one of the Dominion's representatives at the confederation conferences in Charlottetown, Quebec and London. He shared with two others, Sir Leonard Tilley and Hon. E. B. Chandler, the distinction of being present at all three conferences. In the general election marking the birth of the Dominion Mr. Johnson was elected to the House of Commons, becoming the first federal representative of Northumberland County. He died in 1868.

### MEMORABLE FILM PICTURE "SUEZ"

PLAYING AT CAPITOL, S'SIDE

Produced with the magnitude possible only on the screen, one of the most memorable pictures ever to come out of Hollywood, "Suez" opened yesterday at the Capitol Theatre.

"Suez" is truly a great picture. In special emotional experience and sheer entertainment it is unsurpassed. It is said that into its production Darryl F. Zanuck has poured all his skill and 20th Century-Fox's resources—and "Suez" looks it.

The story is of heroic proportions. It tells of the amazing Ferdinand de Lesseps who dreamed of creating the short route to the East, sought vainly by Columbus and Magellan, by tearing continents apart and joining the Mediterranean with the Red Sea. The great canal he built has become the jugular vein of the world.

Out of choking sand, from the clutch of the raiding Bedouin, in the face of the terrifying Sahara storm—with blood, tears and passion—de Lesseps built his canal driven by the love of two women to realize the dream men scoffed at.

Tyrone Power gives thrilling realism to the central character, with Loretta Young and Annabella stirring appealing in the feminine leads. Allan Dwan directed "Suez".
